HOW TO REACH COOPERSBURG

Coopersburg, Pa., is on the Bethlehem Branch of the Philadelphia and Reading Railway, 11 miles south of Bethlehem and 46 miles north of Philadelphia. Good connections can be made with trains from all directions, either at Philadelphia or Bethlehem.

Coopersburg is also reached via Lehigh Valley Traction Lines, from Philadelphia and Allentown. (See opposite page for time of Interurban cars from Philadelphia and Allentown to Coopersburg.) Allentown is on the Lehigh Valley Railroad and Central Railroad of New Jersey, four miles west of Bethlehem. From Allentown, a delightful trolley ride of 8 miles over the Lehigh Mountain lands you at the "Linden Grove" residence.

It will be of evident advantage, to those who attend the sale, to take an evening train on the previous day to Allentown, Pa., stopping there over night; thence by early morning trolley from Allentown to Coopersburg, arriving in ample time for breakfast and to inspect the cattle before the sale begins.

THE FOLLOWING STEAM ROUTES ARE SUGGESTED:

From Chicago and Toronto, via Grand Trunk and Lehigh Valley Railroads, connecting at Bethlehem and Allentown.
 From Chicago via New York Central Lines and Lehigh Valley Railroad, with connections at Bethlehem and Allentown.
 From Niagara Falls, Buffalo and Rochester, via Lehigh Valley Railroad, connecting at Bethlehem and Allentown.
 From New York via Lehigh Valley Railroad or Central Railroad of New Jersey, connecting at Bethlehem and Allentown.
 From New York via Pennsylvania Lines, connecting at Philadelphia.
 From St. Louis and Cincinnati via Baltimore and Ohio, connecting at Philadelphia.
 From Chicago, Cincinnati, St. Louis and Louisville, via Pennsylvania Lines, connecting at Philadelphia.
 From Central New Jersey and some points in Eastern Pennsylvania, a closer connection can be made via Jenkintown, Pa. (Philadelphia and Reading Railroad), than by going into Philadelphia.

CONSULT SCHEDULES OF THESE ROADS FOR TIME OF TRAINS AND CONNECTIONS

ADDITIONAL STOPS AT COOPERSBURG.—Special arrangements have been made with the Philadelphia and Reading Railway, whereby through trains from Philadelphia (Reading Terminal) at 7.00 A. M., 8.30 A. M. and 12.30 P. M., reaching Coopersburg at 8.13 A. M., 9.53 A. M. and 1.57 P. M., and from Bethlehem at 7.15 P. M., reaching Coopersburg at 7.31 P. M., will stop at Coopersburg on day of sale. (These are in addition to the numerous trains in each direction which stop regularly.)

TRAINS LEAVING COOPERSBURG IN THE EVENING ON DAY OF SALE

For Philadelphia.			For Bethlehem.		
Leave Coopersburg.....	6.27 P. M.	7.22 P. M.	Leave Coopersburg.....	6.00 P. M.	6.45 P. M. 7.59 P. M.

THROUGH PARLOR CARS RETURNING TO NEW YORK CITY ON EVENING OF SALE

SPECIAL TRAIN leaves Coopersburg at 6.45 P. M., connecting at Bethlehem with Central Railroad of New Jersey:
 Leaves Coopersburg.....6.45 P. M.
 Arrives New York City.....9 45 P. M.

(This train connects at Bethlehem with train reaching Harrisburg at 10.10 P. M., making a good connection with the Pennsylvania Lines for west-bound passengers.)

HOTEL ACCOMMODATIONS.—There are large and excellent hotels at Allentown and Bethlehem, where visitors en route to sale are sure of good accommodations. The Hotel Allen, at Seventh and Hamilton Streets, and the American Hotel, at Sixth and Hamilton Streets (both in Allentown), are within a short distance from where the trolley cars leave for Philadelphia, and which land passengers at the "Linden Grove" residence. Mention our name to any of the clerks at these hotels. There are three hotels at Coopersburg.

The American Express Company, operating upon the lines of the Philadelphia and Reading Railway and the Lehigh Valley Railroad, has unexcelled facilities for transporting live stock, parcels, baggage and valuables between all points with speed and safety. Rates always as low as those of any responsible express company. Mr. M. S. Landis, the Philadelphia and Reading agent, represents the American Express Company at Coopersburg.

"LINDEN GROVE" Farm adjoins the Philadelphia and Reading Railway station at Coopersburg, and the stables are within fifteen minutes' walk from the depot. The Lehigh Valley Traction Line passes our very door, where all cars will stop on Decoration Day. It will afford us great pleasure to show the herd to any one interested in cattle.

IMPORTATIONS OF JERSEY CATTLE

Per Steamer Mesaba (Atlantic Transport Line) to New York,
August 5, 1915, and October 31, 1915,

and a few animals from previous importations.

Also some home bred cattle, bred from the very choicest imported parents.

THE PROPERTY OF
T. S. COOPER & SONS
"Linden Grove," COOPERSBURG, PA.

Coopersburg is on the Philadelphia and Reading Railroad, 43 miles north of Philadelphia; 98 miles west of New York City; 11 miles south of Bethlehem, Pa., and 8 miles south of Allentown, Pa.

IMPORTANT

Breeders are requested to make themselves known at the office on arrival, where information will be given them that may prove valuable. Also to ask for list of births and services since catalog has gone to press.

TO BE SOLD AT AUCTION
AT THE HOME OF THE OWNERS

TUESDAY (Decoration Day), MAY 30, 1916

NO POSTPONEMENT on account of weather.

If disagreeable, cattle will be sold in the sale pavilion. It is the intention to start the sale, as usual, in the forenoon, about 10.30 to 11 o'clock.

LEANDER F. HERRICK, Sale Manager

Copyright, 1916, by T. S. Cooper & Sons.

TERMS AND CONDITIONS OF SALE

Terms Cash. Twenty-five per cent. to be paid in cash immediately after the animal is sold, or the sale may be declared void, at option of the seller. The balance of the purchase money to be paid in cash on the day of sale, and before the animal is delivered; and, if the balance is not paid or satisfactorily secured within said time, the twenty-five per cent. will be forfeited as an agreed liquidation for damages, and the sale to be void.

Warranties. When an animal is warranted, the fact and particulars of the warranty will be proclaimed from the auction stand, otherwise animals are sold with all faults and defects, and nothing warranted except right and title to the property. Care will be taken, however, that all known defects will be set out in the catalog, or stated by the auctioneer. In case typographical or other errors are discovered, the auctioneer will announce them, and a memorandum will be kept of such corrections, which will take precedence over the printed matter in this catalog. Buyers are, therefore, cautioned to pay attention to the auctioneer's announcements.

Pedigrees. All the cattle are entered in the Herd Register of the American Jersey Cattle Club, and application for transfer will be furnished with each animal. Should exceptions occur they will be announced at the time of sale, unless the catalog indicates them by the omission of the registry number. Beyond the fact that the pedigrees have been accepted for registry, and that care has been exercised to have them correct to the best of the ability of the seller, no representations are made regarding them and nothing warranted.

Bids. Where there are two or more claimants for a deciding bid, and the auctioneer is in doubt whose bid was heard, the question may be settled by putting up the animal for advance bids. After the first bid is made, no advance of less than \$10 each will be taken, except on young calves, when a special limit will be announced.

Delivery and Keeping. Buyers must procure from our bookkeeper, for each animal purchased, a separate order on the seller, and orders so obtained should be placed in the hands of the person or agent who is to remove the animals. Buyers assume all expenses and risk on animals after they are struck down.

Bidders not present may send their bids or instructions to buy, to Mr. Leander F. Herrick, our sale manager, who will take charge of such bids and use them as if he were buying for himself.

LEANDER F. HERRICK, Sale Manager

CREDIT

While the terms of Sale are CASH, special credits of three to twelve months will be given to responsible parties, by the same giving bankable notes with approved security, bearing interest from date. So that no detention may take place at day of sale, parties are respectfully requested to communicate with us before day of sale. Where notes are accepted for certain animals, the transfers will be held until the notes are paid.

T. S. COOPER & SONS

ON THE PAGES IMMEDIATELY FOLLOWING WILL BE FOUND SOME READING MATTER THAT WILL BE OF INTEREST AND VALUE TO PROSPECTIVE PURCHASERS OF JERSEY CATTLE.

ORDER OF SALE

The cattle will be sold as nearly as possible in the succession as their pedigrees are arranged in the catalog. There will be some slight deviation, however, to bring animals into the ring with their dams or other relatives.

This explanation is made so that visitors who may find it necessary to absent themselves at any hour during the sale, will ascertain if any certain animals they may want are to be sold out of the order of printed catalog.

The position of an animal in the catalog has no reference whatever to its individual quality or value. Some people have the mistaken idea that the first animals are not high class, thinking the quality arises and reaches a climax in the middle, tapering off again toward the last. That is all wrong. There are just as good and desirable animals on the back pages as there are anywhere in the catalog. "Something must be last," and many of the "back numbers" are among our best cattle.

Withdrawals—We reserve the right to withdraw any animal not in sale condition, as heretofore we have suffered loss, and in some cases the buyers have been dissatisfied, because of animals which have not acclimated.

Latest services of females are published on a separate sheet, to be circulated on sale day. Visitors should inquire for them of the manager of sale, Mr. L. F. Herrick. A number of cows have freshened since catalog went to press, and in some cases have been bred to one of our great bulls.

Buyers unable to attend the sale, and wishing to send bids on any of the animals, may entrust their business to either Mr. M. D. Munn, president of the American Jersey Cattle Club, St. Paul, Minn.; Mr. L. F. Herrick, manager of sale, Worcester, Mass.; Mr. Tom Dempsey, Westerville, Ohio; Mr. Hugh G. Van Pelt, Waterloo, Iowa; Mr. S. N. Warren, Spring Hill, Tenn.; Mr. Harry Jenkins, care "Linden Grove," Coopersburg, Pa., or any other of the many reliable Jersey people who attend the sale. After May 25th, instructions should be addressed to them in care of T. S. Cooper & Sons. Many prominent Jersey breeders of wide acquaintance and experience are always in attendance; and if buyers sending instructions direct to us will name any such person of his acquaintance, we shall ascertain whether he is present, and if so, place the matter entirely in his hands.

HEALTH OF THE CATTLE

Dependable Tuberculin Test Certificate, Meeting Requirements of All States

EVERY ANIMAL OF SUFFICIENT AGE WILL BE TUBERCULIN TESTED SHORTLY BEFORE SALE, and certificate admitting to any State, provided free. This is not a compulsory test, though made by an officially approved veterinarian. We are quite as anxious to keep our cattle free of disease as our purchasers or the authorities could possibly be.

There has never been found on the Island of Jersey a single case of tuberculosis. After a very careful examination of a large number of cattle on the Island by the government officials, and no tuberculosis discovered, the government announced that any cattle coming from the Island of Jersey could enter any port in America without being tested for tuberculosis.

Dr. Francis Bridge, of Philadelphia, for eighteen years State veterinarian, has tested our cattle regularly, and in 1911, after testing 194 head without finding a trace of disease, issued a signed statement from which we quote:

I find them entirely free from this disease. Let me congratulate you upon the fine, healthy condition of your herd, and its entire freedom from this disease, which I think is due in a great measure to the great care you take of your cattle, and the well lighted and well ventilated condition of your stables.

FRANCIS BRIDGE.

A TWO-YEARS' HARVEST—THE CREAM OF THE ISLAND

"We wonder how many Jerseys Mr. Cooper has brought over," remarks "The Jersey Bulletin," "in his many importations? They began in the early '80's, and for the past seventeen years he has not missed a year, and sometimes made two importations in a season. How frequently they were made prior to 1899, we are not informed. It would make interesting reading—a list of the prize winners, butter test cows and noted bulls, that have been imported for 'Linden Grove.' This year's lot is, as usual, of the very first quality, nearly 80 per cent. of the cows being Highly Commended. Mr. Cooper seems to think it 'noblesse oblige' to capture the tops of the show rings and tests, if he approves them individually. The standard in the past has been high, and this year will scale up to previous sample. Those who keep tab on the prize winners at the Royal Shows may venture a pretty close guess as to the identity of some of the shining lights of this year's importation."

THE "PLUMS" OF OUR LAST FIFTEEN AUCTIONS AT "LINDEN GROVE."

- In our Decoration Day auctions alone (not counting private sales) we sold in fifteen successive years, 1900 to 1914, inclusive, 1,869 head of Jersey cattle, imported and home bred, for a total of \$952,985, or an average of \$509 per head. It would require a big book to tell the "whole story" as "The Bulletin" suggests it, but a glance at the name of the top-price animal in each auction will open the eyes of many.
- IN 1900 OUR AUCTION WAS TOPPED BY GOLDEN SULTANA, 146282, at \$1,600.** Golden Sultana has three sons with Register of Merit daughters, including Sultana's Golden Jolly, 86180, Grand Champion at National Dairy Show, 1911, in service at "Linden Grove." One of her sons sold in our auction for \$11,100, and an eight-months-old daughter sold for \$1,750. We paid \$3,000 to get Golden Sultana back, seven years later, and sold her in 1910 for \$3,700.
- IN 1901 OUR AUCTION WAS TOPPED BY GOLDEN MON PLAISIR, 59936, at \$3,500.** Golden Mon Plaisir was First at the Royal Island Show, 36 entries. He left 6 butter test daughters, and 5 sons with Register of Merit daughters. Another of his sons produced the World's Record Public Butter Test Cow, Vesta's Daisy. Her dam was by Golden Lad's Champion, imported by "Linden Grove," and sold in our 1900 auction, to Mr. E. A. Darling, ex-President of the American Jersey Cattle Club.
- IN 1902 OUR AUCTION WAS TOPPED BY CHAMPION FLYING FOX, 61441, at \$7,500.** Flying Fox was First at the Royal Show, 26 entries. He has 26 butter test daughters, and 43 sons with tested daughters—more than any other bull of any breed, to our knowledge. We sold his dam, Sultana's Rosette, 149740, in 1900, for \$900; and paid \$2,250 for his sire, Golden Fern's Lad, P. 2160, H. C., when the bull was nine years old.
- IN 1903 OUR AUCTION WAS TOPPED BY FORFARSHIRE, 61759, at \$1,750.** His purchaser might have sold him for a splendid profit right after the sale. The late Mr. John A. Middleton, of Shelby County, Kentucky, often said he regretted letting Forfarshire get away from him. Forfarshire won First Prize, Championship and Sweepstakes at St. Saviour Show, 1901. He left 16 butter test daughters, four or more producing sons, and five untested daughters that are dams of Register of Merit cows.
- IN 1904 OUR AUCTION WAS TOPPED BY IMPORTED BLUE BELLE, 180234, at \$3,600.** Blue Belle was fourteen years old. She left two butter test daughters, and five sons with tested daughters. She is grandam of Noble of Oaklands and Financial King; and great-grandam of Interested Prince, Guenon's Lad, etc. We paid \$3,000 for the calf of Blue Belle by Golden Fern's Lad. He has two daughters in Register of Merit, three sons and two daughters that have produced Register of Merit cows.
- IN 1905 OUR AUCTION WAS TOPPED BY EMINENT, 69631, at \$10,000.** Eminent twice won the "bull and progeny" prize at the Royal Show on the Island. He left 81 butter test daughters (more than any other imported bull, and second only to one American bred bull), and 25 producing sons. Nineteen untested daughters of Eminent have 22 daughters in the Register of Merit.
- IN 1906 OUR AUCTION WAS TOPPED BY LADY VERNONIA, 195875, at \$2,500.** Lady Vernonia was Champion at the Royal Jersey Show, and had won twelve other Firsts and Championships on the Island. Butter test at 9 years 2 months old, 15 lbs. 15 ozs. in seven days. She produced the successful sire, Vernonio, P. 3518, H. C., and is dam of Lady Vernonia's Daughter, 213949, who has several distinguished progeny.
- IN 1907 OUR AUCTION WAS TOPPED BY IMPORTED STOCKWELL, 75264, at \$11,500.** Stockwell now has 12 butter test daughters and 8 or more bulls with official test daughters. He produced the winners of many first and champion prizes. One of his sons (bred at "Linden Grove") sold as a calf for \$810, and as a two-year-old for \$2,100.
- IN 1908 OUR AUCTION WAS TOPPED BY MAJESTY'S LADY HOUPLA, 213941, at \$2,000.** An Island prize winner. Three years later she sold for \$3,425. Register of Merit record, 706 lbs. 10 ozs. butter in 1 year. Her son, by same sire as Sultana's Golden Jolly, 86180, sold at auction for \$10,000.
- IN 1909 OUR AUCTION WAS TOPPED BY VIOLA'S GOLDEN JOLLY, 79314, at \$11,000.** Two years later he sold for \$13,000. He has 9 daughters in Register of Merit, and two sons with Register of Merit daughters, including Sultana's Golden Jolly, 86180. One of his daughters on retest has made 512 lbs. 11 ozs. butter in 7 months. In same auction we sold Raleigh's Fairy Boy for \$8,200.
- IN 1910 OUR AUCTION WAS TOPPED BY SULTANA'S OXFORD LAD, 76506, at \$11,100.** His dam, Golden Sultana (also dam of Sultana's Golden Jolly, 86180), sold at same time for \$3,700. Sultana's Oxford Lad died in his prime; he has four daughters in the Register of Merit. He has a son with four in Register of Merit.
- IN 1911 OUR AUCTION WAS TOPPED BY NOBLE OF OAKLANDS, 95700, at \$15,000.** His dam (also dam of Viola's Golden Jolly) sold at same time for \$7,000. Noble of Oaklands has 37 official test daughters, and 28 sons with tested daughters. He sired the winners of hundreds of first and champion prizes. In same sale we sold Gamboge's Knight, 95698, for \$6,700.
- IN 1912 OUR AUCTION WAS TOPPED BY WARDER'S FAWN BEAUTY, 269772, at \$3,200.** She was Champion over the Island (Blythwood Bowl) in August, 1911. Her two-year-old son sold for \$400, and her heifer calf for \$695, in the same auction. The calf she was carrying won First at New Jersey State Fair, as a two-year-old. In same auction we sold the World's Champion Public Butter Test cow, Imported Vesta's Daisy, 269760, for \$2,700.
- IN 1913 OUR AUCTION WAS TOPPED BY RALEIGH'S BEAUTY OF ST. MARTIN, 286978, at \$2,050.** She was a public butter test cow on the Island, and her daughter, Lady Noble Fern, won First Prize at the Royal in May, 1913, in a strong class, 23 heifers competing. Raleigh's Beauty of St. Martin is by Eminent's Raleigh, 60911 (sire of 48 tested cows), he by Eminent, 69631.
- IN 1914 OUR AUCTION WAS TOPPED BY CHAMPION GAUNTLET, 306582, at \$2,725.** She was Champion over the Island (Blythwood Bowl) in August, 1913, winning First in her class of 55 entries. For championship she defeated Alabama, a daughter of Golden Fern's Noble, who was first in her class of 58; Princess Emma (by Beechland's Champion), first in her class of 34; and two other first prize winners in classes of 37 and 74 entries.

WE HAD NO AUCTION IN 1915.

AN UNEXPECTED "PEEP-IN" AT "LINDEN GROVE."

TOM DEMPSEY,
Ohio.

Recently I had occasion to go to the A. J. C. Club office on business, and quite unexpectedly stopped off at Coopersburg in the morning and spent the day with the Coopers.

Peter was laid up with lumbago, his first attack and severe, so I could not see the bulls out on "dress parade." Ralph, in the afternoon, ran the hand milk machine. That was a pleasure to see.

"T. S." was here, there and everywhere, just like an eighteen-year-old boy, from the typewriter down to the cow barn, and I was told on the quiet by Mrs. "T. S." that when they got "caught" at the barn, "T. S." can milk from 25 to 30 cows as quickly as any of the younger ones, barring Ralph. When I left at 10:20 that night "T. S." was ready to make the rounds of the stables to see that everything was in "ship shape" for the night.

I have attended nearly all of Mr. Cooper's auction sales, and have made many other calls at frequent times, but I know of none where the chances were all in my favor for "Jersey gossip" as good as on this trip, and I enjoyed my visit immensely.

When I arrived, the first thing that Mr. Cooper said to me was: "Well, you have caught me in my working clothes." We both sat down by the open fireplace (as the porch where so many other enthusiasts have loafed was very inviting to "stay off"), and after an hour's chat, Mr. Cooper excused himself to rattle off a few letters. Mr. Cooper has in his office the most unique substitute as an entertainer that it has ever been my pleasure to meet anywhere. He calls it his "family bible" (who ever thought he had time to read one), and when he gets busy he will simply say, "Here is my family bible; try and amuse yourself until I get back." Instead of being a bible, they are the bound auction sale catalogs back to 1879. Nothing private in the Cooper office, and in these bound catalogs are the sale advertisements of each sale, editorial reports, cost of animals on the Island, amount realized at auction, with the purchaser's name and address and starting other information. As I turned one of the first pages I said to myself, "This is certainly some of Cooper's 'cold storage' matter that he has promised to give to the readers of The Jersey Bulletin during the winter months." There are very few left who attended the Cooper auction sales in Madison Square Garden thirty-five years ago, and Jerseys in those days were held in as high esteem as the Jerseys of today. The first I laid my eyes on was the pedigree of old Pedro 3187, with the footnote that read as follows: "Bought of Miller & Sibley, Franklin, Pa., February, 1882, for \$10,000. Then six years old, lived and was useful at 'Linden Grove' until nineteen years old. Buried beside his first wife, Marjoram 2d." Pedro made Mr. Cooper more money than any bull he ever owned.

Hurriedly looking through some of the catalogs I noticed that Mr. Cooper paid on the Island thirty-odd years ago, for many a cow, from £150 to £300, and he has often told me he never lost any money on a good animal.

Further on in the 1883 catalog, I noticed that he paid £1,000 (\$5,000) on the Island for the young cow Khedive's Primrose; those were in the days of Coomassie. In one of the front pages I noticed that Mr. Cooper sold in the 1883 sale, 21 granddaughters of the famous old Coomassie at an average of \$2,030. It was in the same sale that Mr. Cooper sold 119 head for an average of \$952.68. Mr. Wm. Rockefeller, Mr. James Stillman, Mr. W. K. Vanderbilt and other noted breeders were purchasers at the sale.

Just as I was getting interested in one of the old catalogs, where mention was made in the pedigree of Young Garenne (another granddaughter of Coomassie), purchased on the Island from Judge Chas. F. Dorey, owner of Coomassie, for £300 (\$1,500) and her selling at auction, with her yearling heifer and a hull calf that she carried at the time of purchase, for \$7,335, Mr. Cooper came to the door and shouted, "Now for the cow barn." As anxious as I was to see the cattle, I was wishing I could ascertain more about what was done in the days of Coomassie. Think of Oxford Kate (another granddaughter of old Coomassie) selling at one of Mr. Cooper's auction sales

thirty-five years ago for \$3,550, and this was before she made her official test of 39 lbs. 12 oz. butter in seven days.

I was anxious to know all about Tormentor, the great son of Khedive, P. 103, H. C., and grandson of the immortal Coomassie, and turning back to the 1881 catalog I read a footnote on one of the daughters of Tormentor that Mr. Cooper sold in that sale. "One of Mr. Nicholas Arthur's sweetest of Young Roses, by Tormentor. Tormentor can not help but prove a wonderful sire; by the great Khedive, and out of Angela, F. 1607, H. C. (Queen of Darkness), the grandest and typiest cow I have ever seen; age forbids, otherwise no price would prevent me from taking this remarkable cow to America."

Tormentor made Jersey history in Tennessee, and his blood has done great things in many other herds.

Linden Grove in December and May are two different propositions. In December the cattle are in their working clothes supplying a Philadelphia cream trade. In May, "but what's the use," we all marvel at the transformation.

It is the same old story, and I could tell you of many wonderful cows. There are daughters of Golden Fern's Noble in milk that make one's mouth water. Also a bunch of seven heifers by the same sire, three of these with their dams, are enough to make "music" for any sale, and to get you interested I will tell you what they are.

One is out of Raleigh's Finance, P. 13426, H. C. (by Mabel's Raleigh), a great prize winner on the Island, with a public butter test of 559 lbs.

The second heifer is out of Sultan's Finance, P. 1410, H. C. (by Sultan of Oaklands). First prize winner over the Island several times, as well as Blythwood bowl winner and challenge cup.

The third is out of Golden Oxford Ivy, P. 18829, H. C. (by Oxford You'll Do, P. 4075, H. C.), winner of first prize over the Island in class of sixty-seven in 1914; first prize, winner over the Island in class of seventy-six in 1915; also winner of Theatre challenge cup, as best female in the show, May, 1915.

What I want to tell you of is this. The daughters of Oxford You'll Do, of which there are some sixty odd, I saw enough to convince me that Oxford You'll Do, "will do."

Oxford Wexford Spot (daughter of Oxford You'll Do) is one of the greatest cows that I have seen, and will be a formidable candidate for the late fall shows next fall. She has been fresh about two months and I watched Mr. Ralph Cooper milk over twelve quarts of milk from her. After milking, her udder, which is near perfect when extended, is soft and pliable. She is the type and kind that is the aim of every real breeder.

Standing next in line was Oxford's Miss Oak, just fresh, also by Oxford You'll Do, carrying the largest udder I ever saw on a young cow. It was not only large, but beautiful in conformation, with large and beautifully placed teats. She looks good for over 700 lbs. of butter. The Terrells are to be congratulated on securing her bull calf.

Boutillier's Oxford Girl, another daughter of Oxford You'll Do, is a beauty. Her dam is the grand old cow, Boutilliere, with nearly 800 lbs. of butter, and the dam of Mr. Hal Hill's great show hull, Boutillier's Noble.

On the opposite side of the barn were six daughters of Oxford You'll Do in a row, and Mr. Cooper came along about this time and asked which was my pick of the six. I selected Golden Oxford Ivy, and Mr. Cooper told me that I had won the prize, telling me that any bull that can sire an animal that will win, not only first prize over the Island in a class of seventy-six and the Theatre challenge cup, as the best female of the show, is not to be "sneezed" at, and I guess he is about right.

There are three things that stand out very prominently about the daughters of Oxford You'll Do.

First, I did not see a single short teated one in the lot. Second, they do not mature as readily as some, not reaching their best until five years of age.

Third, and most valuable, their pronounced dairy capacity.

I would like to tell you of the Nobles, Gamhoge Knights, Oxford Majestys, Oxford Knight, and of the hull barn, in which is housed the greatest lot of herd bulls in the world

WHERE IS THAT JEWEL, CONSISTENCY?

T. S. COOPER,
Pennsylvania.

The following is a copy of a letter recently received from the worthy secretary of the American Jersey Cattle Club, which I beg of you to publish and allow me space for some remarks concerning the subject matter. The Club's cash register has rung up the balance in Coopersburg dollars, the cattle are registered, and that part of the incident is closed.

Office of
The American Jersey Cattle Club,
324 West 23d St.,

New York, March 25, 1916.

Mr. T. S. Cooper, Coopersburg, Pa.:

Dear Mr. Cooper—We have checked up your papers and find that the full amount of fees thereon is \$2,816, there being seventy-nine entries at \$35 each, five at \$10 each, and entry of one dead animal \$1.

The amount now to your credit on the books of the Club is \$279.50, so that the amount required to cover the fees on the papers is \$2,530.50.

Very Truly Yours,
R. M. GOW, Secy.

A cow jockey or trader could have gone out into the country and bought up eighty-five miserable calves from registered parents, and received from the Club for \$170 the same price as I received on eighty-five imported cattle for \$2,816 (except some additional clerical work). If he chanced to be a member of the Club, it would cost him only \$85.

In addition to this lot of eighty-five, we had a short time previously registered eleven others from the same importation at \$35 each, making a grand total of \$3,201 for ninety-six head. They include twenty-two cows with official butter tests for various periods of duration, from twenty-four hours (public) to more than one year. Eleven of them had won prizes on the Island, four of the eleven being also butter test cows.

These Island tests are as well authenticated as our Register of Merit records. In fact, I consider the Island public test, even though for only twenty-four hours, a more severe trial of cow's stamina than any home made test can be. I wonder how many American bred cows, registered for one or two dollars, could stand up to the test of Nursie, the silver medal winner that we imported some years ago and sold for \$2,200, and whose daughter (also imported by us) is the highest testing Register of Merit daughter of Leda's Golden Lad? Nursie, 300 days after calving, made 2 lbs. 7 3/4 oz. of churned butter in twenty-four hours, when within ninety days of next calving. This in public test, on the open show-grounds, conducted under the closest scrutiny of rival interests, without chance for error or fraud, the day after the cows have walked or been carted from their several homes, often a distance of eight to twelve miles. How absurd that we must pay a high tax to bring such cows to America when the pages of the Herd Register carry multitudes of entries at a dollar a head that do not pay for their keep.

In The Jersey Bulletin of April 5th there appeared the rules and regulations governing the long-time or lactation tests conducted by the Royal Jersey Agricultural Society on the Island. It will be noted that these are not tests of selected and prepared cows, but that the entire herd must be tested under every-day treatment or the owner can not enter. No extra feed can be given, and in most cases these tests are made on grass alone.

What account is taken of the feed in tests on this side? None. A cow may be forced until the food costs more than the butter is worth. Is it fair that the gross products of a Jersey weighing 1,100 lbs. be compared with those from one to two-thirds her size, and not count the cost of feed? We have in mind a "little" Oxford You'll Do cow that is just completing her year's work and will make over 900 lbs. butter as a four-year-old. She did not weigh over 800 lbs. when the test began. Will not such a cow consume much less feed than a big 1,000-lb. or 1,100-lb. cow? And she is so persistent a worker that they expect her to make 10 lbs. more butter fat in her thirteenth month than she did the first month of her test.

The high fee for imported Jerseys, it is claimed, was imposed to prevent the bringing over of inferior specimens. What steps have been taken to keep out of the

Herd Register inferior specimens that multiply in thousands of American barnyards? It is nothing short of outrageous. I have quietly submitted and been silent for years—perhaps because my thoughts would not look well in print. I have just added up the amount of fees paid to the Club on 1,651 imported animals since the year 1900, and find the total \$36,925. The same number of home bred animals could have been registered for \$1,651, regardless of quality. This is not the whole story. We imported many others, but the certificates, which act as a receipt from the Club for the amount paid in each case, are not easily accessible, and I do not care to make an estimate of the actual total. This figure does not include the fees on hundreds of our own breeding, nor our importations prior to 1900 back into the early '80's. Shall I say "the worm has turned?"

In 1885, when the fee was "jumped" to \$100, we declared we would stop, and did stop importing for fifteen years. Older breeders remember quite well what happened during the interval. They will not soon forget the depression from 1885 to 1900. And is it just a coincidence that the business revived upon the resumption of our imported Jersey auctions in 1900?

The high fee is no protection against inferiority. In the year ending December 1, 1915, the American Jersey Cattle Club registered 32,159 head. Granting that they have some lower class animals on the Island, it would take all their stock to equal the American registrations. An American bred scrub can be put upon the market for a dollar or two in registration fee. The Island scrub must be brought over at great expense, often exceeding the cost of the animal. If an importer should be so short-sighted as to bear this expense to bring over as poor an individual as he can buy around home, then some Island scrubs will creep into the books. While one gets in from the Island, how many scrubs will get in among the 32,000 home bred animals that are registered without question? In importing, a degree of quality is automatically maintained, to a great extent, simply because of the labor and expense of transportation; while there is no such deterrent to the admission of home bred scrubs.

No importer with any business sense will bring out poorer cattle than he can find in America. For myself, I have too high a regard for the Jersey as a cow to fool time away with that sort of stock. It does not pay, and there is no satisfaction in it—which is quite as important to me. Those who know my ideals will agree that I would never knowingly import a "scrub" if I were well paid for it, much less invest the expense money and bring upon my head the condemnation of friends whose good opinion is worth more than the price they pay for cattle.

Our operations here at "Linden Grove" for forty-two years; our successful sales, attracting recruits to the Jersey ranks who in many cases become prominent as breeders; and the great records made by cattle of our importations and their descendants, both in the shows and in the butter tests; are declared by leading Jersey authorities to have been a stimulus to the industry. I could name breeders by the dozen, of the highest standing and intelligence, who have expressed this sentiment in terms of emphasis which it would not be in good taste for me to repeat. Often it has been stated that the two most important events in Jerseydom are the annual meetings of the American Jersey Cattle Club and the Cooper Decoration Day auctions. They are regarded as "fixed feasts" of the year. Beginners, who anticipate taking up some dairy breed, come here to our auctions, sit on the fence, and absorb more Jersey inspiration and information than they can get from books. Some have called it a "Jersey school."

In our advertising we have demonstrated unquestionably that we handle the highest class of cattle, both as to pedigree and individuality. Recently we showed that in our past auctions we had sold from "Linden Grove" the highest testing daughters of thirty great bulls. We mentioned only thirty because there was not more room on the page. (I do not know how many others might have been added to the list.) Later we showed that out of eighteen grand champion winners (males and females) at nine National Dairy Shows, fourteen were of "Linden Grove" blood, and three of the other four were so related that we might almost have "made it unanimous." We are the only breeders to have bred and exhibited a grand champion bull at the National Dairy Show—a feature that has

long been encouraged and supported by the American Jersey Cattle Club, just as the Club encourages dairy performance in which our cattle rank so high. "Linden Grove" Jerseys appear to have been living up to the Club's ideals pretty closely, and going somewhat ahead of the Register of Merit average. Is it the determination of the American Jersey Cattle Club to smash this institution and drive us out of business?

Why does not the Club live up to the teachings of the score card which it formulated and adopted with a view to cultivating beauty as well as performance? Look into the show rings and observe the class of cattle that attracts the public. They leave the big-headed, coarse-featured cow with sloping rump and bunched teats, and turn to the type creature that follows the score card, carries a beautiful udder with well set teats, capable of turning out as much butter at a profit as the homely individual under same treatment.

I am not attempting to dictate the policies of the Club. Far from it. I have always kept my finger out of the political pie. But I have the privilege of declining to pay further unless the fees for imported cattle are made more equitable as compared with the fees for registering American bred Jerseys. The astonishing tax levied against the importer is inconsistent and indefensible. There is no logic to sustain it, otherwise I should continue to pay it without a murmur, as I have for many years done in the hope that some day a just rate for registration might prevail. But it is quite plain that the American Jersey Cattle Club does not want imported cattle. There is no other excuse for the high tax. It is not surprising to me that the broader and fairer policy of the Guernsey club toward importation is stimulating its growth and popularity where that of the A. J. C. C. is working in another direction.

To show how the Guernsey club builds up instead of tearing down, I quote from Mr. Jos. L. Hope's recent letter. Mr. Hope, who stands as high as anybody else in Guernsey circles, who has repeatedly judged the Guernseys at the National Dairy Show and other important exhibitions, and whose Florham Farms herd is one of the most noted in America, writes:

"The registry fee for imported Guernseys of both sexes is \$5 to members and \$10 to non-members, and I have never yet heard a word of opposition on the part of breeders, either at Club meetings or elsewhere, to importations; so far, sentiment seems to favor importations. I do not think I should ever have the courage to pay the importation fees your Club charges."

(I shall only add, Watch the Guernsey smoke; is it going up, or down?)

If there is a man, in any part of the world, now in favor of the present Jersey fee, who will come here and examine the ninety-six animals upon which we paid this \$3,201, and not confess that they should have been registered at a nominal fee, I will pay for his time, all the expense of his trip, take off my hat and say that I have not learned anything about cattle breeding in forty-two years but have been looking at it from a wrong angle.

I can not now recall ever having made a bet for money, so that I can scarcely be dubbed a "gambler;" but I should be willing to wager \$20,000 or upward that there are fifty imported cows in milk in our stables, catalogued for the next auction, that can earn more money between now and sale day than the same number of cows from any two herds that have been registered for a one or two-dollar fee. As this is an argument between Island and American cattle, I do not refer to those great herds of imported animals or close descendants from importation. The proposition bars such cows as "look through Island spectacles." Few of the imported cows at "Linden Grove" are acclimated, yet I am willing the test shall start today.

If the editor of The Jersey Bulletin will allow me space, and the breeders want to know, it would afford me pleasure to enlighten some of the later generation of breeders as to what great animals have come from the Island of Jersey in the past forty years and made history in American butter testing. And I predict that in fifteen years the importations of this decade will leave an impress on American stock which will cause the future breeder to inquire, where would the American Jersey be today without continued importations?

Members of the American Jersey Cattle Club, let's play ball, and be fair. I believe I have a just cause for com-

plaint. Once before I intimated that the "Linden Grove" business would have to stop unless the fee was reduced. We even advertised the place for sale. It was not my wish, but it was forced upon me. However, my sons were anxious to maintain the establishment for which we had worked so long and so hard, and the Jersey cow has been good to us. But the situation is different now; to paraphrase a noted statesman, I am "willing to pay thousands for cows, but not another cent for tribute."

REGARDING ISLAND CATTLE.

Mr. Cooper's article starts again the fee question on imported cattle, which is a hard problem to solve. If all of the importations were equal to Mr. Cooper's it would be easy, but to throw down the bars to cheap stuff, simply because they come from the Island and are to be unloaded as great animals, is as unfair as it is to register all trash in this country. Few lines or families are all good or all bad. A great producing Register of Merit dam may produce calves of no value whatever as producers or sires of producers. I have bought at certain "imported" sales in years gone by, but never felt that quality and conditions were as good as Cooper's; and in several cases there was little satisfaction in my purchases. But, in my own case, Cooper made good, when I got a non-breeder. I again confess, I do not know how to settle the contention except by having an inspection system; and then the claim would be made of favoritism—or worse.

I do not think Mr. Cooper claims enough for Ayer & McKinney-Cooper purchases, because Meridale cattle are not forced to death, as I saw when there last summer.—R. F. Shannon, Pennsylvania.

WOULD ENCOURAGE HIGH CLASS BREEDING ESTABLISHMENTS.

PROF. HERBERT W. MUMFORD,

University of Illinois.

From the Jersey Bulletin, April 26, 1916.

I have just read with much interest the article by Mr. T. S. Cooper concerning the fee for recording imported Jerseys.

Unfortunately I am not a member of the American Jersey Cattle Club and perhaps for this reason can speak with less embarrassment than a member. I have, however, had some little experience in the breeding and handling of Jersey cattle. I have never happened to own an imported Jersey that had not already been recorded but I feel strongly that it is an injustice to ask men who have the enterprise to import high class live stock—Jerseys or other breeds—with which to build up our American herds to pay a larger fee for recording them than would be necessary, as Mr. Cooper puts it, for recording any mediocre American bred animal. Whether we are willing to admit it or not, the frequent importation and sale of high class Jerseys has its publicity side in which all breeders are directly or indirectly interested.

In my judgment, there never was a time when the Jersey cow or the Jersey breed was better able to meet the demands of the dairy farmers of the country than now, and yet breeders of Jerseys are obliged to sell their stock at lower prices than the breeders of at least two other of what might be called the leading dairy breeds.

For one I hope the time will never come when the Linden Grove herd will cease to occupy a permanent place in Jersey affairs. It is one of the live stock breeding establishments in this country that has earned not only a national but an international standing. The live stock breeding interests of this country need more such establishments and nothing should be done by any association or club to discourage the continuance and the increase of such establishments.

"THE OLD, OLD STORY"

Grand Champions of Three State Fairs

The Blood That Flows Through "Linden Grove"

EARLY IN THE SEASON—AND MORE TO FOLLOW.

As this is written the season of the big fairs is just under way. We have seen only the reports that appeared in The Jersey Bulletin of September 1, 8 and 15. By the time this is read, many other honors will have been won by exhibitors who breed from the lines introduced through the "Linden Grove" herd. From the way it is starting out, it appears that the list of successes will be longer and stronger than in previous years. It ought to convince those who do not already know

THAT THE SHORT CUT TO THE BLUE RIBBON IS ALONG THE "LINDEN GROVE" ROUTE.

AT THE INDIANA STATE FAIR (Mr. Henry S. Berry, judge) the Grand Champion bull was the yearling, Golden Fern's Oxford, 120935, a surpassing individual bred at "Linden Grove" and sired by Oxford You'll Do, P. 4075, H. C., who is now in our bull stables. Golden Fern's Oxford, whose dam is by Golden Fern's Lad out of a full sister to the great sire of Karnak, was sold in our 1914 auction to Dr. W. E. Hendricks, Martinsville, Ind., for \$525. Doctor Hendricks bought at the same time, Cowslip's Noble Welcome, 112526, who won First Prize in the two-year-old class at the Indiana State Fair. He is by Cowslip's Golden Noble (imported by "Linden Grove") and his dam is a daughter of Oxford You'll Do. (This calf cost the doctor only \$110—one of the extreme "bargains" found in every "Linden Grove" auction.)

The Grand Champion cow at the Indiana State Fair was sired by Jolly's Brown Prince, 79400, a bull imported by "Linden Grove" and sold in our 1908 auction for \$175 as a four-months old calf, to the late Mr. Jno. A. Middleton, the "father" of Jersey breeding in Shelby County, Kentucky. His dam was also imported by "Linden Grove" and sold to Mr. George W. Sisson, Jr., of Potsdam, N. Y., for whom she milked 40 lbs. a day and produced a bull of which Mr. Sisson said: "His get are of the truest Jersey type." One of his daughters was the First Prize heifer calf at New York State Fair in 1911. Jolly's Brown Prince was exhibited in Kentucky by Mr. Middleton; won Junior Championship at Lexington as a calf in 1908, and other prizes. His progeny repeatedly won First Prize for "Get of Sire."

The Grand Champion Bull at OHIO STATE FAIR (Mr. Berry, judge) is not named in the report. The First Prize aged bull and Senior Champion, Eminent's Fairy Duke, 112432, was bred at "Linden Grove." His sire, Eminent's Knight, 79331, was imported by us and sold in our 1913 auction for \$500 to Mr. Richard H. Wainwright, of Rye, N. Y., who declared after the sale he "would not take a thousand." His dam, Raleigh's Handsome Fairy, 252233, was sold in our 1912 auction for \$410, to Mrs. S. T. Henning, owner of Allen Dale Farm, Shelbyville, Ky. Eminent's Fairy Duke was champion at Virginia State Fair in 1914, and won First Prize in class at Virginia and New Jersey Fairs last fall.

The Grand Champion cow at Ohio State Fair, Oxford Tiddledywick, 252228, was imported by "Linden Grove" and sold in our 1911 auction as a two-year-old, for \$1,100 to Mr. F. E. Carr, West Park, Ohio. Two years later she was sold with a two-days-old calf at foot for \$1,235. In 1913 she was Champion at the West Virginia State Fair and Grand Champion at the great Forest City (Ohio) Fair. Her dam, Oxford Beauty of St. Saviour, 235161, was imported by "Linden Grove" and sold in our 1910 auction for \$1,325, to Mr. H. V. Prentice, Worcester, Mass.

The First Prize for "get of sire" at Ohio State Fair was won by the progeny of Golden Fern's Pilot, 73492, a bull bred at "Linden Grove" and sold in his dam to the late Hon. A. M. Bowman, Salem, Va. He was sired by "the old plum tree," Golden Fern's Lad, P. 2160, H. C., who was in service five years at "Linden Grove." His dam, Flying Fox's Distinction, 187449, for whom Mr. Bowman paid \$750, was by Flying Fox, P. 2729, H. C., imported by "Linden Grove" and sold in our 1902 auction for \$7,500, to Mr. Thos. W. Lawson, Scituate, Mass. (This was thirteen years ago, yet the evidences of the butter quality of this blood continue to pour in. Only within the past few months have two daughters of Flying Fox qualified for the Register of Merit with 700-lb. records at advanced age). Golden Fern's Lad has 27 sons with tested daughters in the Register of Merit. Flying Fox now has more than forty sons with tested daughters—A RECORD UNAPPROACHED BY THAT OF ANY BULL OF ANY BREED.

The Grand Champion cow at IOWA STATE FAIR (Mr. Hugh G. Van Pelt, judge) was by Oxford Knight, full brother to the "Linden Grove" service bull, Oxford You'll Do, P. 4075, H. C. We imported their sire, Gamboge's Knight, 95698, and sold him in our 1911 auction for \$6,700, to White Horse Farm, Paoli, Pa., who at the same time paid \$1,750 each for seven of his daughters. Five of the seven are in the Register of Merit, Class A, with year's records averaging 670 lbs. 8 ozs. butter, at an average age of 5 years, 11 months. The other two are dams of official test cows with good records. One of the latter is dam of Majesty's Oxford King, whose get won for Mr. R. W. Gibson the "premier breeder" championship at Iowa State Fair, 1915.

The Grand Champion bull at Iowa State Fair was by a sire both of whose parents were imported by "Linden Grove," viz.: Noble of Oaklands, 95700, sold in our 1911 auction for \$15,000, to Elmendorf Farm, Lexington, Ky., and who now has thirty-seven tested daughters and twenty-eight sons with official test daughters. Raleigh's Brown Fontaine, 238440, who died at "Linden Grove." She is the dam of Fontaine's Chief, a Champion at the Royal Show and sire of 12 tested cows; Noble's Fontaine, 2d at the Royal Show (38 entries) and sold for \$1,500; and Noble's Raleigh, 82757, sire of 1 in Register of Merit—all sired by Noble of Oaklands, above referred to.

The First Prize two-year-old bull at Iowa State Fair was bred at "Linden Grove." The Junior Champion female is granddaughter of Oxford You'll Do. The Junior Champion bull is a grandson of Lord Brookhill's Julie, 235177, a public butter test cow imported by "Linden Grove" and sold in our 1910 auction to Mr. A. McC. Parker, Princeton, N. J.

BUY AT THE BLUE RIBBON FOUNTAINHEAD—THE BLOOD THAT RAISES THE REGISTER OF MERIT AVERAGE.

(Advertisement in the Jersey Bulletin, December 22, 1915.)

The newspapers say of the Mississippi-Alabama Fair:

"CAPTAIN WRIGHT AND DOCTOR TURNER MADE THE BEST SHOWING!"

THEY SHOWED "LINDEN GROVE" CATTLE

If you want to be called up front by the judge, and receive favorable comment in the press, make your selections from the breeding and importations of T. S. Cooper & Sons—the blood that dominates the world's show rings and the "butter churn."

The Mississippi-Alabama Fair, held at Meridian, Miss., is declared by the newspapers and by visiting Jersey breeders to have had "the finest lot of exhibition cattle ever assembled at one place in the South." The country was charged with Jersey enthusiasm. Mr. George W. Sisson, Jr., as judge, and Mr. Sam N. Warren represented the American Jersey Cattle Club, supported by many of the distinguished Jersey people of the South, men and women of high repute, both "old-timers" and new recruits. The newspapers have been especially attentive to this exhibition, its organization of Jersey breeders, its brilliant banquet, and the wholesome Jersey spirit that pervades the South. We regret that distance and home work prevented our attendance, but the "Linden Grove" cattle were there.

EVERY CLASS WAS TOPPED BY "LINDEN GROVE" BLOOD.

Both Grand Champions Bred By T. S. Cooper & Sons. Junior Champion Bull out of a "Linden Grove" Bred Dam.

Junior Champion Female by a "Linden Grove" Bred Sire.

THE GRAND CHAMPION BULL.

"The division of Jerseys was very strong, containing the cattle that had been winning all the way down from Louisville to Birmingham," says a Meridian daily. "This year a large crowd of breeders, gathered locally and from a distance, witnessed the unerring work of the great judge, Mr. George W. Sisson, Jr. The invincible bull, GOLDEN FERN'S JOLLY, 100629, owned by Captain Wright, again won Senior Championship and Grand Championship for bulls."

Golden Fern's Jolly, 100629, who also won the American Jersey Cattle Club's Special Grand Championship, was bred at "Linden Grove." He has won Grand Championship for the past three years—every time shown—at the Mississippi-Alabama Fair. (Has this been done by any other bull of any breed?) He is a son of our peerless Grand Champion bull, Sultana's Golden Jolly, 86180, and out of a daughter of Golden Fern's Lad.

THE GRAND CHAMPION FEMALE.

The report continues: "The great old Merry Gold of Millbrook, Grand Champion many times and holder of two Gold Medals of the American Jersey Cattle Club, yielded the Grand Championship this time to Dr. R. L. Turner's wonderful heifer, MY LINDEN DUCHESS, 299164; although Merry Gold of Millbrook and her stable companion, Golden Massie, still kept their old places as First and Second in a large field of cows five years old."

My Linden Duchess, 299164, the First Prize two-year-old, Senior and Grand Champion, was bred at "Linden Grove." Her sire, Golden Fern of Linden, 84011, was also bred at "Linden Grove." Her dam, My Noble's Duchess, 252231 (pregnant with My Linden Duchess), was imported by "Linden Grove" and sold in our 1912 auction for \$800 to Elmendorf Farm. My Linden Duchess, at the Mississippi-Alabama Fair last year, was First Prize yearling and Junior Champion. Her dam is one of the highest testing daughters of Noble of Oaklands. Before leaving Elmendorf, My Linden Duchess was bred to the Grand Champion bull, Algerian's Noble, 114870 (son of Noble of Oaklands, imported by "Linden Grove"), and from this service dropped a bull calf, Algerian Noble Prince, 131948. This calf won First Prize in his class at Mississippi-Alabama Fair.

It shows what can be accomplished by breeding to the right kind of blood.

Merry Gold of Millbrook and Golden Massie, the First and Second Prize cows, were sired by Golden Lad's Guaranty, 60495—a bull bred at "Linden Grove." Our advertisement of September 22d refers to the previous winnings of these cows, and of the sensational bull, Golden Fern's Jolly.

THE JUNIOR CHAMPION FEMALE.

"Mrs. Galbraith's splendid herd," says The Jersey Bulletin report, "still held the Junior Championship, as she had all down the line, with her Cowslip's Maid." The Junior Champion female is a daughter of Cowslip's Golden Noble, P. 4498, H. C., imported by "Linden Grove" and sold to Mr. Ed. Lasater.

THE JUNIOR CHAMPION BULL.

Captain Wright's Junior Champion bull, winner of First Prize in senior yearling class, has for dam the Register of Merit cow, Fern's Viola, 237208, bred at "Linden Grove," who has 75 per cent. SAME BLOOD AS SULTANA'S GOLDEN JOLLY, 86180. Fern's Viola is on re-test as a five-year-old, and at last report had produced 672 lbs. butter in 10 months.

OTHER BLUE RIBBONS FOR "LINDEN GROVE" BLOOD.

First 2-year-old bull—grandson of Noble of Oaklands—imported by us and sold for \$15,000, and his dam for \$7,000.

First Senior bull calf—dam bred at "Linden Grove."

First Junior bull calf—a grandson of Noble of Oaklands, dam bred at "Linden Grove."

First 3-year-old cow—dam a double granddaughter of Golden Lad's Guaranty; sire by a bull from "Linden Grove" parents. Second 3-year-old, same sire.

First and Second junior yearlings—by a grandson of Gamboge's Knight, imported by "Linden Grove."

First senior heifer calf—sire and both his parents imported by "Linden Grove" and sold in our auctions.

First Junior heifer calf—by a son of Noble of Oaklands. The late Capt. J. H. Wright, in a letter referring to our advertisement of September 22d, (which is reprinted opposite No. 2 of catalog), writes: "I had no thought of your publishing my letter, or I would have given a further account of other winnings of cattle bred by you at last year's Mississippi-Alabama Fair. Doctor Turner won First junior yearling with a daughter of Sultana's Golden Jolly, 86180, out of a cow imported by you. There were 13 magnificent heifers in this ring. He won Junior Championship with My Linden Duchess, who made up an udder that was simply irresistible, otherwise I might have beaten him with another daughter of Golden Fern's Jolly."

"I won First in class and Junior Championship with Cottle's Golden Noble, 120669, a son of Viola's Oxford Prince, 90527 (bred at "Linden Grove"), and Noble's Sensation, P. 14844, H. C., imported by "Linden Grove." This was a strong ring. Mr. Spann saw the most of these bulls the year before, when they were calves, and said it was the best lot of junior bull calves that had ever faced him. The rings shown here last year were generally large and strong, so that Mr. Graves remarked that it was the best show of cattle he had seen at a State fair in many years."

"LINDEN GROVE" BLOOD NOT ONLY LEADS THE WORLD IN THE EXHIBITION RING, BUT IT MAKES BUTTER ECONOMICALLY AND RAISES THE REGISTER OF MERIT AVERAGE.

(Advertisement in the Jersey Bulletin, January 26, 1916.)

"LINDEN GROVE" BLOOD IN TENNESSEE

STATE FAIR JERSEY EXHIBIT HIGHLY PRAISED BY PRESIDENT M. D. MUNN OF THE AMERICAN JERSEY CATTLE CLUB.

Reports of the great Nashville show indicate how general is the spread of "Linden Grove" Jerseys throughout the State of Tennessee. Twenty different exhibitors, all Tennesseans, showed an average of seven head each. In most of the classes (where we have the breeding at hand) the Winners Were of "Linden Grove" blood.

In the Butter Contest, open to all breeds, conducted by the Tennessee Experiment Station, there were 30 per cent. more entries than in the test last year. Eight Jersey cows competed. The First and Fourth Prizes were won by cows two and four years old, respectively, daughters of Golden Jolly's Noble 76092, who was sold in the "Linden Grove" Decoration Day auction, 1907, for \$120. Third Prize was won by a daughter of Baronetti of Ingleside 132059, the St. Louis test cow sold in our 1907 auction for \$575, at the same time her five-months-old heifer calf by Golden Fern's Lad sold for \$650. (This third prize winner was sired by a son of Flying Fox, sold in our auction for \$7,500). We have not the breeding of the second prize cow.

GRAND CHAMPION A "LINDEN GROVE" BULL.

RALEIGH'S NOBLE, 90478, the Senior and Grand Champion bull, owned by Mr. J. M. Overton, appears to be "coming into his own." We imported Raleigh's Noble in his dam, and sold him in our 1910 auction to the late Doctor Ewing for \$510. At the time of printing the catalog he was not yet born, and we made the remark: "Should this be a bull calf, it would be from just such a cow as we would like to select a bull from for use in our own herd." Raleigh's Noble was born on April 4, 1910. Mr. Tom Dempsey said in The Jersey Bulletin of October 1, 1913:

"In Raleigh's Noble I believe Doctor Ewing has one of the greatest bulls of the breed. I saw seventeen of his daughters in one lot, and so uniform a lot it has never before been my pleasure to see. Not a sloping rump among them, and no other bull ever put on such teats as they have. He puts his stamp of individuality on every one of his calves, regardless of the dam. This is what constitutes a great sire."

Mr. Overton paid \$2,500 for him at the administrator's sale of Doctor Ewing's Jerseys. Raleigh's Noble won First Prize for junior yearling bulls at the Tennessee State Fair in 1911. Since then, until now, he does not appear to have appealed to the judges, although his progeny have been consistent winners, standing First for "get of sire" at the Tennessee State Fair last fall and on other occasions. But the season of 1915 will go down for Raleigh's Noble as a year of triumph. He was Grand Champion at Memphis (Tri-State Fair), judged by Mr. J. E. Dodge, of Hood Farm; and at Nashville, Mr. S. N. Warren made him Grand Champion. In the aged class of eleven at Tennessee State Fair he defeated a line of select bulls. He sired the First Prize winner, Raleigh's Noble Fontaine 295035, in a class of ten superior two-year-olds.

"Linden Grove" not only imported Raleigh's Noble, but imported his parents; we also imported his sire's parents, and three of his sire's grandparents. We imported the sire of the second prize aged bull.

We imported Eminent's Buttercup, 187470, the dam of Mr. C. M. Gooch's First Prize two-year-old bull, Raleigh's Golden Lad, 113864. This bull was bred by Mr. C. I. Hudson, who paid us \$900 for his dam in our 1907 auction. Eminent's Buttercup made a butter test for Mr. Hudson, of 17 lbs. 6 ozs., in seven days, as a four-year-old. Mr. Hudson also bred from this cow, two Register of Merit daughters averaging 398 lbs. butter, as two-year-olds. One is a full sister to Mr. Gooch's bull (by Fairy Glen's Raleigh), the other by Raleigh's Fairy Boy, 83767, who was sold in our 1909 auction to Mr. Hudson for \$8,200, and who is out of the same dam as Fairy Glen's Raleigh.

The First Prize yearling bull is a grandson of Flying Fox, P. 2729, H. C., who was sold in our 1902 auction for \$7,500, to Mr. Thos. W. Lawson. Two years earlier, we

sold Flying Fox's dam, Sultana's Rosette, 149740, at twelve years old, for \$900, and her bull calf, Rosette's Golden Lad, 57498 (five months old), for \$800. Sultana's Rosette has five sons with tested daughters, the third of which (Forfarshire, 64759) was sold in our 1904 auction for \$1,750. She also produced the dam of The Owl, Nunthorpe, etc.

The First Prize Junior bull calf is a grandson of Gamboge's Knight, 95698, who was imported by "Linden Grove" and sold in our 1911 auction for \$6,700. The First Prize Senior heifer calf is a granddaughter of the same bull. Gamboge's Knight produced the seven great cows referred to in our advertisement of December 8, 1915.

FIRST IN CLASS AND IN BUTTER TEST.

"In the three-year-olds," says The Jersey Bulletin, "Mr. Jas. L. Cooper's Noble's Dilsey, 270478, had not much trouble winning first." She was also First Prize cow in the butter test. This is one of many good things which Mr. Cooper (J. L.) bred from that \$120 bull calf he picked up at the "Linden Grove" auction in 1907. Her dam was not known as a great cow—never tested—just one of the good sort of cows Mr. Cooper bred as he went along in his butter business, though she came of good American stock. These "Linden Grove" bulls work wonders. Golden Jolly's Noble grew from a \$120 calf to a \$5,000 bull in four years. He was sired by Noble of Oaklands, 95700 (sold in our 1911 auction for \$15,000), and also had greatness on his dam's side. (It will be noticed that the "Linden Grove" bulls are never "one-sided"—never ashamed of their mothers.)

The dam of Golden Jolly's Noble was Golden Jolly's Champion, 203666, sold in our 1907 auction for \$700, to Hon. Robert J. Fleming, of Toronto, and won for him Grand Championship at the Canadian National Exhibition in 1910. We referred to her in the catalog as "a hummer"—she and her son have done some "buzzing around." Her sire, Golden Jolly, P. 2921, H. C., is the grandsire of our peerless Grand Champion bull, Sultana's Golden Jolly, 86180; and her dam is by Golden Lad's Champion, 57222, sold in our 1900 auction to Mr. E. A. Darling, ex-president of the American Jersey Cattle Club. (Some day we will tell you all about Golden Lad's Champion).

The First Prize yearling heifer and Junior Champion female was Mrs. Galbraith's undefeated daughter of Cowslip's Golden Noble, P. 4498, H. C., who was imported two years ago by "Linden Grove" and was used in our herd until we sold him to Mr. Ed. C. Lasater, of Texas.

The First Prize "get of sire" group was by a son of Flying Fox. The second prize group was by Golden Jolly's Noble. The breeding of winners is not published, and we have referred only to those with whose pedigrees we are familiar.

THE "LINDEN GROVE" ROAD IS THE BLUE-RIBBON ROAD—TODAY, AS IN YEARS PAST.

(Advertisement in the Jersey Bulletin of January 19, 1916)

LET'S GO NORTH

In recent advertisements we have called attention to several of the southern fairs where "Linden Grove" blood "swept the platter." It is not expected to cover every detail, or to analyze the winnings of all the shows. Neither do we intend to claim the earth, though it must be admitted that the families first patronized and introduced by us have monopolized the high places half-way around the globe. In the United States, they have gone to every corner and "made good." For the present, we will leave the south, and have a look at the fairs of the northern States.

COMBUST "BURNED THEM UP" IN MICHIGAN.

Twice Grand Champion at Michigan State Fair—and a Dairy Cow With it All.

Professor A. C. Anderson, of the Michigan Agricultural College, who judged the Jerseys at Detroit last fall, found a good deal of "Linden Grove" blood among the tops of other classes as he went along. The report does not give sufficient information to identify all the winners. Combust, 252167, the Grand Champion Cow, was imported by "Linden Grove," and further reference to this great individual appears further on. The first prize aged bull, Senior and Grand Champion, whose progeny won First for "Get of Sire," is by a grandson of Flying Fox, P. 2729, H. C., a "Linden Grove" bull that leads the world as the sire of prepotent bulls. We imported the dam and all four grandparents of the First Prize yearling bull and Junior Champion. And the First Prize two-year-old heifer was by "Linden Grove" parents imported and sold in our auctions.

RECOMMENDED AS A "GREAT COW."

In the catalog of our 1911 Decoration Day auction, offering Combust, 252167, to the discriminating buyers at "Linden Grove," we designated her "A Great Cow." And her achievements have borne out the promise she gave as a four-year-old. She was Highly Commended on the Island, which is the case with the majority of our importations, and had won in the public butter tests a Certificate of Merit as a three-year-old, producing 1 lb. 4¼ ozs. churned butter in 24 hours, 147 days after calving. She had won First Prize at the St. Helier Show, in a class of splendid heifers-in-milk. At the same show, two of her sisters, by same sire (Combination, P. 3744, H. C.), had won First Prize in their respective classes, one of them being Champion of the show.

BY A GREAT SIRE.

We knew her history, and that of her family, on both sides—which was another reason for our faith in Combust. Her sire had been imported by "Linden Grove" in 1909, because of his breeding, his show ring record, and the quality of his get, which had made his name known as one of the most popular bulls on the Island—and his long list of tested daughters to-day are proof that American breeders made no mistake in patronizing the blood of Combination, P. 3744, H. C. He died at "Linden Grove" in 1910. Several breeders informed us of their willingness to have paid a high price for Combination. He was by the same sire as Gambo's Knight, 95698, who was sold in our 1911 auction for \$6,700, and his paternal grandsire was Flying Fox, sold by us for \$7,500.

AND HAD A GOOD MOTHER.

We knew the family of Combust's dam, Aleonora, P. 7605, H. C., quite as well. It is not sufficient that a cow be by a great sire. A breeder should look to the dam's side for quite as much influence as "on top." This discrimination in our selections on the Island we have constantly maintained, and it has been remarked that nowhere will the prospective purchaser find better balanced Jerseys than in the "Linden Grove" catalogs. Our cattle do not depend alone upon the fact that their sire sold for a high price. They have individual quality, and are well bred on both sides.

This cow, Aleonora, dam of Combust, was a Highly Commended daughter of the Highly Commended bull, Duke of Maitland, who had sired some of the best cows of our previous importations, one of which, Princess of Maitland,

149158, made a butter test of 20 lbs. 8 ozs. in seven days for Mr. D. D. Jones, of Pottersville, Pa., who bought her at "Linden Grove" fifteen years ago for \$260. Duke of Maitland also sired My Blonde, 203627, a Bronze Medal butter test cow (2 lbs. 7½ ozs., 162 days after calving), sold in our 1907 auction for \$500, at same time her dam, also a public butter test cow (2 lbs. 9½ ozs.), sold for the same price.

Aleonora's dam was a Highly Commended cow, and was also the dam of Golden Lad's Champion, 57222, who was sold in our 1900 auction for \$600 to Mr. E. A. Darling, for twenty years president of the American Jersey Cattle Club. The records of Golden Lad's Champion and his progeny would fill a volume.

Aleonora was not only a great dairy cow herself, but she had three great daughters that we know about, and was dam of the Golden Jolly bull, Ambush, 66664, who was imported in 1903 by Mr. O. M. Cawthon, of Selma, Ala., and produced a great number of First Prize winners at Southern Fairs. Two of Aleonora's daughters are in the Register of Merit, milking an average of over 10,000 lbs. a year. A third daughter, Bright Aleonora, 269752, was imported by "Linden Grove" and sold in our 1912 auction as a yearling for \$260, to Dr. Robert Wedekind of Kentucky.

COMBUST'S AMERICAN "DOINGS."

So much for the parentage of Combust. She was sold in our 1911 auction for \$700 to Mr. Edwin S. George, of Detroit, Mich. Some time after the auction, gossip had it that "Combust was not so much"—that her purchaser had been "stung," and some other things, circulated for an effect. But she was good enough to win first prize in her class at the Illinois State Fair, several second prizes, third in the public butter test at Michigan State Fair, and third at Waterloo—and not yet acclimated. Two years later, Combust won first prize in her class (8 entries), Senior and Grand Championship, at Michigan State Fair, 1913, where she stood fourth in the Dairy Test (11 entries) open to all breeds. In May, 1914, she was started on a year's authenticated test and was not exhibited. She qualified for Class A, Register of Merit, with 555 lbs. 13 ozs. butter, from 9,852 lbs. 6.4 ozs. milk, in one year. This year she again won First in her class (8 years old), Senior and Grand Championship. And her daughter (Majesty's Combust, 274224), bred by Mr. George from the "Linden Grove" sire, Royal Majesty, 79313, was second in three-year-old class.

This is but an instance of how we familiarize ourselves not only with our cattle, but with their ancestry. It is easy to say, "a great cow," but when you read it in a "Linden Grove" catalog it means more than three words.

"JUST AS WELL BUY AT THE FOUNTAINHEAD."

(Advertisement in the Jersey Bulletin, February 16, 1916)

"LINDEN GROVE NEWS"

THEY ARE ALL "LINDEN GROVE" BULLS.

Eminent, Flying Fox, Gamboge's Knight and Mabel's Raleigh.

A Bulletin advertisement reads thus:

"Did you know that five Eminent bulls have sired five cows that average 918 lbs. butter in one year?

"That five Flying Fox bulls have sired five cows that average 837 lbs. 1 oz. butter in one year?

"That Gamboge's Knight is now the sire of 45 butter test cows?

"That Mabel's Raleigh is now the sire of 23 butter test cows?

No. We knew they were all getting a powerful number of great dairy cows, but we had never figured it just so finely as above. We imported Eminent, and sold him for \$10,000 in our 1905 auction. We imported Flying Fox, and sold him for \$7,500 in our 1902 auction. We imported Gamboge's Knight, and sold him for \$6,700 in our 1911 auction. We bought Mabel's Raleigh, P. 3722, H. C., on the Island as a yearling for 150 pounds Sterling (\$750), but he met with a lamentable death before we could ship him.

EVIDENCE—It all tends to prove that we have often asserted: We have never exploited a bull that did not "make good."

"LINDEN GROVE" CATALOGS OF THE '80'S.

The Most Interesting Volumes in the "Cooper Library."

Among recent visitors we were pleased to have for a day Mr. Tom Dempsey, of Ohio. After "Tom" looks over the cattle, he gets his nose down between the covers of our bound catalogs of "Linden Grove" auctions held thirty years ago, and the only thing that tears him away is an invitation to go again to the barns—or to dinner. It was the same way with the late Mr. Thos. J. Hand and other veterans, some of whom had attended our sales of the '80's and came back to "Linden Grove" twenty years later. In a number of cases the names of these early customers were found among the lists of purchasers at our more recent auctions. (A record we are proud of.) Tom Dempsey says that was before he was born—and we can believe it if he is as young as he feels. Anyway, he gets as much enjoyment out of the records of those early sales as the oldest veteran.

FOUNTAINHEADS—There were some noted cattle in those auctions. Many later became the "heads of families."

THE DOUBLE ANCESTOR OF GOLDEN LAD.

Cicero, 7657, A. J. C. C. (P. 266, H. C.), Was a "Linden Grove" Bull.

In 1882 (34 years ago), we imported and sold at auction the bull, Cicero, P. 266, H. C., for \$3,100. Cicero left a list of nine butter test daughters, and four sons with tested daughters, among the latter being Young Garenne's Duke, 6863, who was sold in same auction for \$1,760, at three months old. Cicero had won First Prize at the Royal Show on the Island that year. Cicero is sire of Count Cicero, the grandsire and great-grandsire of Golden Lad. Cicero produced the dam of Golden Sultana, 146282, whose peerless son, Sultana's Golden Jolly, 86180, now heads the "Linden Grove" herd. Cicero produced Cicero's Cowslip, a First Prize winner at the Royal, grandam of Morion (sire of The Owl) and Pioneer. Cicero sired Devotion 2d, twice a First Prize winner at the Royal Show and head of a line of celebrated descendants. He produced many other distinguished animals.

MR. D. H. JENKINS SAYS: "Slade shows some cows that wouldn't disgrace a Cooper catalog." Perhaps because their ancestors may be found in the Cooper catalogs. Majesty, who produced the dam of the First Prize "Slade cow," was pictured in our 1908 catalog and sold that year for \$1,000. Bright Prince, sire of the second prize "Slade Cow," was sold in our 1912 auction, and his dam was also imported by "Linden Grove."

THE "BEST" DAUGHTER OF GOLDEN LAD.

We Imported Her, Also, But Hadn't Room to Tell About It.

Recently we mentioned, incidentally, that "Linden Grove" had imported Golden Beatrice, the second highest testing cow by Golden Lad, fifteen years ago, and sold her for \$1,400 to Biltmore Farms. Which elicited the sarcastic inquiry: "Why didn't you import the best while you were about it?" It is unfortunate we lacked space to say more. Two years later we imported Golden Lad's highest testing daughter—Golden Lad's Fawn Duchess, 166538—and sold her for \$500 to one of the most famous Tennessee breeders, the late Capt. M. C. Campbell—the same that bred Mr. Hood's Sophie's Tormentor, and Tormentor's Lass—in whose hands she made 23 lbs. 6 ozs. butter in seven days. She was a full sister to Golden Lad's Victoria, 157325, that we imported in 1900 and sold to Mr. F. G. Crane, of Massachusetts, for \$745. Golden Lad's Victoria was the dam of Lady Viola, that we imported and sold in 1911 for \$7,000, at the same time we sold her son, Noble of Oaklands, for \$15,000, and two years after we had sold another son, Viola's Golden Jolly, for \$11,000. (Any further inquiries answered with pleasure.)

OUR SELECTIONS ON THE ISLAND ARE INVARIABLY "RIGHT OFF THE TOP." THE CATTLE IN OUR NEXT DECORATION DAY AUCTION WILL MAKE FUTURE HISTORY, AS THEY HAVE IN THE PAST.

(Advertisement in the Jersey Bulletin, January 5, 1916.)

"LINDEN GROVE NEWS"

"LINDEN GROVE" BLOOD IN NEW ZEALAND.

Mr. E. Griffiths, "One of the Keenest Judges of Jerseys in the Dominion," a Customer of Ours.

The son of Golden Beatrice 2d that topped our bull calves in the 1914 auction was shipped to Mr. E. Griffiths, New Plymouth, New Zealand—more than fourteen thousand miles. We have lately read the report of Mr. Griffiths' auction sale—but it is not stated that he parted with Beatrice's Handsome Noble. The top price, \$715, was paid by an Australian buyer for Mercedes Noble Queen. We are not able to say that this cow was bred at "Linden Grove," but her sire was owned here, and we imported his parents, as well as three of his four grandparents. (His name is Noble of Oaklands.)

Mr. Griffiths' sale averaged \$215 on 67 head. He is called "one of the keenest judges in the Dominion of New Zealand." Many American breeders have made their selections from the same and kindred fountainheads, which were first patronized and introduced by "Linden Grove," and achieved success.

AN EXAMPLE—The three top selling bulls in the last Shoemaker-Van Pelt auction at Waterloo, Iowa, were of "Linden Grove" blood. A son of our Oxford You'll Do (out of a daughter of our Combination) headed the list at \$550. Fern's Eminent Reminder, sold for \$500, was bred by Colonel Bowman from "Linden Grove" parents. Viola's Golden Prince, at \$300, was bred at "Linden Grove." (His sire, Bright Prince, also imported by us, sired Mr. Slade's Minnesota winner, Bright Prince's Jelly Girl.)

ISN'T IT WORTH THE CHANCE?

Bargains in Splendidly Bred Bulls at all Our Auctions

We quote from a letter recently received from a Southern Jersey breeder: "We have wanted to come to 'Linden Grove' ever since we first heard of the place, and would like the best in the world to buy a dandy good bull calf from you to use on the daughters of our present sire. But the express would be high, even if we could get the bull."

(It is a common error to suppose that prices are prohibitive because some of our Jerseys sell up to four figures. But read the reports from "the other end"—the end that costs us money. There are bargains in every "Linden Grove" auction, and especially in young bulls. Last year we sold eight bull calves, six average less than \$150 each. The two "tops" sold for \$575 and \$525, respectively. The former was out of our great Golden Beatrice 2d, and went to New Zealand. The latter won Grand Championship at the Indiana State Fair.)

HOW IT HAPPENS—They are worth more, and a hundred people about the ring know it. But newcomers at our auctions seem timid about bidding. They let speculators in many cases run away with the bargains—bulls that would earn a competence for any hustling Jersey man.

FOUR TIMES TENNESSEE CHAMPION.

A "Linden Grove" Bull Calf Bought for \$120 and Valued by His Purchaser at \$5,000.

Mr. Jas. L. Cooper, the "one-cow" Jersey man of Tennessee—not a speculator, nor a member of our family—bought Golden Jolly's Noble, 76092, as a calf in our 1907 Decoration Day auction for \$120. Four years later he could have had \$3,000 for him from the late Doctor Scovell of the Kentucky Experiment Station. We understand that Mr. Cooper asked \$5,000. Golden Jolly's Noble has won Championship at the Tennessee State Fair four times, and his progeny have won first for "get of sire." His young daughters won first and fourth prizes among eight contestants in the Dairy Test at Tennessee State Fair this fall. He sired the first prize three-year-old cow and the first prize two-year-old at Tennessee State Fair last fall; and the winners of many other prizes.

THREE HIGH-TESTING MAJESTY COWS.

Average 836 lbs. Butter in One Year, all Imported by "Linden Grove."

In our advertisement of January 5, 1916, it appears that our modest claim of having imported the two highest testing daughters of Majesty rendered an unintentional injustice to Majesty's Louise, whose record of 830 lbs. 7 ozs. butter in one year puts her in second place among Majesty's tested daughters. She thus comes between Majesty's Origa's Queen, 906 lbs. 7 ozs., and Majesty's Rose of St. Mary, 771 lbs. 3 ozs. (We imported all of them, and other great Majesty cows). Majesty's Louise dropped a living calf 43 days after completion of her great test. "We have her safe in calf again, to Oxford Majesty," writes Manager Heath, of White Horse Farms, and are in hopes of getting a bull from her that will be one of the greatest sires of the breed."

SOLD AT "LINDEN GROVE" FOR SMALL SUMS.

As We Have Often Said: "Not All Thousand-Dollar Stock."

A friend in the East writes: "I have read your advertisement in The Jersey Bulletin, entitled 'Not a Rich Man's Play-thing.' It is certainly a splendid argument as to the advantage of buying the best. But you could write one on the other side, where great animals have sold for small sums."

"In 1903 you sold the bull Flying Fox's Victor, 64768, for \$95. I think he was the second largest number of tested daughters, of any son of Flying Fox. He repeatedly won first prize at the Maine State Fair, and his get won first prize—an enviable showing record, and he has a large number of daughters with high authenticated tests. One of his 13 Register of Merit daughters produced 921 lbs. 8 ozs. butter in a year—a record equalled by but few cows in any breed. Another daughter, owned by Mr. H. M. Tucker in Maine, was Grand Champion cow at the recent New Hampshire State Fair."

GRAND CHAMPION, \$90—In the same sale we sold Beta's Golden Fox, 64771, for \$90. He was Grand Champion at a number of shows in later years and sired some splendid things. He also was by Flying Fox, who sold in our 1902 auction for \$7,500, and has more sons with tested daughters than any bull of any breed; and was out of the same dam as Golden Beatrice, the second highest testing Golden Lad cow, which we sold for \$1,400 to Biltmore Farms.

MAJESTY, A "LINDEN GROVE" BULL.

His Daughters and Granddaughters "Make Good" in the Butter Tests.

Few bulls of any family rank with Royal Majesty, 79314, as a butter sire. He is a "cousin" to Oxford You'll Do, P. 4075, H. C., both being out of daughters of Oxford Lass. Royal Majesty has a sensational list of Register of Merit daughters, many of them testing from 600 to above 900 lbs. of butter in one year. It is not surprising that the cow winning First Prize in the Minnesota Dairy Contest, defeating the Guernseys and Holsteins, is his granddaughter. Majesty was imported by "Linden Grove" and sold in our 1908 auction for \$1,000, and two years later was sold by his purchaser for \$4,000—not a bad investment in either case. Seven of his daughters averaged 767 lbs. butter in one year. We imported four of them, including the two with the highest records—Majesty's Origa's Queen, 906 lbs. 7 ozs. and Majesty's Rose of St. Mary, 771 lbs. 3 ozs. We paid \$3,300 for Majesty's sire, Oxford Lad, and the latter was by Flying Fox, sold in our auction for \$7,500.

"MAKE A LIVING OUT OF OUR JERSEYS."

Profitable Cows by a Bull from "Linden Grove" Parents.

Messrs. M. W. Hall & Son, of Alabama, write: "We noticed in a recent issue of The Jersey Bulletin that you had a little to say in your advertisement about our bull, Bermuda's Eminent, 93798. We just want to say that he is a great bull. Out of ten daughters in milk, eight qualified for the Register of Merit—all of them milked 365 days, and all went into Class AA. These calves did not have special attention, for we have to make a living out of our Jerseys as we go along, and are not in the business just for pastime."

The late Colonel Bowman, founder of Bowmont Farms in Virginia and one of our customers for thirty years, bred Bermuda's Eminent, 93798. He bought the sire and dam at "Linden Grove."

(Advertisement in the Jersey Bulletin, March 8, 1916.)

"LINDEN GROVE" NEWS

FLYING FOX BLOOD ON "SIGNALS."

A Son of the Great "Linden Grove" Cow, The Owl's Oxford Daisy.

Secretary Gow, of the American Jersey Cattle Club, was much taken with the bull, Oxford Daisy's Flying Fox, 83284, at Mr. H. F. Probert's place in Michigan, and wrote to The Bulletin about him. (Mr. Gow should have put the tape on this bull, so that Mr. Jenkins might have known he had legs!) But what Oxford Daisy's Flying Fox may lack in the picture is made up by the work of his daughters, as reported by the secretary. One of them, Oxford Daisy's Kaleta, as a two-year-old, had made 517 lbs. 4.1 ozs. butter in the first eleven months of her official test. The other, 524 lbs. 11 ozs. in 315 days, as a two-year-old. It is not much wonder Mr. Probert has selected this second Flying Fox bull, to breed to the daughters of his Foxhall's Jubilee, 76944. It only takes one "taste" of this "Linden Grove" blood to convert a Jersey man.

BRED BY OUR CUSTOMER—We almost forgot to say that Oxford Daisy's Flying Fox was bred by Mr. Thos. W. Lawson from parents imported by "Linden Grove" and sold in our auctions. He is out of same dam as Oxfordshire, 63548.

THE OWL'S OXFORD DAISY, 162113.

What a Thousand-Dollar Cow Has Done—What a Satisfaction to Her Owner!

She won third at the Royal Show, 1900, in a class of 22 entries. We imported and sold her in 1902 for \$1,000 to Mr. Lawson. At twelve years old she was Grand Champion at Brockton, and won many other prizes. She produced 11,659 lbs. of milk, and 759 lbs. of butter, in one year. She is the highest testing daughter of The Owl.

Her daughter, Flying Fox's Oxford Queen, 162114, imported by us and sold when 24 months old for \$900, to Mr. Lawson, is full sister to Oxford Daisy's Flying Fox, mentioned above. Flying Fox's Oxford Queen produced for Mr. Lawson, 13,604 lbs. milk and 870 lbs. 8 ozs. butter in one year. She is the highest testing daughter of Flying Fox.

The calf she was carrying when sold, Fox's Owlet o' Dreamwold, 182991 (bred at "Linden Grove"), also by Flying Fox, made for Mr. Lawson, 569 lbs. butter in one year, from 8,494 lbs. of milk.

Besides the bulls Oxfordshire and Oxford Daisy's Flying Fox, she is dam of Flying Fox's Oxford Duke, 61439, imported by "Linden Grove" and sold in our 1902 auction for \$500, at twelve months old, to Mr. George Crocker, Ramseys, N. J., owner of the famous "Darlington" Farm, of "dollar butter" fame, the home of Eurotas, founded by the late Mr. A. B. Darling. Flying Fox's Oxford Duke is also a son of Flying Fox. He has a butter test daughter, and nine granddaughters in the Register of Merit.

IN WASHINGTON STATE—One of the sons of Flying Fox's Oxford Duke is Fad, 85670, who has four daughters in Register of Merit averaging 348 lbs. 10 ozs., at one year eleven months old. All were bred by Mr. D. C. Dilworth, whose home is at Opportunity, Washington.

THE BULLETIN'S "CALENDAR BULL."

Oxfordshire Gets Place of Honor Formerly Accorded Coomassie, Jersey Belle of Scituate, Etc.

We were pleased with the way Oxfordshire has grown—in size as well as prestige—from a baby calf born at "Linden Grove" to a Register of Merit bull ornamenting The Jersey Bulletin's calendar—a distinction held formerly by great cows, such as Coomassie, Jersey Belle of Scituate, etc. Mr. Herrick was writing us some time ago about bulls that sold for low prices in "Linden Grove" sales and afterward became famous, saying:

"You also sold at private sale to Mr. J. H. Walker, the calf out of The Owl's Oxford Daisy, for \$90. He was registered as Oxfordshire, 63548, and he is No. 213 in the Register of Merit. He did not have a great chance, but you will find he has a number of great tests to his credit, and he never sired an animal to my knowledge that was not a superior dairy cow."

As Mr. Herrick stated in The Jersey Bulletin, Oxfordshire has twelve daughters in the Register of Merit averaging 514 lbs. 13 ozs. butter at four years old. Two of these have each a daughter in the Register of Merit with average records of 407 lbs. 10 ozs. at two and one-half years old. He also has a son, Lad's Oxfordshire, 74564, bred by Mr. C. H. Ellsworth, with four daughters in Register of Merit.

OPPORTUNITY—That is what Oxfordshire as a calf presented to his buyer. The "Linden Grove" auctions always present opportunities. Just as great bulls as Oxfordshire may be developed from our next Decoration Day offering.

A BUNCH OF "LINDEN GROVE" COWS.

Nine Young Things, Sold to One Buyer, Qualifying for the Register of Merit.

Nine out of ten young "Linden Grove" cows sold to Mr. H. M. Snider, Wickliffe, Ohio, last winter, were reported by him to be averaging over 46 lbs. butter a month under official test. (See The Jersey Bulletin of September 8, 1915). This, "without the aid of electric fans, victrolas, or other forms of amusement"—just good feed and care. In the lot was the first daughter of Sultana's Golden Jolly, 86180, to be tried for Register of Merit. She had made 308 lbs. of butter in nine months, on first calf, beginning test at two years five months old. Like all the daughters of Sultana's Golden Jolly, she shows persistency—milking in her eighth and ninth months more heavily than in the first two months of her test. A three-year-old by Gambogee's Knight had made 351 lbs. butter in seven months, and was evidently good for more than 550 lbs. in the year. A daughter of Oxford You'll Do had made 387 lbs. 4 ozs. in ten months.

BRINGS TOP PRICE—In the Appleby sale in Tennessee last November, the top price was \$500 for a four-year-old bull by Sensational Fern. (The latter bred at "Linden Grove" and sold by us when eight months old for \$10,200, to Bowmont Farms.) Another "straw."

THE CHAMPIONS AND FIRST PRIZE WINNERS OF 1915

THREE PAGES OF EVIDENCE THAT "LINDEN GROVE" SETS THE PACE

The blood of "Cooper Jerseys" permeates the most sensational winners at every important show on the continent. The record for 1915—East, West, North and South—is a repetition of the story told for forty-two years: "If you want your Jerseys called up front by the judge, follow the blood that flows through 'Linden Grove.'"

A CONTINUAL BLUE RIBBON PARADE FOR "LINDEN GROVE" BLOOD.

In the list of prizes which follows, we have taken only the championships and the most important first prizes, omitting hundreds of minor premiums, where very often the competition is such as to give great weight to ribbons other than the championships. (We regret that the newspaper reports fail to state the names of the winning animals or their breeding at a number of shows.)

Those interested enough to examine the foregoing list may be inclined to share the opinion of Mr. W. R. Goodwin, of the Breeder's Gazette, when he said: "The Cooper stamp is the best stamp known to the Jersey world."

Those who will analyze the Register of Merit will be further convinced that the "Linden Grove" type is not only recognized by the best show ring judges, but that it fills the churn. Flying Fox, imported by us and sold in our 1902 auction, has more sons with tested daughters in the Register of Merit than any other bull.

Readers are requested to read the advertisements and notes appearing opposite Nos. 16, 42, 48, 49, 105, 116 and 135, to learn of the great butter tests made by "Linden Grove" cows in the hands of our customers.

"Linden Grove" Calves for the "St. Cloud" Herd

MESSRS. J. O. TERRELL & SONS, OF SAN ANTONIO, TEXAS, CONTRACT FOR ENTIRE "OUTPUT" FOR A YEAR
—GET EVERYTHING UNDER SIX MONTHS OLD NOW ON THE PLACE.

Messrs. J. O. Terrell & Sons, San Antonio, Texas, may well felicitate themselves over a deal they have just closed with T. S. Cooper & Sons, for all the bull and heifer calves now at "Linden Grove" under six months old, and all to be born here in the next twelve months. It not only shows splendid judgment, but reflects great credit on T. S. Cooper & Sons as breeders.

The Terrells have bred Jerseys for more than a quarter of a century, and long held a "monopoly" of the Jersey trade in the southwestern States and with Mexico and South American countries, as well as the West Indies. Their cattle won Grand Championships at the World's Fair Southern Exhibit in 1904 and countless other premiums at the most important shows below the "tick fever" quarantine line. While maintaining an ideal type in their cattle, "production at a profit" has ever been the St. Cloud slogan, and many of the best butter Jerseys of the great southwest have come from this herd.

"GOOD SEED IS CERTAIN TO BRING GOOD RESULTS."

The Terrells for the past eight years have tested the merits of the "Linden Grove" cattle. Several bulls of "Linden Grove" blood have made a name in their herd, notably Nobleman of St. Cloud, the great son of Karnak by Noble of Oaklands which they secured as a calf at our 1907 auction for about one-half the amount of their bid. Since then Mr. Terrell has repeatedly endeavored to "strike a bargain" for our young things under six months of age. Nothing would satisfy him but the whole crop of "Linden Grove" calves, but we think he will let us keep a bull or two. Mr. Terrell declared in one of his letters: "This trade is the fulfillment of a dream that I have long had in mind."

"THE INVISIBLE GOVERNMENT."

It took Mr. Cooper a very long time to even entertain the idea, and still longer to make up his mind to name any price on such a selection. But Mrs. T. S. Cooper came to his relief and helped him out of a dilemma. She "handed down a ruling," just as she did at the 1909 Decoration Day auction when the bull Viola's Golden Jolly was sold. She stepped to the side of Auctioneer Colonel Baily, and with three words settled a difficulty which might have caused considerable trouble. What she did say to Colonel Baily was "Sell the bull."

For the benefit of those who were not at the auction, we will relate how the misunderstanding came about: Viola's Golden Jolly, 79314, was not listed to be sold, but was catalogued for "reference only;" but Mr. Cooper realized that he had too much money invested in high class bulls and was not slow to observe that the get of Viola's Golden Jolly were greatly admired by many prominent breeders. (Three of them sold at the 1910 Decoration Day auction at an average of within five dollars of \$1,300 per head—not a bad average for yearling heifers). Viola's Golden Jolly was also the sire of the Grand Champion bull Sultana's Golden Jolly, 86180, for whom Mr. Cooper had time and again refused \$10,000; and having him, and other great bulls that have since sold for record prices in the "Linden Grove" Decoration Day sales, he felt relieved to think that he would not suffer without the use of Viola's Golden Jolly.

Bearing all this in mind, and "sizing up" the crowd at that great sale, Mr. Cooper felt certain that so great a bull as Viola's Golden Jolly would not "go begging" for bids, even if he had not been advertised, and it took him but a few minutes to make up his mind that he would put the bull in the sale. While the great crowd was at lunch, Mr. Cooper had Viola's Golden Jolly put through the "dressing room" with a number of his get, so that by the time the visitors had again been seated "under the lindens" on the lawn, he had the bull and his progeny paraded in the ring. When Sale Manager L. F. Herrick mounted the rostrum he introduced the great sire and his promising youngsters in the ring, and without much further ceremony called for bids on Viola's Golden Jolly. The price was soon up to \$8,000, which was bid by Mr. C. I. Hudson.

Just at this time it was noticed that there was something quite unusual in the sale ring. Ralph and Peter Cooper were leading the bull, and they never for a moment thought their father would think of selling Viola's Golden Jolly. Someone overhead Peter say to his father, "If we sell this bull we had just as well get out of the business." Mr. Cooper, who was in the ring, quickly walked to the auctioneer's stand, raised his hand and announced that he was compelled to do something he had never done before; but that he noticed both his sons were very much annoyed that he should think of selling Viola's Golden Jolly, and that with the consent of contending bidders he would withdraw the bull. Mr. Hudson arose at once and said that he would cheerfully consent to Mr. Cooper's request; but there was another "finger in the pie," and that was George Council. He ripped off his large black hat, said he came all the way from Illinois to buy Viola's Golden Jolly and was not near his limit in bidding. By this time there was about as much excitement in the ring as when Viola's Brown Prince "tore loose" from his leader and Auctioneer Carey Jones crawled under the stand.

At this juncture Mrs. Cooper stepped up to the auctioneers and exclaimed to Colonel Baily: "What in the world has happened?" The Colonel told her that Mr. Cooper wanted to sell Viola's Golden Jolly and that both of the boys protested. All she said was "Sell the bull." Mr. Cooper then realized that the responsibility of selling him rested entirely upon Mrs. Cooper, and that the boys would not bring suit against their mother. Viola's Golden Jolly was sold, and went to Dr. C. E. Still for \$11,000.

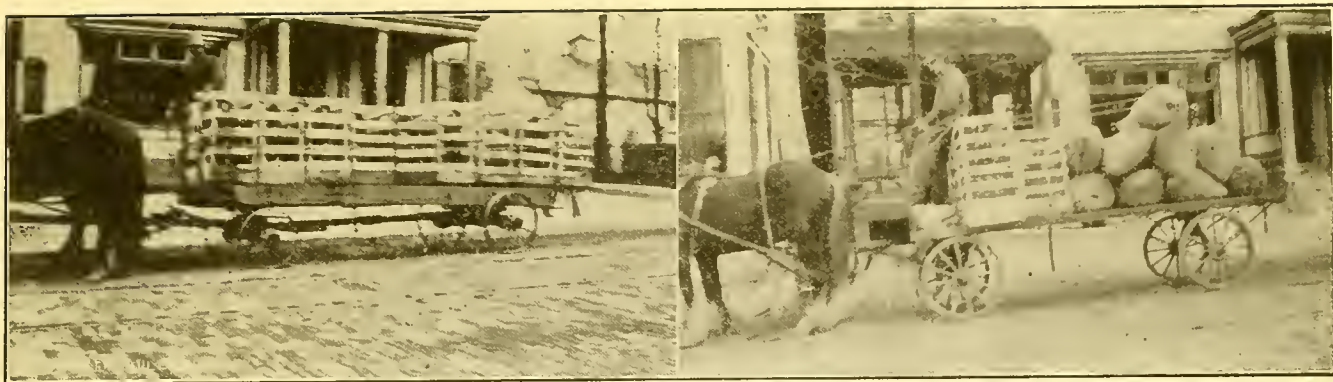

Just so quickly, Mrs. Cooper decided that the deal should be closed with Messrs. Terrell for the calves from "Linden Grove," she well realizing the care and anxiety of which Mr. Cooper would be relieved. She took all the telegrams that came from Mr. Terrell over the 'phone from our station, so that she was in a position to know just what was going on.

This deal, while it is a sacrifice on our part, amounts to a most significant tribute, coming from one who has "looked into the churn" and appreciates being called up front by the judge for the blue ribbon.

(See opposite page for evidence of the results of this transaction.)

REMARKABLE MOVEMENT OF "LINDEN GROVE" CALVES TO TEXAS.

Photos show the last two loads in a shipment of 26 calves under three months old, on April 5, 1916, by Messrs. T. S. Cooper & Sons, Coopersburg, Pa., to Messrs. J. O. Terrell & Sons, San Antonio, Texas. (The bags on rear truck contain cut hay for the youngsters en route.) Seventy-one head in all have been shipped to the Terrells since August 5, 1915, and the total will be 125 or more before the contract year expires.

(From *The Jersey Bulletin*, April 21, 1916.)

SEVENTY-ONE "LINDEN GROVE" CALVES SENT TO TEXAS

T. S. COOPER & SONS.
Pennsylvania.

Our contract last summer with Messrs. J. O. Terrell & Sons of Texas, for all calves born at "Linden Grove" within twelve months, has developed into one of the most remarkable sales of young stock we have ever recorded. Since August 5, 1915, we have sent them seventy-one calves under three months of age, and we estimate that the total will reach 125 head before their contract year expires—and perhaps more, with "good luck." If a sale of such character has ever before been consummated in pure bred calves of any dairy breed, it has not come to our attention.

These youngsters travel a distance of 2,139 miles, each lot in a special express car, via Buffalo and St. Louis. The last shipment, twenty-six head, on April 5th, occupied the entire length of the car, setting the crates side by side as they appear on the trucks in the snapshot. It is unfortunate we were not prepared to get a photograph of the entire shipment, and that these views are indistinct; but the extent of the deal may be imagined when it is remembered that less than one-half of the crates are shown in the pictures.

To Jersey breeders it will be particularly interesting to contemplate the results, in Texas and the great southwest, from the projection of such a volume of powerful Jersey blood into the dairy herds of that region. Many of these calves were sired by Oxford You'll Do and Sultana's Golden Jolly, and a number of other great sires are represented. They are out of splendidly bred and great dairy cows—the type of Jerseys only that have been handled at "Linden Grove" for forty years.

They would no doubt have brought more money if raised and sold in our auctions, but we consented to the sacrifice after having been importuned for years by the Terrells for such an arrangement. Mr. J. O. Terrell, who had "tasted" this blood on a number of occasions in previous years, wrote us after the contract was closed: "This trade is the fulfillment of a dream that I have long had in mind." Our advertisement of August 11, 1915, related the circumstances leading up to it.

The question has been asked, "What will J. O. Terrell & Sons do with them?" Well, if they keep them, and develop the great cattle they are sure to produce, it will be the wisest thing they can do—for themselves. But it is not difficult to market this class of calves, of either sex.

While on this calf subject, it may be well to remind our readers that the south need not confine itself to youngsters in shipping northern Jerseys, if the animals are protected against disease peculiar to southern territory. We need only to call attention to the great success achieved by the Falfurrias herd with mature Jerseys, many of which were purchased at "Linden Grove" by Mr. Ed. C. Lasater. They have made splendid Register of Merit records and won some of the most coveted championship trophies at the fairs, both north and south. And Mr. Lasater has bred from them, succeeding generations of winners and producers that demonstrate what can be done in Texas, when one has the right kind of a foundation.

It does make a fellow feel good to know that his efforts have been appreciated, especially when such appreciation has been expressed by men of responsibility who have been breeders of Jersey cattle a quarter of a century for profit, and who "look into the churn."

A GREAT "LINDEN GROVE" COW THAT "MADE GOOD" IN TEXAS

(From *The Jersey Bulletin*, June 30, 1915.)

In considering the noted Jerseys of the country, and especially of our State, Great Scot's Champion, I believe, is the greatest of all. A number of years ago "Lassie" (as she was affectionately called) achieved distinction by winning first over Jersey. Since her importation she has repeatedly won at the best shows in this country. As a crowning victory to her already enviable show record, she won grand championship at the Chicago National Dairy Show in 1911. Here she scored 99½ per cent. under Professor Scovell; and he was not alone in the belief that she was the most perfect cow of the breed. But in her twelfth year at the Falfurrias Jersey Ranch, owned by Mr. Ed. C. Lasater, at Falfurrias, Texas, this great cow made her greatest winning. Think about it—774 lbs. estimated butter in her twelfth year! And this test was made in spite of the extreme hot and dry weather that prevails during the summer and early fall months. I once heard a prominent judge remark, after he had given "Lassie" first place in the show ring, and while he was scoring a cow that had made a record of over 600 lbs. of butter in a year, "Yes,

she is a great individual, but as a producer I would rather have the other cow than two like her." Now there are a great many who seem to think that one class of cattle win in the ring, and another type win in the yearly tests. For such thinkers, this grand old cow should prove an object lesson. I will say without fear of successful contradiction that Great Scot's Champion is the greatest exponent of perfect Jersey type, coupled with maximum ability as a producer, that the Jersey breed possesses.

The general demand for good cattle is excellent. In fact, every breeder that you see nowadays seems full of enthusiasm. And while we are proud of the showing that is being made here, Texas is just beginning in Jersey advancement.

D. F. Bobbitt, Texas.

(Great Scot's Champion was imported by "Linden Grove," sold in our 1907 auction as a 5-year-old for \$950 to Dr. H. D. Rodman of Kentucky, in whose 1911 auction she was purchased by Mr. Lasater.)

A Bull. GOLDEN FERN'S LAD, 65300, A. J. C. C.

(FOR REFERENCE ONLY.)

(P. 2160, Highly Commended, Jersey Herd Book; 6236, English Herd Book.)

FIRST PRIZE AND CHAMPION AT NORTH CLUB SHOW, 1896 and 1897.

Known Universally as "The Old Plum Tree"—His Stock and Branches Have Yielded the Richest Fruits of Jersey Breeding.

Bred by Philip J. Ahier, St. Martin, Island of Jersey.

Born May 17, 1894.

Owned by T. S. Cooper, Coopersburg, Pa.

Imported and sold at public auction, May 13, 1903, when he was secured for exclusive use in the "Linden Grove" Herd, at \$2,250, being at that time (within four days) nine years of age. He died at "Linden Grove" May 29, 1908.

Sire**BOYLE, P. 1559, H. C.**

Sire of the celebrated bull, Golden Fern's Lad, P. 2160, H. C.; Fontaine 7th, 8th and 9th, all prize winners over the Island. Fontaine 9th milked over 9,000 lbs. milk in a year; 41 lbs. 4 ozs. in 24 hours, from which 2 lbs. 10 ozs. of butter was made.

"Boyle" also sired the great cow, "Spec-kled Band," public butter test, 2 lbs. 3½ ozs., 140 days in milk; dam of the wonderful cow, "Nursie," that made the phenomenal record of 2 lbs. 7½ ozs. of butter in 24 hours in the public butter test, after being in milk 300 days and within 90 days of calving. She sold in our May, '07, sale for \$2,200 to Mr. A. B. Lewis.

Sire of

Tula, P. 5323, H. C., 1st over Jer. and Par. prize, '94; dam of Rill, P. 6982, H. C. (65 lbs. milk in one day), the dam of Eminent's Raleigh, 69011 (see No. 22 of catalog).

Fontaine's King, P. 2207, H. C., sire of Caiest, P. 2591, H. C., who sired the dam of Gamboge's Knight, P. 3645, H. C. (see page 35); also sire of Mabel's Poet, P. 2964, H. C.

Mabel 38th, P. 6311, H. C., dam of Mabel's Poet. Fontaine 7th, P. 5391, H. C., 1st prize and Br. Medal, Grouville Show, '98; and Fontaine 9th, P. 6039, H. C., public butter test, 2 lbs. 10 ozs., in 24 hours.

Boyle also sired many other famous animals.

During our visit to the Island of Jersey, for a number of years, it has always been our great pleasure to examine the daughters of the famous bull, Boyle. They were of great size, carrying beautiful heads; thin, long necks; strong, straight backs; the very best of loins; broad hips; sharp withers; "bread baskets," wide and deep, which alone told the tale.

Dam**GOLDEN FERN, P. 4711, H. C.**

2d pr. over the Island and Par. prize, '94. One of the grandest dairy cows ever known on the Island.

Golden Lad,

P. 1242, H. C.

1st pr. over the Island, Aug., '90; also winner of £15 prize. Sixty-five of his get sold at auction in America at an average of \$527 a head.

Sire of

Golden Lad's Fawn Duchess, 166538, 23 lbs. 6 ozs. in 7 days. Golden Beatrice, 157326, 22 lbs. in 7 days; 89 lbs. 5 ozs. in 30 days.

And 30 other tested cows—records made both on the Island and in England and America.

Six of his sons are credited in the Register of Merit with officially tested daughters. Three of them were imported by "Linden Grove" and sold in our auction sales.

His double grandson, Golden Fern's Lad (same in blood as a son), has 27 sons with tested daughters.

Golden Fern's Lad is sire of Flying Fox, who is sire of 43 sons with tested daughters, more than any other bull, imported or domestic. (Flying Fox was sold in our '02 auction for \$7,500.)

Golden Fern's Lad is also sire of Eminent 2d, P. 2532, H. C., who was sold in our '05 auction for \$10,000, and has 25 sons with tested daughters, led by Eminent's Raleigh, who has 48 tested daughters, 24 of them in Register of Merit. Eminent's Raleigh is also sire of Raleigh's Fairy Boy, sire of 40 tested cows, 37 of them in Register of Merit.

(The information on this and opposite page has appeared for several years in our auction catalogs, and is repeated now and revised primarily for the benefit of those who have not before had our catalog. Parts of it may appear as "ancient history" to former readers; but it has lost none of its force and truth through age; indeed, the story of "The Old Plum Tree" gathers strengthening chapters with succeeding years.)

GOLDEN FERN'S LAD, P. 2160, H. C.

The most celebrated bull the Island of Jersey ever produced.
He has Champions and first prize winners too numerous to mention here.
He has 31 tested daughters and 27 sons with tested daughters.

The following is a copy of what Mr. Peter C. Kellogg wrote in Mr. Peer's Sale Catalog when Golden Fern's Lad was sold:

"Golden Fern's Lad is without doubt the most popular Island-bred bull with discriminating breeders in Jersey, England, and America, of any one that has ever appeared, not excepting his double grandsire, Golden Lad. He was taken from the Island to England in November, 1898, before his great worth as a sire became established, and ever since that time, Island breeders have expressed regret that he could not be brought back to Jersey. Had that been possible, those best informed express the belief that more money would have been paid for him and that he could have earned more in service fees than any other bull that ever stood on the Island.

"The uniform excellence of the cows got by Golden Fern's Lad, P. 2160, H. C., was the wonder of the Island of Jersey as soon as his earlier career as a sire had made the facts evident. Subsequently they became the admiration of all England, where the bull had gone and where most of his Island-bred daughters soon followed him. The leading herds of England were vying with each other to secure for exhibition and breeding purposes the very finest cows on the Island at the time when Fern's daughters were coming into their inheritance. To obtain the best was to obtain his daughters, and it perforce followed that the Island was promptly almost stripped of them, and particularly of the better ones. They found places of honor in the herds of Lord Rothschild, at Tring Park; Mr. J. Reid Walker, at Rudgley; Mr. R. J. Pope, at Plumpton; Capt. A. B. S. Frazer, at West Tarring; etc. A few determined Island breeders put prohibitive prices upon good daughters of Golden Fern's Lad, and when American breeders, after a long lapse, resumed importing on a more considerable scale, these few remaining daughters of Golden Fern's Lad were the highest priced cows on the Island. In his importation of 1899, sold at auction in May, 1900, Mr. T. S. Cooper brought one of these, registered here as Golden Sultana, 146282, that fetched the top price of his sale, \$1,600. Two years later, in May, 1902, the bull, Flying Fox, P. 2729, H. C., by Golden Fern's Lad, topped the same importer's sale by bringing \$7,500, which is the highest auction price for a Jersey that has yet occurred. But these conspicuous instances in this country very faintly reflect the great value of Golden Fern's Lad as a sire measured by the achievements of his daughters in the dairy tests and his sons and daughters in the show rings and the breeding fields of the Island, England, and, to some extent, America.

"I will not here present a list of his great winners, as that will appear in the catalog; but as an evidence of the appreciation in which Golden Fern's Lad was held on the Island of Jersey, after his departure therefrom, I append a quotation from a letter written by Mr. John A. Perree, the Secretary of the Island Herd Book Association, to the *Jersey Bulletin* in this country. This letter was dated January 27, 1902, when Golden Fern's Lad had been some years in England, and when it was never dreamed that he would come to the United States, and was as follows:

"I just want to say what we think of Golden Fern's Lad on the Island. I thought of sending you a list of show and butter-test winners sired by this great bull, but out of respect for your valuable space I have not done so.

"No bull, living or dead, can compare with him for having contributed such a large number of show winners in so short a time. I doubt if Golden Lad, with a much longer career, could compare with his double grandson (Golden Fern's Lad) in numbers. How he came to be sold for exportation was accidental.

"His owner and breeder, Mr. P. J. Ahier, of La Ferne, St. Martin, had the misfortune to lose his dam previous to her having been judged in the cow classes and her points recorded. As it was necessary at that time for a bull to be shown with his dam and the points of both totaled, Golden Fern's Lad was debarred from competition at the "Royal" Show. This explains why no prize "over the Island" stands to his credit. One enthusiastic gentleman (Mr. Charles Nicolle), who told Mr. Cooper that the Island lost \$50,000 when Golden Fern's Lad was exported, determined to secure this bull for the Island's use, and generously offered a silver cup to the committee of our society "for an aged bull shown with five of his female progeny." This offer, though much appreciated by the committee, was declined on the plea that the fundamental rules of the society were positive on the way bulls had to be judged (with their dams). Mr. Ahier was a little disappointed, and having a good offer for the bull and considering that he had all his cows in calf by him and a promising successor in Eminent 2d in his stable, sold him.

"By way of illustrating how we prized Golden Fern's Lad, I will mention what occurred about two years ago. A certain local breeder, being under the impression that the importation of cattle into this Island was prohibited by a minute of one of the State's committees (there were many of the same opinion), was so confident of having this minute rescinded in regard to Golden Fern's Lad by the mass of evidence he could produce in support of his demand, that he inquired a price from the present owner. A price was given, but away in the hundreds (pounds Sterling), yet this did not deter the breeder I refer to. He would have the bull back if he could get it back. He applied to the State's committee, when he was informed that the prohibition was due to a permanent law sanctioned by the Queen in council, against which there was no appeal. I happen to know the price Mr. Walker wanted, and, high as it was, I feel it would have been a very remunerative investment if only Golden Fern's Lad could have been got back.

"He was one of the most prepotent sires we have ever seen. I have known cases where bulls have been refused qualification in the Herd Book on account of their dams not having sufficient merit, yet those same cows when bred to Golden Fern's Lad have produced winners at the Island and English shows. As milkers, his daughters are unsurpassed, and I have not known a single poor one among them; on the contrary, I have heard complaints from breeders that they will not go dry, and my own experience confirms their persistency.

"For the last twenty years, at least, no bull has sired stock to sell as readily as that of Golden Fern's Lad.

"JOHN A. PERREE."

DEATH OF SULTANA'S GOLDEN JOLLY

GRAND CHAMPION BULL OF 1911 NATIONAL DAIRY SHOW DIES AT "LINDEN GROVE"

(From the Jersey Bulletin, April 19, 1916)

"Jim" is dead. "Jim," as he was called by his friends, passed away at "Linden Grove," Coopersburg, Pa., on Monday, the 3d of April. And "Jim" had friends, too, don't forget that. Possibly he was closer to Peter Cooper than any one else. For it was Peter who handled Sultana's Golden Jolly from infancy, taught him to do everything except to talk—and when "Jim" turned his expressive eyes on you it seemed he was about to speak. He has a trick of lowering his head and permitting Peter to grasp his horns, then raising the young man off the ground and setting him back safely. A form of amusement not encouraged by life insurance companies, but evidently safe in this instance, for "Jim" has gone and Peter is still here. But it is a sad Cooper family. Since Viola's Golden Jolly was sold, his son "Jim" was regarded as a fixture, and it would have ruptured the relations of T. S. Cooper & Sons to have discussed parting with him. Ralph Cooper, who regarded Sultana's Golden Jolly more commercially than sentimentally, was touched in a softer spot than he is wont to display. And what of the breeder, the head of the firm? "Still water runs deep," and that same imperturbability which surrounds T. S. Cooper in his auction sale ring is noted in his references to the death of Sultana's Golden Jolly. It may indicate what he thought of the bull, that he shook a negative head at every prospective purchaser, when Sultana's Golden Jolly could have been sold for more money than ever was paid for a bull of the breed. When asked for an expression on "Jim's" death, this was Mr. Cooper's reply:

"We have bred and owned many valuable bulls at 'Linden Grove,' some of which have been sold for large sums. We have declined large sums for others, simply because they were worth more money to us in our own herd as breeders. Those which were sold, were parted with not for the sake of getting rid of them, but in nearly every case in response to a demand from former customers who had become good friends, and who felt themselves entitled to a chance to possess animals which had distinguished themselves. Another incentive was the publicity attached to the marketing of bulls at long figures, which benefited not only our business, but did good for the breed at large.

(From the Breeder's Gazette, April 19, 1916)

Many great bulls whose loss has been keenly felt have left Linden Grove, both by auction and by death, but none has been more deeply mourned than Sultana's Golden Jolly, which died on April 3 at 7 years of age. We bred Sultana's Golden Jolly and raised and maintained him in the premier position in our herd because we believed that in him was focused the most potent influences of the powerful families that have been our guiding star in Jersey breeding for 42 years. We twice owned his distinguished dam, Golden Sultana, by Golden Fern's Lad, having imported and sold her as a first-calf heifer and getting her back again by purchase when 10 years old. She was the nearest living descendant, with one exception, of that prolific fountain head Sultana, a famous "black" cow of the Island which left no less than 14 daughters or sons to radiate her quality. Among these was Count Wolseley, whose daughters included the dams of Oxford Lad, The Owl, Golden Jolly, Nunthorpe, Caiest, Reminder, Houpp-La, and others that have built up great families in their own names. We imported Viola's Golden Jolly, the sire of Sultana's Golden Jolly, and he was the bull, next to his son, whose departure created the deepest feeling that we have experienced in parting with our bulls. Viola's Golden Jolly was not far off from Sultanne, being by Golden Jolly, while through his dam, Lady Viola, also the dam of Noble of Oaklands, he traced no less than 4 times to Sultanne.

Having known these families so intimately, and finding in our years of experience that our best individuals appeared to owe their excellence to the Sultanne influence, we felt that its frequent recurrence and proximity in the pedigree of Sultana's Golden Jolly made him a safe bull to which to pin our faith. Results as reflected in the character of his progeny and his own performances appear to have justified this faith. Sultana's Golden Jolly achieved in one day a succession of triumphs that have not been laid

"Sultana's Golden Jolly is not the first great bull we have buried. Without effort, I recall five others that have preceded him in the past thirty years—bulls which we had determined to keep in spite of any offers. There was Pedro 3187, in the herd for thirteen years, nineteen years old when he died, and serviceable to the last. Golden Fern's Lad we bought when nearly nine years old, and had him for five years. Oxford Lad did not last so long; Combination died soon after importation, from impaction, and Mabel's Raleigh we did not succeed in getting away from the Island.

"I have never believed much in 'luck,' but it seems that some 'hoodoo' got into the bulls we refused to sell, excepting Pedro. I have about made up my mind there is something in it. In every case, where I have been badgered to put a price on an animal, and positively declined to give the prospective purchaser a satisfactory answer, from some cause or other, bad luck overtook the bull."

Indigestion, which had become chronic, was the immediate cause of the death of Sultana's Golden Jolly. As many may remember, some time ago the bull developed a festering near the navel which had the appearance of a "boil." Those who have our 1913 and 1914 catalogs can see in the picture the swelling caused by what we thought was a "boil." On several occasions it was lanced and the pus removed by a veterinarian. One day while exploring the wound with his finger, the doctor felt a sharp metallic substance and called Peter to hold the bull while he went after it with the tweezers. He found the substance so fast that it was only withdrawn after several vigorous pulls. It proved to be a wire about five inches long which had caused the irritation. Post-mortem showed that it had penetrated the intestines. Two large tumors formed, and demoralized the digestive tract. The wire appeared to be such as is often found in cut-up hay or straw. A short time ago they lost a valuable Gamboge's Knight cow that was disabled in the same manner. The veterinarian, on post-mortem, found that a wire four inches long in the membranes around the heart had pierced the organ and caused death.

at the feet of any bull of any breed. We exhibited him at the National Dairy Show at Chicago in 1911, where he won 4 championships, including the American Jersey Cattle Club's gold medal for grand champion bull bred by exhibitor. He was only a two-year-old, and in competition with the grand champions of 11 important American shows of that season, among them 2 which had won championship over the Island of Jersey in different years. We have been unable to keep his daughters to maturity, so strong has been the demand, while his service has been widely sought for the herds of some of our most far-sighted breeders. I can safely say that he earned \$10,000 yearly in the herd. It was through him, and Oxford You'll Do, that I made the deal with the Terrells in Texas to take all our calves of both sexes for a year. Within the last 7 months we have sent them 71 head, and have 25 more to ship as soon as they get a little older.

Sultana's Golden Jolly was sick only a short time, though the cause of his death was of long standing. Many will remember that he suffered from what appeared to be a boil at the navel. On several occasions it was lanced by a veterinarian, who removed the pus and relieved the trouble for a time. Once while exploring the wound with his finger he felt a sharp substance which was removed with some difficulty, and proved to be a wire about 5 inches in length, such as is used to attach tags to grain bags. Post mortem revealed 2 tumors where the wire had penetrated the intestine, disturbing his digestion until death came to his relief.

So passed away what we always declared the handsomest and best bred bull we ever owned, but, as we say of Golden Fern's Lad, "his blood still lives and breeds on at Linden Grove."

GOLDEN SULTANA, 146282, A. J. C. C.

GRANDDAUGHTER OF OLD SULTANE, P. 7, H. C., AND AT THE TIME OF HER DEATH IN 1914, AT 16 YEARS OLD, WAS HER NEAREST LIVING DESCENDANT, EXCEPT YOUNG JOLLY SULTANE, DAM OF NOBLE'S JOLLY SULTAN.

Dam of the sensational bull, Sultana's Golden Jolly, 86180, whose picture and pedigree may be seen on following pages.

Golden Sultana won Third Prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, 1904, in the greatest ring ever exhibited in this country, where she sold for \$2,350. We afterward bought her for the "Linden Grove" home herd. She is full sister to Sultane's Snowdrop, dam of Sultan of Oaklands.

In the "Jersey Bulletin," Mr. W. R. Spann calculated that Golden Sultana had produced nearly \$50,000 worth of offspring since her importation.

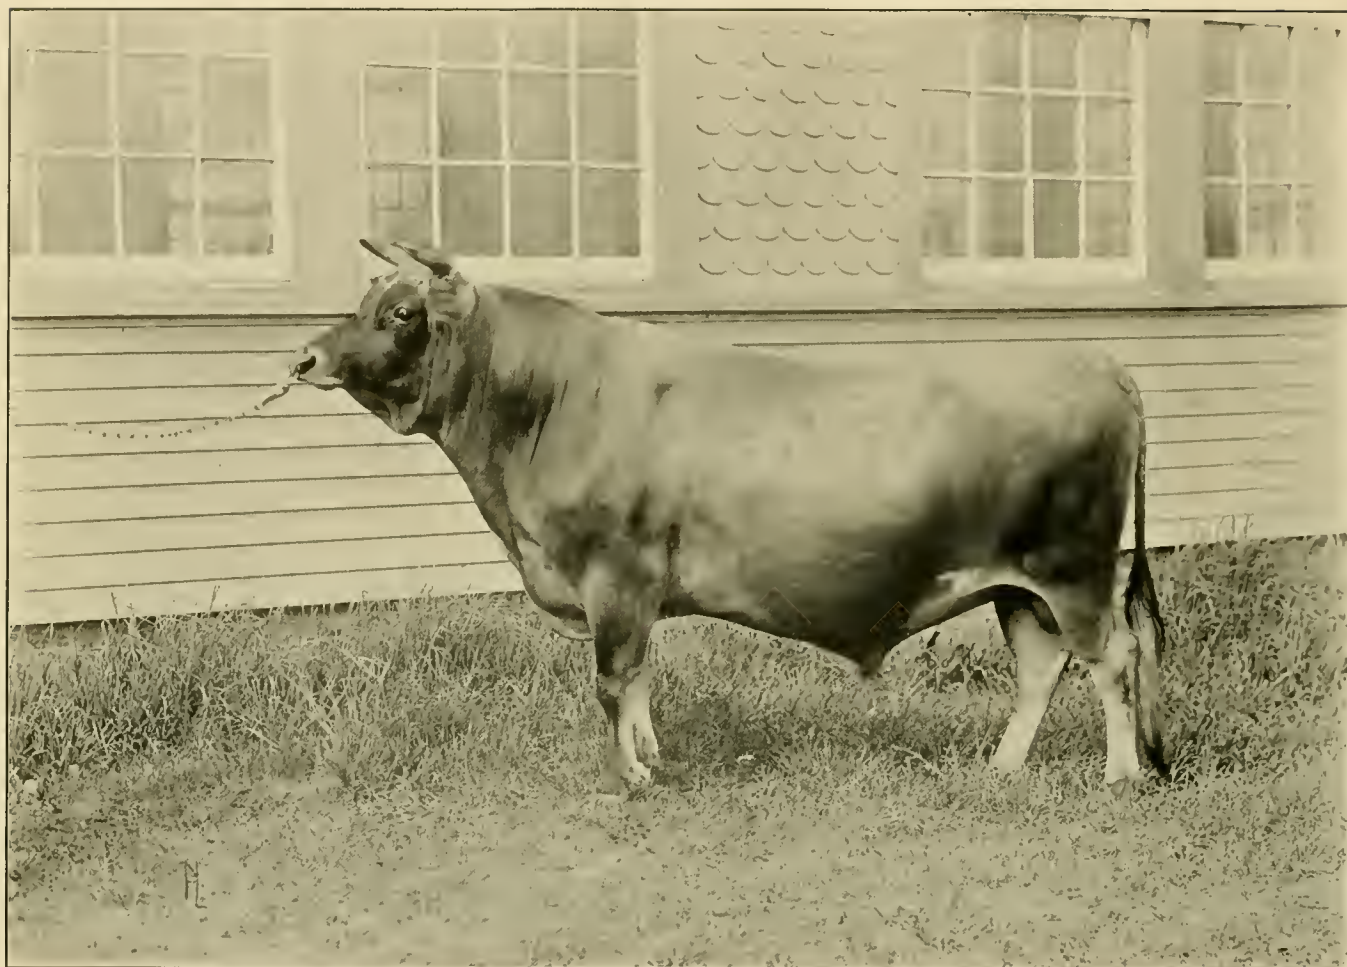

Golden Sultana is dam of Sultana's Oxford Lad, that sold in our 1910 auction for \$11,100, and she selling in same sale when twelve years old for \$3,700. Sultana's Oxford Lad is sire of the Grand Champion bull at Illinois State Fair, 1913, viz., Elvirian Lad, 106674, bred and owned at Elmendorf Farm, Lexington, Ky. Sultana's Oxford Lad has 4 daughters in Register of Merit, and a son with 4 in Register of Merit.

Golden Sultana's heifer calf, Sultana of Linden, 239514, sold in our 1910 auction for \$1,750, when eight months old. We imported Golden Sultana and sold her sixteen years ago for \$1,600 as a first-calf heifer. She topped our 1900 auction.

Golden Sultana is dam of Gedney Farm Blue Fox's Sultan, 72755, bred by Mr. Howard Willets, at Gedney Farm. Gedney Farm Blue Fox's Sultan has two daughters in Register of Merit with excellent records as two-year-olds.

Mr. M. S. Beltzhoover, owner of the Rochroane Farm Jersey Herd, in New York State (which includes the noted Golden Fern's Lad cow, Golden Sultana), in the spring of 1912, wrote the following letter to a friend, who sent it to "The Jersey Bulletin" with the request that it be published. Mr. Beltzhoover bought Golden Sultana in our 1910 auction, when 12 years old. He bought Blue Belle of St. Saviour in our 1911 auction for \$1,250, and has been a customer of "Linden Grove" since 1901. Mr. Beltzhoover says:

"You ask me, 'How is Golden Sultana'? She is the picture of health, as you will see by the enclosed photograph, taken by myself on October 26th last. It is only postcard size, but perhaps I ought to send it to 'The Bulletin,' as, no doubt, many would be glad to see what the old cow looks like. By the bye, she was fourteen years old February 1, 1912, and still looks like a much younger cow. I have now two of her heifers, and she is in calf again. Last year she milked 5,135 lbs. in 11½ months, and would not go dry. With the last calf she has been milking three months, as follows: 709 lbs., test, 6.3 per cent.; 678 lbs., test, 6.6 per cent.; 727 lbs., test, 6.2 per cent.—on very moderate feed, as I am careful in not overfeeding her." * * *

SULTANA'S GOLDEN JOLLY, 86180, A. J. C. C.

BRED AT "LINDEN GROVE," AND WAS NEVER OFF THE PLACE EXCEPT WHEN TAKEN TO THE NATIONAL DAIRY SHOW IN 1911, UNTIL HIS DEATH HERE, IN HIS EIGHTH YEAR, ON MARCH 31, 1916.

He was the admiration of all Jersey breeders, and was never for sale at any price. The question was quite often asked, "What would Sultana's Golden Jolly bring on the Island?" He was only shown once, when he won the following prizes at the National Dairy Show held at Chicago, October 26-November 4, 1911:

First Prize in two-year-old class; Senior Champion bull, two years old or over; Grand Champion bull, any age; Special Grand Champion bull, any age; Grand Champion bull bred by exhibitor, winning Gold Medal awarded by A. J. C. C.; headed First-Prize Special Herd (\$200) for bull and ten females, and sired the First-Prize Calf Herd; with winning four Champion prizes, Gold Medal and other prizes at one show, we doubt if ever such honors have been bestowed on any bull of any breed.

A BULL THAT HAS ATTRACTED THE PATRONAGE OF MANY OF AMERICA'S LEADING BREEDERS.

Ex-President Darling, of the American Jersey Cattle Club; Messrs. Ayer & McKinney, Mr. R. A. Sibley and Hon. R. J. Fleming are among the many breeders who have had great cows bred to Sultana's Golden Jolly. Hon. J. O. Terrell, of Texas, refers to him as "a triumph of the breeder's art." Such patronage is worthy of consideration by the many beginners and breeders of less experience who are "seeking the light."

The females that have been bred to him in this sale should appeal to prospective buyers. His sons and daughters will be especially valuable for the foundation and reinforcement of high-class herds. Consider the bull, and examine his get; then consider his dam, the illustrious Golden Sultana; and knowing what the Jersey world does know of his sire, Viola's Golden Jolly, and his grandsire, Golden Fern's Lad, and his grandam, the sensational Lady Viola, we think we have not overestimated his value.

His pedigree on the opposite page shows more convincingly his strong inheritance than we can tell in words—how he traces in every line to the most celebrated butter families and prize animals the world has ever known; and each step marked with individuals that have made great records in the show ring and at the pail, and produced distinguished officially tested cows and the winners of highest honors in the most classic Jersey competitions.

Golden Sultana's picture, and something of her achievement and history, appears on following page. Her sire, Golden Fern's Lad, has sired many tested cows and prize winners; he has 27 sons with tested daughters with authenticated records. Note what the daughters of Viola's Golden Jolly are doing in the butter tests; also what the daughters of Golden Jolly and Lady Viola have done, and how their descendants are "keeping the churn going."

B Bull. SULTANA'S GOLDEN JOLLY, 86180, A. J. C. C.

(FOR REFERENCE ONLY.)

The Handsomest and Best Bred Bull Ever Owned at "Linden Grove." He is the Admiration of All Jersey Breeders. He Won the Following Prizes at the National Dairy Show Held at Chicago, October 26-November 4, 1911:

First Prize in Two-year-old Class.

Senior Champion Bull, Two Years Old or Over.

Grand Champion Bull, Any Age, Defeating the Champion Winners at Ohio, Indiana, Kentucky, Illinois, Michigan, Wisconsin, Iowa and Minnesota State Fairs; Waterloo (Iowa) Dairy Show, National Jersey Show (Shelbyville, Ky.), International Dairy Show (Milwaukee, Wis.), '11; and Champions over the Island in '09 and '10.

Special Grand Champion Bull, Any Age.

Grand Champion Bull Bred by Exhibitor, Winning Gold Medal Awarded by A. J. C. C.

He Headed First-Prize Special Herd (\$200) for Bull and Ten Females, and Sired the First-Prize Calf Herd.

With Winning Four Champion Prizes, Gold Medal and Other Prizes at One Show, We Doubt if Ever Such Honors Have Been Bestowed on Any Bull of Any Breed.

Bred by T. S. Cooper, Coopersburg, Pa.
Born October 13, 1908.
White spot on forehead; brisket, belly, flanks, tongue and switch white.
(See particulars under his picture, opposite page.)

Sire

VIOLA'S GOLDEN JOLLY, 79314, A. J. C. C.

Sold in our '09 auction for \$12,000.
Sold in Kinloch Farm auction, '11, for \$13,000.

Sire of 9 cows in Register of Merit with good year's records as 2 and 3-year-olds. One of them, Fern's Viola, is now on record as a 5-year-old, and has made 672 lbs. butter in 10 mos. She is 75 per cent. same blood as Sultana's Golden Jolly. He sired the Grand Champion bulls at Forest City (Ohio), Lexington, Ky., and Utah State Fairs in '14; and many other winners.

Sire of

Viola's Fawn Duchess, 239332, 5,696 lbs. milk; 418 lbs. 10 ozs. butter, in one year, at 2 years old, at White Horse Farm. Sold in our May, '10, auction for \$425.
Handsome Viola's Jolly, 239757, 5,652 lbs. 8 ozs. milk; 400 lbs. 12 ozs. butter, in one year, at 2 years old, at White Horse Farm. Sold in our '10 auction for \$725. And 7 others.

Dam

GOLDEN SULTANA, 146282, A. J. C. C.

Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. We afterward bought her for the "Linden Grove" home herd.

Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, H. C., out of Sultane 9th, P. 1145, H. C., winner of many first prizes over the Island, and dam of Uncle Peter, P. 2115, H. C. Her grandam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Marett. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her grandam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily.

She is dam of Sultana's Oxford Lad, that sold in our '10 auction sale for \$11,000, and she selling in same sale when 12 years old for \$3,700. She is a full sister to Sultane's Snowdrop, dam of Sultan of Oaklands.

Her son, Sultana's Oxford Lad, whom we sold to Elmendorf Farm for \$11,000, produced for them, Elvirian Lad, 106674, 1st prize yearling bull (9 entries), Junior and Grand Champion, Illinois State Fair, '13. Sultana's Oxford Lad has 4 daughters in Register of Merit, and a son with 4 daughters in Register of Merit.

Her son, Gedney Farm Blue Fox's Sultan, 72755, produced Golden Daisy Fox, in Register of Merit, 419 lbs. 4 ozs. butter in 1 year, at 2 years old; and Exila Fox Sultana, in Register of Merit, 343 lbs. 8 ozs., at 2 years old—the former owned and tested by Cornell University, and the latter by Mr. H. C. McLallen, Trumansburg, N. Y.

Her daughter, Sultana of Linden, was sold in our '10 auction for \$1,750, at 8 months old.

Mr. M. S. Beltzhoover, owner of the Rochroane Farm Jersey Herd, in New York State (which includes the noted Golden Fern's Lad cow, Golden Sultana), in the spring of '12, wrote:

"You ask me, 'How is Golden Sultana?' She is the picture of health, as you will see by the enclosed photograph, taken by myself on October 26th last. It is only postcard size, but perhaps I ought to send it to 'The Bulletin,' as, no doubt, many would be glad to see what the old cow looks like. By the bye, she was fourteen years old February 1, 1912, and still looks like a much younger cow."

Golden Jolly, P. 2921, H. C.

1st prize and Champion, North Show, '00. A famous sire of butter cows and winners.

Sire of

Golden Warrior, 1st over England, Royal Show, '03; 1st over England and Champion, D. S., '03.

Jolly Lady of Beechwood, winner of 1st prize, Illinois State Fair, '08; 1st. Champion and Grand Champion at the National Dairy Show, Chicago, '08. Golden Jolly also sired the four cows that won 1st prize for bull and produce, National Dairy Show, Chicago, and Illinois State Fair, '08; and many other winners.

Sire of 24 butter test cows, including:

Golden Jolly's Fertile, 669 lbs. 11 ozs.

Jolly Princess of St. Peter, 633 lbs. 1 oz.

Jolly's Pride, 633 lbs. 9 ozs.

Jolly's Ruby, 620 lbs. 13 ozs.

Sire of 10 bulls with tested daughters, including Derry's Golden Jolly, sire of 13, sold at auction for \$11,000.

Eleven untested daughters are the dams of Register of Merit cows.

Sire of Mourier Lass, 234539, Grand Champion cow, Utah State Fair, '13 and '14; and many other winners.

Lady Viola, P. 8463, H. C.

Sold in our May, '11, auction for \$7,000.

1st over Jersey, '04.

Public butter test, May, '04, 2 lbs. 12 ozs.

1st prize, Sweepstakes and Champion, St. Saviour and Grouville Show, '05.

1st prize over Jersey and Theatre Cup, May, '05.

1st over England wherever exhibited, '06 and '07.

C Bull. IMPORTED OXFORD YOU'LL DO, 111860, A. J. C. C. (Oxford You'll Do, P. 4075, H. C.) (FOR REFERENCE ONLY.)

Winner of First Prize over Jersey, With His Progeny, at the April, 1911, Bull Show, Island of Jersey.
Full Brother to the Successful "Butter" Sire, Oxford Knight, P. 3938, C.

Bred by G. P. Perredes, Grouville, Island of Jersey.
Born August 24, 1906.
Imported January 28, 1913, by T. S. Cooper & Sons.
Solid color; black tongue and switch.

"The end of the road." In Oxford You'll Do we find a climax in concentration of the most forceful dairy influences the Island has seen in forty years of breeding for a purpose. Through many lines of descent he claims Sultane, P. 7, H. C., for an ancestor—and twice through Oxford Lass, who is his granddam and his sire's great-granddam. A dairy sire of undoubted prepotency and power. Intelligent, masculine, with not a "bad sign" in personality, pedigree or performance. Strong head, very wide between the eyes; smooth, clean shoulders; a good-hided bull, with rich skin; long and well-ribbed body; rudimentary teats extremely long and well placed; the veins on belly are as prominent as in some milk cows; tail set in the Golden Fern's Lad cast, and a wonderful switch.

And after all, "the proof of the pudding" is found in his get. No living sire has put the stamp of capacity—a highly finished dairy type—more unerringly onto his daughters, nor produced a more uniformly long teated, easy milking line of cows than has Oxford You'll Do.

Sire

GAMBOGE'S KNIGHT, P. 3645, H. C.—
Winner of 2d pr. over Jersey (with his progeny), Apr., '08.

Sold at our '11 auction for \$6,700 to White Horse Farm, Paoli, Pa., who bought six of his daughters in a single lot at \$1,750 each.

At the National Dairy Show, Chicago, '11, every animal in competition, sired by Gamboge's Knight, did honor to its sire, winning among other prizes:

1st prize for four cows in milk.

1st and 2d prize yearling bulls (out of dams by Gamboge's Knight).

2d pr. 3-year-old cow, 9 entries, by Gamboge's Knight.

Sire of 41 official test cows, 19 of them with year's records over 500 lbs. butter in 1 year. Twelve of the 19, including the five with the highest tests, were imported by "Linden Grove" and sold in our auctions:

Gamboge's Crocus, 515 lbs. 1 oz.

Gamboge's Fawn Beauty, 505 lbs. 15 ozs.

Knight's Crocus, 505 lbs. 9 ozs.

Gamboge's Tiddlywink (above) was Grand Champion cow at National Dairy Show, '12, and was on show circuit 2½ months during her year's test.

Gamboge's Knight is sire of 4 bulls with tested daughters, including:

Oxford You'll Do, P. 4075, H. C., sire of 22.

Oxford Knight, P. 3938, C., sire of 12.

Oxford's Brigadier, 78529, sire of 2 in Register of Merit.

Oxford Boy, P. 3937, C., sire of 1 in Register of Merit.

His son, Oxford You'll Do, won 1st prize for bull and progeny at the Apr., '11, bull show, Island of Jer.

34 of his sons and daughters have been sold in our auctions for an average of \$800.

IMPORTED OXFORD YOU'LL DO, 111860, A. J. C. C.

(Oxford You'll Do, P. 4075, H. C.)

Winner of First Prize over Jersey, With His Progeny, at the April, 1911, Bull Show.

This is the most valuable prize and the greatest distinction that can be accorded a bull.

He is the Premier Sire of the "Linden Grove" herd, and is the Most Prepotent Living Sire of Great Dairy Cows we have ever owned.

On April 26, 1916, we had records of 22 official butter test cows sired by Oxford You'll Do, among which are the following:

You'll Do's Favorite, 306632, just finishing year's authenticated test with more than 900 lbs. butter as a four-year-old. She was sold in our 1914 auction for \$500, to Mr. E. T. Bedford, Green's Farms, Conn.

Imp. Rustic Ivy, 272579, in Register of Merit with 774 lbs. 7 ozs. butter in 1 year, at 4 yrs. 6 mos. old. She was 1st prize 3-year-old cow at New York State Fair, 1913 (11 entries); 1st prize 4-year-old at Connecticut State Fair, 1914; and 1st prize 5-year-old at New York State Fair, 1915, besides being dam of the Grand Champion bull and the 1st prize "produce of cow" at New York State Fair, 1915.

He is sire of many distinguished prize winners, including:

The Champion Cow over the Island of Jersey in 1915, who also won 1st in her class (76 entries) at the Royal Show, Jersey, May, 1915, and 1st in her class (68 entries), May, 1914. She was imported by "Linden Grove," registered as You'll Do's Champion Ivy, 353251, and is catalogued for this auction (see No. 50).

The First Prize Yearling bull, Junior and Grand Champion, Indiana State Fair, 1915. He was bred at "Linden Grove" and sold in our 1914 auction at 5 mos. old, for \$525.

He sired the Grand Champion bull of the Minnesota and Wisconsin State Fairs, 1913; who was sire of the Junior Champion heifer at the Iowa State Fair and at the Waterloo Dairy Show, 1915.

He sired the First Prize three-year-old cow (11 entries) at the Texas State Fair, 1915, who was sold in our 1914 auction for \$745.

He sired the Grand Champion bull of the Arizona State Fair, 1915. And many other winners.

Nineteen of his progeny (eight of them bulls and calves of both sexes), in our 1914 auction, sold for an average of \$683.

You'll Do's Fawn Beauty, 306616, sold for \$2,100 to White Horse Farm, Paoli, Pa. She is dam of the bull, Trumps, winner of 1st prize in the calf class, Toronto, 1914.

You'll Do's Lady Moon, 306615; Fox's Bayleaf of Oxford, 289460; and Remindress of Oxford, 289462; sold respectively for \$1,225, \$1,225 and \$1,025, to Mr. Ed. C. Lasater, Falfurrias, Texas.

Oxford You'll Do is a full brother to Oxford Knight, P. 3938, C., who has 12 tested daughters, 5 of them in Register of Merit, with tests averaging 575 lbs. 8 ozs. butter, at 5 yrs. 3 mos. old. Six of his tested daughters were imported by "Linden Grove," and sold in our auctions for an average of \$927, at 5½ yrs. old.

We are offering a line of splendid daughters of Oxford You'll Do in this auction. In dairy temperament, udders and teats, we doubt if any living sire can exhibit their equal.

THE OXFORDS A PREDICTION FULFILLED

IN 1904 WE MADE THE FOLLOWING STATEMENT IN REFERENCE TO THE GREAT COW, OXFORD LASS, P. 3582, [C.]: "TEN YEARS FROM NOW WE WILL REALIZE HER GREAT WORTH AS A DAIRY COW, THROUGH HER SONS AND DAUGHTERS"

REPRINT FROM OUR AUCTION CATALOG, MAY 30, 1905

"The celebrity of the Oxford family is not known on this side of the Atlantic as in England and on the Island, where it is a household word amongst breeders. No small wonder, for in England especially, the winnings of the "Oxfords," both in the show ring and butter tests, have been one unbroken chain of success. The herd of Lord Rothschild was greatly strengthened and its notoriety vastly increased by the purchase from the Marett family in the Island of the four following daughters of Oxford Daisy, 6816, F. S. H. C. These were: In 1892, Oxford Dahlia, (sire Sultan's Cicero), in calf to Pioneer, the produce being a heifer, Oxford Dawn. In 1894, Oxford But-

tercup, (sire Golden Lad), in calf to Nunthorpe, the produce (a heifer) being Oxford Daffodil; Oxford Lily, (sire Count Wolseley), in calf to Nunthorpe, the produce being a bull. Oxford Prince; Oxford Aster (sire Pioneer), in calf to Golden Lad 2d, the calf having died. It will thus be seen that Lord Rothschild in securing these four cows got the best blood on the Island, and his success is best explained by the list of winnings given at foot of this short history. The bull with which he scored the greatest successes were: Oxford Prince, son of Oxford Lily (see above); Oxford Duke and Oxford Dreadnought, sons of Oxford Dahlia; and Oxford Baronet, son

of Oxford Lily.

"The list we give of winnings is not by any means complete, owing to the difficulty and the time required in tracing the show prizes, as given in the Herd Book of the English Jersey Cattle Society, but we trust that ample evidence is given that in offering the Oxford blood to our American patrons, we are working toward our aim—that is, the improvement of the Jersey cow."

(We omit the list of prizes published at that time, as the credits to the Oxford family have been so augmented that we cannot give space or time to a compilation of the prizes and butter tests.)

REPRINT FROM OUR AUCTION CATALOG, MAY 30, 1913.

No family of cows has more deservedly come into prominence than has the "Oxford" family. The name is a household word in the Jersey world, and the members, males and females, are popular wherever they have found their way. It may be said that they have, with their popularity, encircled the globe. Be it on the Island, in England, United States, Canada, or far-off Australia and New Zealand, some members of the Oxford family have gained renown for themselves and the breed generally. Of the various branches of this noted family, none have been more successful than that coming through Oxford Lass, P. 3582, C. This cow occupies the same position, as regards her progeny, as does Sultane, P. 7, H. C., in hers—a circumstance that calls for no comment, as Oxford Lass, P. 3582, C., is a granddaughter, through her sire (Count Wolseley), of Sultane, P. 7, H. C.

In some respects, Oxford Lass inherited the characteristics of Sultane, and it may be said that in one particular it was intensified, in that neither she nor her progeny attracted much attention until four years old. Breeders on the Island say that cows of this family are too busy producing milk to develop such conformation as one prefers in promising young stock. But if they could see the high-scoring young things in the "Linden Grove" stables, we think they would have no complaint to make on the score of either beauty or utility.

The successes of the descendants of Oxford Lass in the show ring, milk records, butter tests, etc., are fresh in the minds of Jersey breeders, and the publication of a list would be of such prodigious length as to make it impossible, with the space at our command. Opinions differ as to which of her three noted sons—Caïest, Houpla or Oxford Lad—was the most successful sire. The first two mentioned fully inherited their dam's characteristics, especially Houpla, and the breeders who used them were of implicit faith.

Those who attended our auctions about seven years ago will recall the splendid daughters of Houpla and Caïest, and their granddaughters, fifteen cows by Caïest in our 1905 and 1906 auctions selling for an average of \$865.

Crossed with Flying Fox, Oxford Lass produced one of the prettiest heifers we have ever seen, and she won first prize over the Island as a yearling. This was Flying Fox's Oxford Lass, that we imported and catalogued for our 1904 auction. There was considerable speculation as to the price she would sell for, some venturing that she would make a record figure. Several breeders were here to buy her, and it is known that at least one of them was willing to pay \$5,000; but "death loves a shining mark," and a foreign substance that reached the stomach through her food saved a battle royal at the ringside to decide where she would go. Her full brother, Oxford Lad, followed her example in a double respect, winning first over the Island, and passing away at "Linden Grove," whence he had been bought at a cost of \$3,300. Most of the daughters of this bull inherited the characteristics of Oxford Lass, which still permeate the whole family.

The daughters of Oxford Lass, besides the one mentioned above, were Golden Queen of St. Saviour, imported by us in 1899; Oxford Ixia, P. 7100, H. C.; Oxford Ever, P. 8370, H. C.; and one exported to Australia as a calf.

If Oxford Ixia had produced only Oxford Ixia 3d (dam of Majesty, sold here in 1908 for \$1,000, and resold by his purchaser for \$4,000), she would have covered herself with glory; but she has fully emulated her illustrious dam, as the records show. Oxford Ever has produced two of the best cows on the Island today, in Agatha's Oxford Lass and Oxford Triumph—cows that every one knows are unbuyable, no price, however large, having tempted their present owner. In bulls, she has produced Oxford Knight and

Oxford You'll Do, both by Gamboge's Knight, therefore inbred to Oxford Lass, being grandsons on the dam's side and great-grandsons on the sire's side.

Like Caïest and Houpla, Oxford Knight and Oxford You'll Do have made their strongest appeal to public favor through the show ring and dairy quality of their progeny. In fact, until her blood again met that of Sultane through Flying Fox and his son, Agatha's Flying Fox, the Oxford Lass bulls made but little "noise" as show animals outside of the winnings of Oxford Lad and Mr. J. A. Perree's Agatha's Oxford Noble. They have, however, more than made up the difference by winning honors with their progeny. Oxford You'll Do, though only five years old at the time, won the much coveted prize, with his progeny, in 1911; and Oxford Majesty, while not himself a show-ring winner, has lately won the same prize at the last Bull Show on the Island (April, 1913).

No one breeder has been more closely identified with the Oxford family than Mr. Charles Mourant, of the parish of St. Saviour, on the Island. It was his good fortune to be the father-in-law of Mr. G. P. Perrees, the owner of Oxford Lass, from whom he obtained Houpla, Oxford Lad, Oxford Ixia, and a few other immediate descendants of this great cow.

Mr. J. A. Perree, realizing that his herd was not complete without the Oxford blood, bought of Mr. Perrees, Agatha's Oxford Lass, Oxford Triumph and Oxford You'll Do, at prices which would have discouraged many enthusiastic breeders. But, as Mr. Perree says: "I am amply repaid by crossing Oxford You'll Do on the daughters of Noble of Oaklands, to say nothing of what the two cows have done for me."

Oxford You'll Do is now at "Linden Grove."

(See comments opposite No. 47 of catalog.)

OXFORD EVER, P. 8370, H. C.

LAST DAUGHTER OF THE CELEBRATED COW, OXFORD LASS, P. 3582, C. (See Notes on Opposite Page).

DAM OF

AGATHA'S OXFORD LASS, P. 11386, H. C. (by Agatha's Flying Fox), public butter test, May, 1909, 2 lbs. 1½ ozs., 83 days in milk; winner of two Certificates of Merit, besides 1st prize over Jersey (48 entries) and Theatre Challenge Cup, May, 1911, and Reserve for Renouf Cup, "best butter test cow judged by inspection," May, 1909; Reserve, 52 entries, May, 1907. She is dam of Agatha's Oxford Noble, P. 4850, H. C., winner of 1st over Jersey, "bulls from tested dams," May, 1912. Agatha's Oxford Noble is sire of Agatha's Oxford Pansy, 288530, that was sold in our 1913 auction, when 10 weeks old, for \$400, to Mr. Mark W. Potter; she was 1st prize junior heifer calf in a class of 8 entries, at New York State Fair; also first prize at Brockton, Mass., 1913.

OXFORD TRIUMPH, P. 12120, H. C., public butter test, May, 1908, 1 lb. 14 ozs. in 24 hrs., 107 days after calving. She is dam of the bull, Fern's Oxford Noble, P. 5012, H. C. (sire of Sweet Bread's Oxford Fern, 140203, No. 1 of catalog), and of his full brother, Fern's Oxford Noble 2d, P. 5297, H. C., to whom a number of the females of this importation were bred.

OXFORD YOU'LL DO, P. 4075, H. C., winner of 1st prize over Jersey, with his progeny, at the bull show on the Island, April, 1911. This is the most valuable prize and the greatest distinction that can be accorded a bull. He is now at "Linden Grove," where we have a sensational line of his get to prove his prepotency. He has already 22 official test daughters (see notes opposite Pedigree C).

OXFORD KNIGHT, P. 3938, C., sire of 12 tested cows, 5 of them in Register of Merit with year's butter records averaging 575 lbs. 8 ozs., at 5 yrs. 3 mos. old. Six of his tested daughters were imported by "Linden Grove" and sold in our auctions for an average of \$927, at 5½ yrs. old.

OXFORD EVA, 177094, dam of Oxford John D., 90048, whose three Register of Merit daughters averaged 469 lbs. 1 oz. butter in one year, at an average age of 2 yrs. 9 mos.

The daughters of Oxford You'll Do will open the eyes of breeders and capture the hearts of the dairymen. They are of a "finished" dairy type, with wonderful udders, long, well-placed teats, and are deep and easy milkers.

GAMBOGE'S KNIGHT, 95698, A. J. C. C.

(P. 3645, H. C.)

SON OF THE MAGNIFICENT COW, FONTAINE'S OXFORD PRIDE, 187430, A. J. C. C.; GRANDSON OF AGATHA OF OAKLANDS, 162101, A. J. C. C.; AND BY SAME SIRE AS AGATHA'S OXFORD LASS, P. 11386, H. C.

Gamboge's Knight won Second Prize over Jersey (with his progeny), April, 1908. He sold at our 1911 auction for \$6,700, to White Horse Farm, Paoli, Pa., who bought six of his daughters in a single lot at \$1,750 each. Eleven of his daughters, in our 1911 auction, averaged \$1,391.36. Oxford Lad's Granddaughter, sired by Gamboge's Knight, sold in the "Linden Grove" auction, May, 1912, to Hon. E. A. Darling, ex-President of the American Jersey Cattle Club, for \$2,900.

AT THE NATIONAL DAIRY SHOW, CHICAGO, 1911.

Every animal in competition, sired by Gamboge's Knight, did honor to its sire, winning among other prizes:

First Prize for "get of sire." (Three of this group sold in our 1912 auction for an average of \$862.50.)

First Prize for "produce of cow."

First Prize for four cows in milk. (Same cows winning first for "get of sire.")

First and Second Prize yearling bulls (out of dams by Gamboge's Knight).

It is significant of the uniformity of show type combined with dairy quality, in the daughters of Gamboge's Knight, that the SAME FOUR COWS winning First as "Get of Sire" also won First as "Four Dairy Cows in Milk." In the latter class, exhibitors had the privilege of showing four cows sired by as many different bulls, if desired; and we believe this is the first time such a class has been topped by four cows by the same sire.

His son, Oxford You'll Do, won First Prize for bull and progeny at the April, 1911, Bull Show, Island of Jersey. (See front page C.) Sire of 22 cows with official butter tests.

His son, Oxford Knight, P. 3938, C. (full brother to Oxford You'll Do), has twelve butter tested daughters.

He is descended from the great cow, Oxford Lass, P. 3582, C., who is dam of two public butter test cows; two First Prize winners over the Island (one of them Oxford Lad); the great bulls, Caiest and Houpla; and Oxford Ever, dam of Oxford You'll Do, Oxford Knight and Agatha's Oxford Lass.

Butter records made by cows sired by Gamboge's Knight and his sons are coming in so fast it is difficult to maintain a stated total. As this is written, we count 41 tested daughters for Gamboge's Knight, but this number is likely to be "ancient history" next week.

Sire of 41 official test cows, 19 of them with year's records over 500 lbs. butter in 1 year. Twelve of the 19, including the five with the highest tests, were imported by "Linden Grove" and sold in our auctions:

Gamboge's Grey Beauty, 784 lbs. 12 ozs.

Gamboge's Tiddledywink, 722 lbs. 14 ozs.

Gamboge's Fancy Princess, 712 lbs. 9 ozs.

Gamboge's Brownie, 652 lbs.

Gamboge's Areola, 592 lbs. 5 ozs.

Gamboge's Knight is sire of 4 bulls with tested daughters, including:

Oxford You'll Do, P. 4075, H. C., sire of 22.

Oxford Knight, P. 3938, C., sire of 12.

Oxford's Brigadier, 78529, sire of 2 in Register of Merit.

Oxford Boy, P. 3937, C., sire of 1 in Register of Merit.

Gamboge's Tiddledywink (above) was Grand Champion cow at National Dairy Show, 1912, and was on show circuit 2½ months during her year's test.

**Bull.****GOLDEN FERN OF LINDEN, 84011, A. J. C. C.**

(FOR REFERENCE ONLY.)

Son of Golden Fern's Lad, P. 2160, H. C., Retained for Use at "Linden Grove."

His Dam is One of the Very Best Daughters of Golden Lad.

Bred and owned by T. S. Cooper & Sons.

Born April 12, 1907.

Solid color, except black-and-white-switch; white tongue.

In conformation, breeding and quality, Golden Fern of Linden is a substantial representative of his famous sire, and is evidently a bull of high dairy power; proud in carriage; quiet deportment; has a strong "bull" head, with rich, amber horns; and thin, mellow hide covered with short, silky hair; extremely long bodied, with deep, capacious paunch, strong loins, good hips, and great, long, rudimentary teats. A bull of great scale and stamina, carrying close up in his veins the prepotent blood of Golden Lad (Coomassie-Sultane), which is becoming scarce and better appreciated as years go by.

Sire

GOLDEN FERN'S LAD, P. 2160, H. C.
(IMP. GOLDEN FERN'S LAD,
65300, A. J. C. C.)

Winner of 1st prize and Championship, North Club Show, '96 and '97.

Purchased by us for use at "Linden Grove," when 9 years old, for \$2,250.

Sire of a long list of prize winners and tested cows, and his get have commanded among the highest prices ever realized for Jerseys at auction.

Among his butter tested daughters are:

Freedom, public butter test, Tring, England, 2 lbs. 10 ozs. in 24 hours, 140 days in milk; 1st prize over England, Oxfordshire, '99.

Gold Mine, public butter test, Royal Show, England, 4 lbs. 8½ ozs. in 48 hours.

La Foret's Lucille, public butter test, 2 lbs. 2 ozs. in 24 hours.

Lady Dorothy 2d, Bronze Medal, public butter test, Oct., '99, 2 lbs. 8½ ozs., 89 days in milk.

Lottie, public butter test, 1 lb. 14½ ozs., 120 days in milk; 1st over Jersey, '98; 1st over England, '99 and '02.

Linda, public butter test, Tring, England, 1 lb. 14 ozs., 110 days in milk; winner of three 1st prizes over England.

Pearl 4th, public butter test, 2 lbs. 3½ ozs., 35 days in milk; winner of two 1st prizes over Eng.

Zelie 2d, public butter test, '02, 1 lb. 14½ ozs., 90 days in milk.

Abess, public butter test, London Dairy Show, 1 lb. 13½ ozs.

Molly Bawn, public butter test, May, '08, 1 lb. 13½ ozs., 119 days in milk.

Lady Phyllis, public butter test, May, '01, 1 lb. 14 ozs., 127 days in milk.

Golden Fern's Eminence, authenticated test, 436 lbs. 15 ozs. butter in 1 year, 3 years old.

Golden Fern's Red Rose, 23 lbs. 10 ozs. butter in 7 days; 12,290 lbs. milk in 1 year.

Golden Fern's Tulip, 19 lbs. 8½ ozs. butter in 7 days; 11,852 lbs. milk, 597 lbs. butter in one year; 1st and Champion, Indiana, Illinois and Iowa State Fairs, '05.

Rozel of Clearview, 18 lbs. 12½ ozs. butter in 7 days.

Golden Rose of St. Martin, 16 lbs. 13 ozs. butter in 7 days.

Golden Fern's Rainbow, 15 lbs. butter in 7 days. Judging by what the descendants of "Golden Fern's Lad" are doing on the Island and in America, and best of all, the great public butter tests that they are making, and their great popularity among Island, England and American breeders, convinces us that "Golden Fern's Lad" is the most prepotent, most distinguished and pre-eminent Jersey bull that the world has ever produced.

Browny, F. 2002, C.

We imported Golden Lad's Industry, and retained her at "Linden Grove" for the express purpose of securing a son from her by Golden Fern's Lad. She was, without doubt, one of the greatest daughters of Golden Lad, and knowing her quality, we predicted great success for the bull that should combine her blood with that of Golden Fern's Lad. The daughters of Golden Fern of Linden are fulfilling all the expectations.

GOLDEN FERN OF LINDEN, 84011, A. J. C. C.

BY THE CELEBRATED GOLDEN FERN'S LAD OUT OF A DAUGHTER OF GOLDEN LAD. (SEE
OPPOSITE PAGE, "E," FOR HIS PEDIGREE.)

His dam, Golden Lad's Industry, is one of the best daughters of Golden Lad we ever imported, milking at her best 22 quarts, and was retained at "Linden Grove" for the express purpose of getting a son from her by Golden Fern's Lad. She is also dam of Blue Belle's Blue Lad, First Prize and Champion bull at San Antonio International Exhibition, 1900. Her son, Viola's Golden Industry, 90053, was sold in our 1910 auction for \$510, at 15 months old, to Mr. A. G. Woodbury, Danville, Ill.

The dam of Golden Lad's Industry, Oporto, P. 2807, C., is a daughter of Industry, P. 2509, C. Mr. John A. Perree, Secretary Jersey Herd Book, writes: "The Island has never seen better butter cows than the daughters and granddaughters of Industry." Oporto is a granddaughter of Wolseley, P. 401, H. C., who is a grandson of Farmer's Glory, F. 274, H. C. (sire of nine tested cows), and out of Mussy, F. 1152, C. She is the dam of Mussy 2d, 14965, imported by us and sold in our 1882 auction for \$910.

The get of Golden Fern of Linden reflect his inherited right to be an impressive sire, as we predicted he would be; and his calves for beauty and quality are appreciated by Jersey breeders. At Mr. Spann's sale, November, 1911, a five-months-old heifer by him, out of a cow we imported and sold in 1909, sold for \$400, and was pronounced by expert judges the "best heifer calf in the sale." She won First Prize for junior yearling heifers at the West Virginia State Fair, 1912. A yearling daughter of Golden Fern of Linden sold in our 1911 auction for \$500.

His only daughter tried for Register of Merit test, to our knowledge, Linden's Oxford Fern, 293934, is entered in Class A, with 392 lbs. butter in 1 year, as a three-year-old. His son, Fern of Saucon, 100525, is sire of Rachel's Golden Crony, 312583, in Register of Merit (A), 341 lbs. 14 ozs. butter in 1 year, beginning test at 1 yr. 9 mos. old.

His daughter, My Linden Duchess, 299164, was First Prize Senior yearling and Junior Champion, Mississippi-Alabama Fair, 1914; First Prize two-year-old, Senior and Grand Champion, A. J. C. C. Special Grand Champion, Mississippi-Alabama Fair, 1915. Her first calf, Algerian Noble Prince, 131948, won First Prize for senior bull calves at Mississippi-Alabama Fair, 1915.

He has sired a number of other winners. At different times, Golden Fern of Linden has been leased for service in the herds of Hon. A. O. Auten, Jerseyville, Ill.; the Allen Dale Farm Herd, Shelbyville, Ky., and the Undulata Farm Herd, Shelbyville, Ky.

A number of the great cows in this auction have been bred to him, which indicates what we think of Golden Fern of Linden, 84011, here at "Linden Grove."

His sire, Noble of Oaklands, P. 3909, H. C., the distinguished son of Lady Viola, P. 8463, H. C., sold in our 1911 auction sale, with his dam, for a total of \$22,000 for the pair—the record price for Jersey bull and cow at auction.

His dam, Young Jolly Sultane, 269762, A. J. C. C. (Jolly Sultane, P. 11003, H. C.), granddaughter of Sultane, P. 7, H. C., and her nearest living relative—the same relation as Golden Sultana, dam of Sultana's Golden Jolly, Grand Champion bull, National Dairy Show, 1911. (See front page B.) Young Jolly Sultane is a Highly Commended daughter of Golden Jolly, P. 2921, H. C.

**Bull.****NOBLE'S JOLLY SULTAN, 97181, A. J. C. C.**

(P. 4156, H. C.)

Winner of First Prize over Jersey, Bull Show, April, 1910.

First over Jersey and Champion, Royal Show, August, 1910.

FIRST PRIZE BULL, THREE YEARS OLD OR OVER, NATIONAL DAIRY SHOW, CHICAGO, 1911, IN A RING OF EIGHT SUPERIOR ENTRIES,**Defeating Former Champions of 1911 Shows, Including Illinois, Kentucky, Ohio, Michigan and Minnesota State Fairs; Waterloo (Iowa) Dairy Show; and National Jersey Show (Shelbyville, Ky.).**

Bred by J. A. Perree, St. Saviour, Island of Jersey. Born March 25, 1907.

Imported April 3, 1911, by T. S. Cooper & Sons. Solid color; black tongue and switch.

A dairy bull and a proven show bull. As a sire he has demonstrated the prepotency of the "Sultane" blood, and we shall show a line of his daughters in milk at this auction which leave little to be desired. Noble's Jolly Sultan impressed us as few bulls have in recent years, and we feel that we understand the feeling of Mr. Perree, his breeder (who also bred his sire, Noble of Oaklands), who gave the impression, in 1912, that, in his opinion, there is nothing to beat Noble's Jolly Sultan when he "gets his Sunday clothes on."

NOBLE'S JOLLY SULTAN "MADE GOOD"
THIS PREDICTION: not only as a show bull, but as a producer of great dairy cows.

G Bull. JOLLY SULTAN OF LINDEN, 120838, A. J. C. C.

(FOR REFERENCE ONLY.)

Bred by T. S. Cooper & Sons, Coopersburg, Pa.

Born September 15, 1913.

White in forehead, on belly, brisket and four legs; white tongue, tail and switch.

A very handsome bull of exceedingly rich breeding, and of great finish; stylish in carriage as a hackney; strong, masculine head; prominent eyes wide apart; rich, amber horns; fine muzzle; splendid sharp withers; level top line; strong back and loins; good rump and setting of tail; great depth and length of body; fine in bone; thin, mellow hide. He was produced by a union of splendid individuals from distinguished families—BRED FOR A PURPOSE, WHICH SUCCEEDED—concentrating the blood, through two lines, of Golden Sultana and Lady Viola, two of the greatest cows ever owned at "Linden Grove," and that of Oxford Lass, one of the most celebrated cows the Island ever produced. A "show bull."

Sire SULTANA'S GOLDEN JOLLY, 86180, A. J. C. C.

At the National Dairy Show, Chicago, '11, competing against two Cham. winners over the Island and the winners of Championships at eleven of America's most important shows in '11, he won the following:

1st prize in 2-yr.-old class, 6 entries.
Senior Champion bull, 2 years old or over.
Grand Champion bull, any age.
Headed herd winning \$200 Special prize, "bull and 10 females."

Silver Trophy (\$100 Special) for Grand Champion bull.
His only daughter tried for Register of Merit test made 308 lbs. 5 ozs. butter in 9 months of her year's test, beginning at 2 years 5 months old.

He is sire of:
Golden Fern's Jolly, 100629, winner of Grand Championship at Mississippi-Alabama Fair, '13, '14 and '15. (Bred at "Linden Grove.")
Sultana's Vernonia, 1st prize heifer calf and one of 1st prize calf herd, National Dairy Show, '11. (Bred at "Linden Grove.")
The Owl's Golden Jolly, 2d pr. senior bull calf, and head of 1st prize calf herd, National Dairy Show, '11. (Bred at "Linden Grove.")
Sarah's Sultana, 1st prize yearling bull, Tennessee State Fair, '14. Sold in our '14 auction for \$610.
St. Helier's Jolly Sultana, 1st prize junior yearling heifer, '13 entries, Mississippi-Alabama Fair, '14. (Bred at "Linden Grove.")

The Owl's Golden Jolly, 2d pr. senior bull calf, and head of 1st prize calf herd, National Dairy Show, '11. (Bred at "Linden Grove.")
Sarah's Sultana, 1st prize yearling bull, Tennessee State Fair, '14. Sold in our '14 auction for \$610.
St. Helier's Jolly Sultana, 1st prize junior yearling heifer, '13 entries, Mississippi-Alabama Fair, '14. (Bred at "Linden Grove.")

Dam SULTANA'S GOLDEN VIOLA, 240363, A. J. C. C.

Full sister to the "Linden Grove" service bull, Viola's Sultana, 96385, recently sold to Mr. Edwin H. Hatch, Maplewood, N. J.
Her grandam, Lady Viola, P. 8463, H. C., is dam of Noble of Oaklands, 95700, who sold in our May, '11, auction, for \$15,000, and has 21 tested daughters.

Viola's Golden Jolly, 79314, A. J. C. C.
Full brother to Golden Jolly's Lady Viola (below).

Golden Sultana, 146282, A. J. C. C.
(See below.)

Sultana's Oxford Lad, 76506, A. J. C. C.
Sold in our May, '10, auction for \$11,100. At same time his dam, the distinguished Golden Sultana, sold for \$3,700. He now heads the Jersey herd at Elmen-dorf Farm, Lexington, Ky., owned by Mr. Jas. B. Haggin. His dam was bought by Mr. M. S. Beltz-hoover for his choice herd at "Roch-roane," Irvington, N. Y.

Sire of 4 in Register of Merit, and of a bull with 4 in Register of Merit.

His son, Elvirian Lad, has been shown successfully by Elmen-dorf Farm, winning 1st prize at Illinois State Fair in a class of 9 yearling bulls, and was later awarded Grand Championship for bulls of all ages in '13.
The late Mr. A. M. Bowman, who was one of the last bidders on Sultana's Oxford Lad when he sold for \$11,100, often regretted that he did not get this great sire.

Golden Jolly's Lady Viola, 203669, A. J. C. C.
(Poppy Viola, P. 10912, H. C.)

Winner of Bronze Medal in public butter test, Oct., '05, making the phenomenal record of 1 lb. 15 ozs. of butter in 24 hours, when 159 days in milk and only 30 mos. old. (This is considered the most remarkable record, considering age and period of lactation, ever made on the Island.) She made a private record of 2 lbs. 9 ozs. in 24 hours.

She was sold in our May, '07, auction for \$675, and we re-bought her in Mr. Overton's sale, '08, for \$2,250 (Dr. C. E. Still, Kirksville, Mo., being the contending bidder).

Full sister to Viola's Golden Jolly, 79314, sire of Sultana's Golden Jolly, 86180 (as above).

Oxford Lad, P. 3123, H. C.
1st State's prize over the Island, Apr., '03. Sire of 25 butter tested cows.

The progeny of Oxford Lad have been the sensation of recent sales, four sons having sold at an average of \$6,025 and twenty-five cows at an average of \$1,177 during 3 years.

Sons of Oxford Lad have realized world's record prices at auction.

Sire of the great bulls, Majesty, Lucy's Champion and Sultana's Oxford Lad, the latter selling at our '10 sale for \$11,100.

Sire of 42 tested cows, including Oxford Cocotte, 235180, 724 lbs. 15 ozs. butter in one year; she was sold in our '11 auction for \$1,700 to Bowmont Farms. Oxford Lad has 18 sons with tested daughters. He spent his last days at "Linden Grove."

Golden Sultana, 146282, A. J. C. C.
3d pr. at the great St. Louis Show (24 entries), Sept., '04, and sold in the ring for \$2,350. Sold in our May, '10, auction for \$3,700 (see above).

Dam of the sensational bull, Sultana's Golden Jolly. Full sister to Sultane's Snowdrop, P. 8578, H. C., a famous show cow, and dam of Sultan of Oaklands, P. 3746, H. C.

Golden Jolly, P. 2921, H. C.
1st and Champion, North Show, '00. Sire of 24 tested cows. Sire of Viola's Golden Jolly, sire of Sultana's Golden Jolly (as above), and 9 other producing bulls.

Lady Viola, P. 8463, H. C.
Sold in our May, '11, auction for \$7,000. 1st over Jersey, '04. 1st over Jersey and Champion, '05.

Dam of Noble of Oaklands, sold for \$15,000. Miss Viola, P. 9644, H. C., Certificate of Merit, butter test, May, '05, 2 lbs. 15 ozs., 39 days in milk. Willoh's Rosy, P. 10444, H. C., public butter test, 3 lbs. in 24 hrs.

Viola's Golden Jolly, sold in our '09 auction for \$12,000; sire of 9 in Register of Merit.

Goddington Bagatelle, 1st prize young cow, open class, 16 entries, Bath and West of England Show, '12; public butter test, 1 lb. 6 ozs.

Goddington Noble, valued by his former owner, A. Miller-Hallett, at \$11,500; imported by "Linden Grove" for Elmen-dorf Farm, Lexington, Ky.

Champion Flying Fox, 61441, A. J. C. C.
(Flying Fox, P. 2729, H. C.)

Champion winner over the Island, Aug., '99. Sold at our auction sale, May, '02, for \$7,500. In same sale, three of his heifers on first calf averaged \$933.

Sire of Oxford Vixen, 2 lbs. 2½ ozs., 49 days in milk. Fox's Belle of Grouville, 21 lbs. 3 ozs. Flying Fox's Rowena, 17 lbs. 2½ ozs.

Flying Fox's Pearl, 15 lbs. 7 ozs. Flying Fox's Brown Belle, 15 lbs. 3 ozs. Fox Glove, 2 lbs. 8½ ozs. in 24 hours. And 20 other tested cows.

A Bull That Stands in a Class by Himself!

THE LAST CALF FROM GOLDEN BEATRICE 2d, 162060, AND HER ONLY SON BY SULTANA'S GOLDEN JOLLY, 86180.

(Names Known Around the World.)

Golden Beatrice's Sultan, 121193

(SEE PEDIGREE H)

SULTANA'S GOLDEN JOLLY, 86180

HIS PEERLESS SIRE

A Grand Champion Winner and the Sire of Grand Champions.

The handsomest and best bred bull ever owned at "Linden Grove." He is the admiration of all breeders, and is not for sale at any price. He was shown only once, when he won the following prizes at the NATIONAL DAIRY SHOW, held at Chicago, November, 1911:

First Prize in two-year-old class.

Senior Champion bull two years old or over.

Grand Champion bull, any age.

Special Grand Champion bull, any age.

Grand Champion bull bred by exhibitor, winning Gold Medal awarded by the American Jersey Cattle Club.

Headed First-Prize Special Herd (\$200) for bull and ten females; and sired the First-Prize Calf Herd.

(Have such honors ever been bestowed upon any other bull of any breed?)

One of his sons, Golden Fern's Jolly (bred at "Linden Grove"), has been Grand Champion at the Mississippi-Alabama Fair for the past three years. In 1914, the judge, Mr. C. T. Graves, after placing the purple on Golden Fern's Jolly, said: "This is the most outstanding bull I have seen for years," and advised his owner, the late Capt. J. H. Wright, to take him to the National Dairy Show, "the greatest cattle show in all the world," for "no man had a better chance to win."

PATRONIZED BY AMERICA'S LEADING BREEDERS.

Ex-President Darling of the American Jersey Cattle Club, Messrs. Ayer & McKinney, Mr. R. A. Sibley and Hon. R. J. Fleming are among the many breeders who have had great cows bred to Sultana's Golden Jolly. Hon. J. O. Terrell of Texas refers to him as "a triumph of the breeder's art." Such patronage is worthy of consideration by the many beginners and breeders of less experience who are "seeking the light."

The value of Sultana's Golden Jolly as a breeder and show bull can be estimated only by comparison with the value that Golden Fern's Lad has been to the Jersey interest at large. His sons and daughters will be especially valuable for the foundation and reinforcement of high-class herds. Consider his dam, the illustrious GOLDEN SULTANA; and knowing what the Jersey world does know of his sire, VIOLA'S GOLDEN JOLLY, and his grandsire, GOLDEN FERN'S LAD, and his sensational grandam, LADY VIOLA, we think his value has not been overestimated.

GOLDEN BEATRICE 2D, 162060

HIS SENSATIONAL DAM

Rate, 18 Lbs. 6 Ozs. Butter in 7 Days—22 to 24 Qts. Milk Daily

THE DAM OF MORE HIGH SELLING CALVES THAN ANY COW IN THE WORLD. Ten of her get sold from "Linden Grove" for an average of \$744.25, at an average age of 10 months. (All by different sires.)

Her daughter, Gamboge's Beatrice, 268590, sold in our 1912 auction at 8 months old for \$625 to Messrs. Ayer & McKinney, entered the Register of Merit, Class A, AS A TWO-YEAR-OLD with nearly 400 lbs. butter in 1 year.

Her son, Flying Fox's Golden Prince, 62437, sold in our 1902 auction to the late Hon. A. M. Bowman, has 9 tested daughters, one of which (Golden Prince's Irene) tested as a THREE-YEAR-OLD, 687 lbs. 15 oz. butter in one year, 11,440 lbs. 11.2 ozs. milk. He also has 6 granddaughters in the Register of Merit—the blood "breeds on."

Her daughter, Eminent's Golden Beatrice, 203992, sold in our 1907 auction at 16 months old for \$1,460, to Mr. Alfred G. Vanderbilt, Newport, R. I., for whom she produced some excellent prize winning stock.

Her 1913 calf, Beatrice's Handsome Noble, 121098, sold in our 1914 auction to go to New Zealand—14,000 miles, the greatest distance we have ever shipped a bull.

Golden Beatrice 2d is one of the best and handsomest cows ever owned at "Linden Grove." She is now in her eighteenth year, has been a regular breeder, and is again safe in calf. When fresh she has repeatedly milked 24 qts. per day. Large and tempting offers have been made for her, but we have always declined to name a price on her. Mr. Geo. E. Peer always told us that Golden Beatrice 2d appealed to him as the best imported cow he ever saw.

Golden Beatrice 2d is a DOUBLE GRANDDAUGHTER OF GOLDEN LAD, with 50 per cent. of his blood, the same as the World's Champion VESTA'S DAISY, referred to further on. Golden Lad has six sons with daughters in the Register of Merit, three of them imported by "Linden Grove" and sold in our auctions. He has 16 or more grandsons with daughters in the Register of Merit. GOLDEN FERN'S LAD IS HIS DOUBLE GRANDSON. His son, Mon Plaisir (imported by "Linden Grove" and sold for \$3,500) produced the sire of Vesta's Daisy (sold in our 1912 auction for \$2,700), winner of Gold Medal in public butter test—3 lbs. 11½ ozs. of churned butter in 24 hours—THE WORLD'S RECORD FOR CHURNED BUTTER IN PUBLIC TEST. Golden Lad's son, Golden Lad's Champion (imported by "Linden Grove" and sold in our auction) sired the dam of Vesta's Daisy.

WHAT A MOTHER FOR A HERD BULL!

GOLDEN BEATRICE 2d, 162060, A. J. C. C.

(P. 8236, H. C.)

18 LBS. 6 OZS. BUTTER IN SEVEN DAYS, 22 TO 24 QUARTS MILK PER DAY.

DAM OF THE SPLENDID BULL, GOLDEN BEATRICE'S SULTAN, 121193, A. J. C. C. (SEE OPPOSITE PAGE FOR HIS PEDIGREE.)

(Golden Beatrice 2d is still in the "Linden Grove" herd, 18½ years old, and safe in calf to Oxford You'll Do, P. 4075, H. C.)

Golden Beatrice 2d is one of the best and handsomest cows ever owned at "Linden Grove." She tested in May, 1904, 2 lbs. 10 ozs. butter in 24 hrs. from 48 lbs. of milk, at the rate of 18 lbs. 6 ozs. per week. She could with comfort, make 3 lbs. of butter per day. When fresh she has repeatedly given 24 qts. milk per day. Large and tempting offers have been made for her, but we have always refused to name a price on her. She is a daughter of Golden Beatrice, sold in our 1901 sale to Mr. George Vanderbilt, Biltmore, N. C., for \$1,400, and who tested for him 22 lbs. in 7 days; 89 lbs. 5 ozs. in 30 days. Mr. George E. Peer always told us that Golden Beatrice 2d appealed to him as the best imported cow he ever saw.

Two daughters and a son of Golden Beatrice 2d have been sold in our auction sales for an average of \$1,093. They were all by different bulls; viz., Eminent 2d, Stockwell and Viola's Golden Jolly. Her son, Beatrice's Stockwell, who sold in our 1908 auction for \$800, afterward fetched \$2,100 in the Kinloch Farm sale. Five of her progeny have been sold for an average of \$959.

Golden Beatrice 2d is dam of Flying Fox's Golden Prince, 62437, a bull sold in our 1902 auction to the late Hon. A. M. Bowman. Flying Fox's Golden Prince has 9 tested daughters, 8 of them in Register of Merit, one of which (Golden Prince's Irene) tested as a 3-year-old, 687 lbs. 15 ozs. butter, 11,440 lbs. 11.2 ozs. milk, in one year.

Golden Beatrice 2d is dam of Gamboge's Beatrice, 268950, who was sold in our 1912 auction, when 8 months old, for \$625, to Messrs. Ayer & McKinney, in whose "Meridale Farms" herd she has made the Register of Merit, commencing test at 2 yrs. 5 mos. old, with 393 lbs. 8 ozs. butter in one year. (An economic test, no preparation or forcing.)

Golden Beatrice 2d, is a double granddaughter of Golden Lad, P. 1242, H. C., with 50 per cent. of his blood. Golden Lad has six sons with daughters in the Register of Merit, three of them imported by "Linden Grove" and sold in our auctions. He has sixteen or more grandsons with daughters in Register of Merit on yearly authenticated butter tests. His son, Mon Plaisir, P. 2548, H. C., is grandsire of Imported Vesta's Daisy, 269760 (sold in our 1912 auction for \$2,700), winner of Gold Medal in public butter test on the Island of Jersey, May, 1911, making 3 lbs. 11½ ozs. butter in 24 hours—the **WORLD'S RECORD FOR YIELD OF CHURNED BUTTER** in public butter test.

Bull.

GOLDEN BEATRICE'S SULTAN, 121193, A. J. C. C.

(FOR REFERENCE ONLY.)

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born December 10, 1914.
Solid color, except a few white spots in forehead;
black tongue and switch.

Of all the bulls borne by Golden Beatrice 2d, we prize this one most highly, not from sentiment, but because he is worthy individually to succeed his lamented sire. Stylish in carriage and as proud as a hackney; a splendid type of wonderful stamina; body of great length, very deep at middle, and with great heart girth; a "bull" head that his sire could not deny, thoroughly masculine, broad and dished, with bright "pop" eyes and neatly turned horns; already developing a prominent crest; back straight and strong to root of tail, which is set like that of Golden Fern's Lad; hide richly colored, thin and elastic; symmetrically put together, rugged, and shows his splendid breeding in a poise that is due to his aristocratic inheritance.

Sire
**SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.**

SOME "BULLY" TESTIMONIALS FROM CANADA TO TEXAS

CANADA

Mr. John Pringle, manager of the Bank of Toronto, London, Ont., Can., writes under date of February 10, 1916:

Dear Mr. Cooper: A visitor, after careful inspection of You'll Do's Majesty, 126792, the bull I got from you, said that if we gave him the care he should have he would surely "beat them all" this fall unless something comes out which he has not seen. From the bull barn we went to see the heifers. He selected one he liked, and asked the price. I replied that "last week the price was \$200, but that she had been since bred to You'll Do's Majesty and that now the price was raised." He took her. In view of what **our friends** say of the purchase of this youngster, I am more than anxious that he should make good. I thought it would be of some interest to you, to know just how he impressed the first Canadian breeder who saw him.

Yours truly,
JOHN PRINGLE.

VERMONT

Mr. Henry Welch, whose farm is at West Pawlet, Vermont, writes under date of February 17, 1916:

My Dear Mr. Cooper: The bull, The Sultan of Saucen, 121099, came through all right, in good condition, and I am more than pleased with him. He is simply superb. I have been thinking that you must have made a mistake and sent me the best bull you had at "Linden Grove." If you have better ones, I want to come and see them. Every one who has seen the bull admires him—calls him a show bull. I have been studying his breeding, and it seems to me he is carrying the blood of the very best strains of the breed. I have a bunch of heifers from good dams, and sired by Financial Daisy's Noble (a bull that you once owned), and by breeding them to this bull I am looking for great results. If I do not get some fine stock, then there is no use in paying attention to strains of blood.

I want to thank you for the way you have treated me in this deal. You have done better by me than I expected. I had heard and read much about "Cooper" and his way of dealing, and felt that you would do better by me than I could for myself—and you certainly did. Today, money would not buy this bull.

Respectfully yours,
HENRY WELCH.

MASSACHUSETTS

Mr. U. G. Groff, Amherst, Mass., under date of February 18, 1916, writes:

Dear Mr. Cooper: The bull, Nursie's Noble Oxford, 121957, arrived safely and on time. He pleases me, and all who have seen him. His pedigree and your description suited me better than anything I had seen advertised. Now that he is here before me, I am satisfied that he is "the one bull among them all" for me. I have some "real dairy cows," and look for "Oxford" to sire some much better ones from them. Thanking you for sending me such a magnificent animal, and hoping that we may meet at the show this fall, I am,

Yours very truly,
U. G. GROFF.

NEW JERSEY

Oaklands Combination, 120893, A. J. C. C., a yearling grandson of Combination, P. 3744, H. C., and out of a public butter test daughter of Willloh's Rosy, P. 10444, H. C., was sold to Mr. Edward Clark, Pompton Plains, N. J., who writes under date of July 26, 1915:

"Oaklands Combination arrived safely and in good condition. He is the handsomest young bull that I have ever owned. I am very much pleased with him indeed, and think him a great bargain."

IOWA

The Penclerick Sisters, managers of the Maple Park Dairy Farm, owned by Mrs. Fanny W. Emeny, Eldora, Iowa, under date of February 9th, write:

Dear Sir: Faun Sultan of Oaklands, 129192, arrived January 31st and is beginning to get used to us. He is very gentle and good natured. We are very much pleased with him. He is just "beautiful all over." We believe he will be a blue ribbon winner some of these days. Dr. and Mrs. Emeny are also very much pleased with him.

Very truly yours,
PENCLERICK SISTERS.

Dr. H. W. Emeny wrote on April 15th as follows: "Faun Sultan of Oaklands has done very well since he arrived here; has become accustomed to this climate and his present surroundings; is doing very nicely at present, and is a very fine animal. I want to assure you that we like him very much and feel entirely satisfied with him. We appreciate very much your confidence in us as one of your customers, and especially since 'Faun Sultan' has arrived, we have absolute confidence in you and your stock."

In July 1915, we shipped a young bull to Mr. D. W. Rich, Mt. Pleasant, Iowa, named Cowslip's Fern, 121686, grandson of Cowslip 16th, P. 6084, H. C., with Noble of Oaklands and Oxford blood on sire's side. Under date of July 11th, Mr. Rich writes:

"The young bull from 'Linden Grove' arrived this morning in good condition, and I wish to thank you. The two characteristics that struck me at first sight were his soft mellow hide and his fine dairy type. I am more than pleased with him. If he does not make a sire of good dairy cows, I shall be mistaken. He is so good at withers, has such a strong straight back, and his hind quarters are about as good as any I have ever seen. Then he shows good development of veins and milk wells. I was so anxious he should have a strong straight back and good rump, as well as thin withers, that you can be sure I am more than pleased, as in these points he is about the best I have seen. He is cut out nicely at the thighs."

TEXAS

Mr. R. A. Forsyth, Carthage, Texas, under date of March 20, 1916, writes:

Gentlemen: Oxford King of the Manor, 122753, the bull you shipped to me, is developing into the handsomest big rugged fellow the Jersey fanciers of this country ever had the occasion to mate their cows with. They are showing their appreciation by forcing me to turn some one off almost daily who has brought a cow for service at a good fee.

Yours very truly,
R. A. FORSYTH.

Mr. M. J. George, Burleson, Texas, under date of March 6, 1916, writes:

Dear Sir: The bull, You'll Do of Linden, 122757, arrived in good shape, and just as you said, is a "dandy." But he is so much larger, so much better colored, and his general makeup is so much better, than I expected, that I am more than pleased. I want to thank you for fair and honorable dealing. But knowing your reputation, I felt I was more than safe in your hands. The bull is doing finely. People all along the road for fifty miles have taken much interest in him. I did not show him at the stock show, as he was a little sore after his trip, but I really believe I could have won the Grand Championship with him. I like him so well that if I could not get another of the same blood and individuality I would not part with him for three times the price you charged. I regard him as the best bull in north Texas, and am proud to recommend anyone wanting cattle to buy from you "sight unseen." Please pick me out a foundation herd to mate with this bull. I would rather have your judgment than my own. I think more of the bull every time I see him, and think he is easily worth a thousand dollars.

Very truly yours,
M. J. GEORGE.

ORDER OF SALE.

It is our intention to follow the order of catalog in selling, as far as practicable, with exception of the bulls. Bulls whose dams are in the sale will be sold when the dams are led out; and the others will be offered, as nearly as expedient, in connection with the families they represent.

No. 1. Bull.

SWEET BREAD'S OXFORD FERN, 140203, A. J. C. C.

(Sweet Bread Lord, P. 5299, H. C.)

Bred by Joseph Hamon, Trinity, Island of Jersey.
Born July 14, 1914.
Solid color, except part of brisket white; spot on belly; black tongue and switch.
Imported August 5, 1915, by T. S. Cooper & Sons, Coopersburg, Pa.

A splendid young bull, of wonderful development for age; stylish, symmetrical, with very deep, long, well ribbed body, set on short, clean legs; fine head, like that of Tormentor at same age; very deeply dished face, with bright eyes; back straight and strong; splendid hind quarters; beautifully set "whip" tail, with splendid black switch. Good judges are requested to look him over and find out if he is not something of a "show" bull.

Sire

FERN'S
OXFORD NOBLE,
P. 5012, H. C.

In service in the herd of his breeder, Mr. J. A. Perree, Secretary of the Island of Jersey Herd Book Society.

His opportunities and his inheritance forecast for him a brilliant future.

He is sire of Mrs. Nelle Pabyan's excellent young bull, Fern's Noble of River Bank, who made such a good showing in "hot" company at last season's shows.

His sire has produced many prize winners, and is a son of the celebrated Noble of Oaklands, who, with his dam, Lady Viola, sold in our '11 auction for \$22,000.

Lady Viola had four public butter test daughters, and is herself a public test cow, 2 lbs. 12 ozs. in 24 hours. One of her daughters is the dam of five official test cows, and she has two sons with 46 official test daughters.

Dam

THE SOUTH SPEAKS OUT

FOR THE BLOOD OF THE PEERLESS CHAMPION BULL

SULTANA'S GOLDEN JOLLY

86180, A. J. C. C.

(Bred and Owned by T. S. Cooper & Sons, Coopersburg, Pa.)

THE HANDSOMEST AND BEST BRED BULL EVER OWNED AT "LINDEN GROVE."

Read the following letter from the late Capt. J. H. Wright, a Mississippi banker and pioneer Jersey breeder of the South. Note that he reached the heights of success with a son of Sultana's Golden Jolly, and with the daughters of another "Linden Grove" bull. Read opinions of such leading judges as Graves, Warren, Gettys, Spann, Butler—that under them,

THE BLOOD OF "LINDEN GROVE" DEFEATS THE ISLAND CHAMPION.

J. H. Wright, Pres.

THE GUARANTY LOAN, TRUST AND BANKING COMPANY,
MERIDIAN, MISSISSIPPI.

Messrs. T. S. Cooper & Sons, Coopersburg, Pa.:

Meridian, Miss., August 3, 1915.

Gentlemen—Noticing your reference to Golden Fern's Jolly in your advertisement in The Jersey Bulletin, I thought you may be interested to know that Dr. Tait Butler, of Memphis; Mr. Sam N. Warren, Mr. W. Gettys, Mr. W. K. Spann and others have expressed themselves about as strongly as Mr. Graves did. I am sending you a clipping from a local paper, which covers pretty well what occurred. The next day I said to Mr. Graves that he had cut out quite a contract for me—to win both classes at the National Dairy Show—to which he replied: "Well, you know I have judged there, and I know about all the cattle that will be there, and I tell you that it is my judgment that you can win both with the bull and the cow."

It may be also interesting to you to know that both the cows referred to by Mr. Graves—Merry Gold of Millbrook, 180411, and Golden Massie, 181759—are daughters of another bull bred at "Linden Grove," to wit: Golden Lad's Guaranty, 60495. (I send you their records.) Many other noted judges have said they never have seen better cows anywhere. In 1912, in a class of seventeen fine cows, Mr. Sam N. Warren gave them first and second; while the imported Tri-State Grand Champion (she having beaten several other noted herds, and all of the Tennessee herds) was placed third to my two.

Very truly yours, J. H. WRIGHT.

IT ALL SHOWS WHAT AMERICAN BREEDERS CAN DO WITH THE RIGHT KIND OF FOUNDATION

PEN PICTURE OF THE TRIUMPH OF THE SON OF SULTANA'S GOLDEN JOLLY, 86180, OVER THE GREAT ISLAND BRED BULL.

(Newspaper account of the Mississippi-Alabama Fair.)

It was an inspiring sight to see the beautiful Jerseys on the track in front of the grand stand under the electric lights.

The most intense interest centered around the bull senior championship. Mr. McBeath's Beechwood Inauguration, Captain Wright's Golden Fern's Jolly and Black Belt Stock Farm's Campanile's Golden Fern were led out before the judge. Three magnificent bulls they are and as they stood there with proud and defiant carriage, the crowd of many thousands watched every movement of the judge. Quickly the contest settled down between the lordly imported and prize winning Campanile's Golden Fern and Golden Fern's Jolly. After the most critical inspection the judge called up the breeders who had assembled on the track and said, "Gentlemen, there can be no doubt where this championship should go." Pointing to Captain Wright's Golden Fern's Jolly, he continued:

"This is the most outstanding bull that I have seen for years," and then he requested that the crowds be megaphoned, and he urged and insisted that Captain Wright should send this great bull and his two wonderful cows to Chicago to the National Dairy Show, the greatest cattle show in all the world—assuring them that no man had a better chance to win.

When one realizes that C. T. Graves represents about all Jersey knowledge, it makes one feel that Meridian has a Point Comfort 14th or two.

A reporter of The Star heard Dr. Tait Butler, of Memphis, himself a well-known judge, say to a group of gentlemen that he regarded C. T. Graves the most competent judge of dairy cattle in America. Praise from such a source is praise indeed, and Captain Wright may well feel gratified over the possession of such cattle.

TWO GRAND CHAMPIONS OF THE SOUTH OF "LINDEN GROVE" BLOOD. (Both Owned by Capt. J. H. Wright, Meridian, Miss.) GOLDEN FERN'S JOLLY, 100629. (Bred at "Linden Grove.")

First prize over two years and under three; also senior champion and grand champion, Mississippi-Alabama Fair, 1913, W. R. Spann, judge.

First prize and head of the first prize herd; also senior champion and grand champion, Mississippi State Fair, 1913, Wm. Gettys, judge.

First in Class and head of first prize herd; senior champion and grand champion and winner of the American Jersey Cattle Club's gold medal, Mississippi-Alabama Fair, 1914, C. T. Graves, judge. (The biggest show at any State fair in the United States, except one, for the year—136 head.) Mr. Graves called him the most outstanding bull that he had seen for many years and urged and insisted that he be sent to the National Dairy Show, Chicago, with every chance to win.

MERRY GOLD OF MILLBROOK, 180411. (Sire bred at "Linden Grove.")

First and champion, Mississippi-Alabama Fair, and member of the first prize herd, 1911, Dr. Tait Butler, judge.

First, sweepstakes and champion, Mississippi State Fair, and member of the first prize herd, 1911, L. E. Frost, Tait Butler and W. B. Sivley, judges.

First in class, 17 entries, including the grand champion at the Tri State Fair, Memphis; also champion and grand champion and winner of the American Jersey Cattle Club's gold medal; also member of the first prize herd Mississippi-Alabama Fair 1912, Sam N. Warren, judge.

First prize, senior champion and grand champion, Mississippi State Fair, 1913, Wm. Gettys, judge.

First prize, senior and grand champion and winner of the American Jersey Cattle Club's gold medal for the second time, Mississippi-Alabama Fair, 1914, C. T. Graves, judge. Mr. Graves insisted that she be sent to the National Dairy Show, Chicago, and pronounced her "wonderful."

WHY GO TO THE ISLAND? JUST AS WELL BUY AT THE FOUNTAINHEAD.

THE BLOOD OF "LINDEN GROVE" JERSEYS DOMINATES THE SHOW RING AND BUTTER TESTS.

COMBINATION'S
ASHLEY BELLE,
288008, A. J. C. C.
(PRINCESS)ORLET,
P. 16494, H. C.)

Sold in our '13 auction for \$1,000.

A powerful cow, with great, deep, wedge-shaped body, and of handsome mold; immense girth, splendid hips and loins, and strong, straight back; a sweet dishd face, with big, expressive eyes; clean cut flat neck; tail thin, well set, with abundant white switch; just about perfect in shape, full in front and attached high behind; and one seldom sees such long and uniformly sized teats on a cow, and so well placed.

A great cow, of great scale, beauty, dairy power and breeding.

Viola's Golden Jolly 79314, A. J. C. C.

Imported by us and sold in our '09 auction for \$12,000, to Kinloch Farm, who sold him two years later for \$13,000.

Sire of 9 in Register of Merit.

TRIAL'S SULTAN, 126793, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.

Born September 9, 1914.

Solid color, except white brisket; white tongue; black switch.

A stylish grey, with every indication of being a great dairy bull. Strong constitution and vitality; great length and depth of body; clean shoulders and good withers; splendidly ribbed barrel; strong, broad muzzle; a clean-limbed, highly bred bull; loose, mellow hide.

Sire
**SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.**

The handsomest and best bred bull ever owned at "Linden Grove." He is the admiration of all Jer. breeders, and is not for sale at any price. The question has quite often been asked, "What would Sultana's Golden Jolly bring on the Island?"

His show-ring record we believe is not equaled by that of any bull of any breed:

First prize 2-year old, Senior and Grand Champion; Special Grand Champion; A. J. C. C. Gold Medal for Grand Champion bull bred by exhibitor; head of 1st prize Special herd; and sire of the 1st prize calf herd at National Dairy Show, '11.

He is 75 per cent. same blood as Fern's Viola, the highest testing daughter of Viola's Golden Jolly, who made 672 lbs. butter in 10 mos. of her year's test.

His only daughter tried for Register of Merit made 377 lbs. 8 ozs. butter in 1 year, as a two-year-old.

His son, Golden Fern's Jolly, was Grand Champion bull at the Mississippi Alabama Fair three years in succession, and has sired numerous winners.

His daughter, Sultana's Vernonia, was 1st prize heifer calf at National Dairy Show, '11.

Sire of many other winners.

No. 6. Bull.

THE OWL'S OXFORD YOU'LL DO, 122759, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born March 4, 1914.

Solid color; black tongue and switch.

A very rich dark fawn, of wonderful dairy type, great stamina, and splendid development; bright, sparkling eyes; very strong, level back; great depth and length of body, and unusual heart girth; hind quarters perfectly fashioned, finished with a beautifully set tail, with generous black switch.

He has an exceptionally strong inheritance of high testing blood—families that we have known long and favorably, and which have "made good" not only at "Linden Grove," but in the herds of others. He traces twice to Oxford Lass, whose two public test daughters were imported by us, and whose two First Prize winning progeny—Oxford Lad and Flying Fox's Oxford Lass—were both owned here. We now have her granddaughter and others of her descendants.

He goes four times to Rosette 5th, the dam of Flying Fox, who has MORE SONS WITH TESTED DAUGHTERS THAN ANY SIRE OF ANY BREED.

Sire

OXFORD YOU'LL DO,
P. 4075, H. C.

Winner of 1st pr. over Jer., with his progeny, at the bull show on the Island, April, '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

Full brother to Oxford Knight, P. 3938, C., sire of 12 butter test cows, and of other prize winners.

Imported by "Linden Grove" and registered as Imported Oxford You'll Do, 111860—not for sale.

He is sire of the bull winning Grand Championship at Indiana State Fair, '15, and sold in our auction for \$525.

His daughter, You'll Do's Favorite, sold in our '14 auction as a 3-year-old for \$500, now under year's official test, will make nearly, if not more than, 900 lbs. butter.

His daughter, Golden Oxford Ivy, won 1st prize in her class (76 entries) and the Theatre Challenge Cup (Championship over the Island) at the Royal Show, May, '15; she also won 1st prize in her class (68 entries) at Royal Show, May, '14.

Nineteen of his progeny, in our '14 auction, sold for an average of \$683.42, including 8 not in milk, 4 of them being bull calves.

No living sire has put the stamp of CAPACITY—a highly finished DAIRY TYPE—more unerringly on his daughters than has Oxford You'll Do, P. 4075, H. C.

(See front pages for his extended pedigree.)

Dam

THE OWL'S
DUCHESS OF
ST. SAVIOUR,
203629, A. J. C. C.
(BAY LEAF 11th,
P. 8123, C.)

One of the greatest dairy cows in the "Linden Grove" herd, and has milked as high as 24 qts. daily.

Her son, The Owl's Golden Jolly, 100180, headed the 1st prize calf herd (all sired by Sultane's Golden Jolly), 5 entries, and was 2d prize bull calf, 8 entries, at National Dairy Show, '11.

The Owl's Golden Jolly sold in our '12 auction for \$675, at 16 months old.

Her yearling heifer, The Owl's Mona, 240365, sold in our '11 auction to Mr. Ed. C. Lasater, of Texas, for \$330, and won 1st pr. at the Nat. Dairy S. Chicago, Nov., '11, in a class of 8 superior calves.

The Owl's Mona qualified for Register of Merit, Class A—413 lbs. 4 ozs., at 4 yrs. 4 mos. old.

Fontaine's Bay Leaf, 195776, out of same dam, sold in our '06 auction for \$700, at 5 yrs. old.

The Owl's Jolly Duchess, 286111, sold in our '14 auction, at 15 months old, for \$450.

The Owl, P. 2195, H. C. 1st p., St. Saviour, '95. 2d pr. over Jersey, '95, '96.

1st pr. over Jersey, '97. Scored 92 points.

At our '01 auction, three daughters of The Owl, all we had, averaged \$600 each. Two of them afterward won 1st prize in their class at West Virginia State Fair.

He is sire of Mr. R. A. Sibley's Spermiel Owl, 57088, whose 49 Register of Merit daughters include Spermiel Owl's Eva, 1,168 lbs. 8 ozs. butter in one year.

The Owl's Oxford Daisy made 759 lbs. butter in one year; she is dam of 2 butter test cows, including the highest testing daughter of Flying Fox.

Bay Leaf 9th, P. 6460, C.

Comes from a celebrated family. Bay Leaf 10th is dam of Bay Leaf 20th, P. 10432, H. C., 2d over Jer. and Par. prize, May, '04; and granddam of Bay Leaf 33d, P. 12686, C., public butter test, May, '08, 1 lb. 4 1/2 ozs., when 277 days in milk (about nine months) and only two years old.

By same sire as Reminder, P. 2052, C., sire of 7 butter test cows.

Morion, P. 1690, H. C.

Sire of Eagle, P. 6736, H. C. (now named Morion's Sultane, 162115, and sold in our '02 auction), winner of Par. pr., May, '01. Dam of Eminent's Lady Sultane, 171946, butter test, 20 lbs. 2 ozs. in 7 days; dam of Karan's Eminent, 84035, 1st pr. two-year-old bull, Louisiana State Fair, '10. Oxford Orange, P. 6361, C., a magnificent dairy cow; dam of Fern's Oxford Orange, sold in our '07 sale for \$2,900.

Full brother to Pioneer, P. 1602, H. C., 1st over Jersey, '91, '92; sire of Nuriel, 1st over Jer., 1st H. B. and Par. pr., '00; Lady Clair, 3d H. B. and Par. pr., '00; Pensce, Certificate of Merit, '00, butter test, 2 lbs. 1 1/2 ozs.

Solid color, except spot in forehead and white
stiffles; black-and-white tongue; black switch.
Very vigorous and rugged; good head, with promi-
nent eyes; a mellow-hided young bull; with very
strong, level back, clean shoulders and good withers;
good hips, with rump long to root of tail, which is
well set on, with generous switch.

Sire

SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.

The handsomest and
best bred bull ever
owned at "Linden
Grove." He is the
admiration of all
Jer. breeders, and is
not for sale at any
price. The ques-
tion has quite often
been asked, "What
would Sultana's
Golden Jolly bring
on the Island?"
His only daughter tried
for Register of Merit
test made 308 lbs.
5 ozs. butter in 9
months of her year's
test, beginning at 2
yrs. 5 mos. old.

Sire of

Golden Fern's Jolly,

GALA ROSE'S GILBERT, 120892, A. J. C. C.

Bred by F. H. Le Boutillier, St. Ouen, Island of Jersey.

Born February 6, 1914.

Imported (in dam) September 15, 1913, by T. S. Cooper & Sons.

Solid color; black-and-white tongue; black switch.

Fitted to head a herd, desirable from a breeding standpoint, and promises to make a great individual. A very handsome fawn in color; deep body, straight back, good tail setting; splendid head, with bright, prominent eyes, wide apart, and dished face.

His dam and both grandams are Certificate of Merit winners in the public butter tests on the Island of Jersey, under auspices of the English Jersey Cattle Society, where there is absolutely no chance for error or fraud. Such tests, while as reliable as any test can be, rarely indicate the cows' real capacity; as, owing to the confusion incident to show-yard tests, change of water, etc., the cows do not usually come up to their customary flow of milk.

Note that his dam and sire's dam were both "forty-pound milkers" under such conditions; and that his sire's grandam is in the Register of Merit with more than 9,000 lbs. of milk in a year. His dam milked 7,000 lbs. in 6 months under official test on the Island.

Sire

GILBERT,
P. 4818, H. C.

Winner of 3d Goddington prize, Royal Show, Jersey, May, '12.

Sire of Sunray's Son, 2d prize, Class 1, 35 entries, Royal Show, Apr., '15.

And other winners. His sire is a son of the celebrated Noble of Oaklands, P. 3909, H. C., and Matilda 4th, P. 11204, C., she a daughter of Helena's Fox, P. 3208, H. C., out of a daughter of Eminent 2d, P. 2532, H. C.

His sire produced Grey Portia, winner of 3 Grand Championships, and 1st at National Dairy Show (13 entries), Iowa and Waterloo, Iowa (9 entries), '14.

Dam

BOWLINA,
P. 12231, H. C.

Winner of Certificate of Merit, public butter test, May, '08, 2 lbs. 1½ ozs. in 24 hrs., 62 days in milk, 3½ years old.

Certificate of Merit, Oct., '09, 1 lb. 11 ozs. 221 days in milk.

1st milking prize, 1st Parish prize and Certificate of Merit, May, '13, 2 lbs. 6½ ozs. in 24 hours, 104 days in milk; yielding 46 lbs. milk.

Under official test on the Island, she had milked 7,000 lbs. in 6 months, when she was exported for the "Linden Grove" herd.

Dam of Bowlina 4th, Certificate of Merit, public butter test, Oct., '13, 1 lb. 13 ozs. butter, 30 lbs. 4 ozs. milk, at 2 years old, 158 days in calving.

Matilda's Noble, P. 4357, H. C. 1st prize, Royal Show, Jersey, Class 2, 16 entries, April, '10. Son of Noble of Oaklands, 95700.

Sire of Laura Artemesia, 418 lbs. 10 ozs. butter in 1 year as a 2-year-old. Noble Golden Belle, 415 lbs. 2 ozs., 3 yrs. old. Magic Belle, 1 lb. 11 ozs. in 24 hours, 160 days after calving, at 2 years old.

Another celebrated bull, making thirty in the list, when it appeared in our advertisement in "The Jersey Bulletin," was Eminent, 69631 (Eminent 2d, P. 2532, H. C.), but the following letter from Mr. A. M. Bowman, Jr., manager of Bowmont Farms, Salem, Va., explains why we have omitted his name at this time:

"We must rob you of the honor of having turned out the highest testing daughter of Eminent, 69631, as Eminent's Oxford Pride, 142191, bred at Bowmont Farms and now owned at Acca Farm, has lately made an authenticated test of 656 lbs., exceeding the record of Eminent's Honeymoon by 63 lbs. 4 ozs."

The test of Eminent's Oxford Pride had not been reported from the Club office when our list was tabulated. We do not mind surrendering this honor to Bowmont Farms, and be content with having imported the sire. The daughters of three other bulls in the above list have made larger tests since it was compiled; viz., Fancy's Pioneer, Oxford Majesty and Noble of Oaklands.

We were not obliged to confine the list to thirty bulls. Without close search of the records, we can recall a number of other noted sires whose highest testing daughters came from "Linden Grove." And to these we might add Oxford You'll Do, P. 4075, H. C., whose highest testing daughter will finish in May with more than 900 pounds of butter in one year as a four-year-old. She was sold in our 1914 auction for \$500, to Mr. E. T. Bedford, Greens Farms, Conn. And when the official report of Fern's Viola, 237208, is received we can add Viola's Golden Jolly, 79314, to the list. Fern's Viola was bred at "Linden Grove" and born at Knollwood Farm, Mr. C. I. Hudson having bought her pregnant dam, Golden Fern's Distinction, 213882, in our 1909 auction for \$900. At last account Fern's Viola had made 672 lbs. butter in ten months of her year's test.

No. 17. Cow.

NOBLE OF OAKLANDS, 95700, A. J. C. C.; P. 3909, H. C.

**SOLD IN OUR 1911 AUCTION FOR \$15,000 (THE WORLD'S RECORD PRICE) TO MR. JAMES B. HAGGIN,
OWNER OF ELMENDORF FARM, LEXINGTON, KY.**

Noble of Oaklands won First Prize, St. Saviour Show, 1907; First over Jersey, April, 1910, for bull and progeny.

Noble of Oaklands and his sons won all First Prizes at the Island of Jersey Bull Show, April, 1910.

In 1911, two sons won two out of four First Prizes at the April Bull Show.

More than 200 First Prizes and Championships stand to the credit of Noble of Oaklands and his get.

SIRE OF 37 BUTTER TEST COWS, AND OF 28 PRODUCING BULLS.

Noble of Oaklands, like a number of other bulls sold from "Linden Grove," has been criticised in some quarters, in many cases by the unwise or jealous. Noble of Oaklands may have made some "breaks" when crossed with a cow of medium class, but most importers going to the Island are greatly impressed with the get of the sons of Noble of Oaklands, and it is these that are "writing history" about their sire. A special attraction of this auction will be A **SPLENDID LINE OF COWS AND HEIFERS Sired BY SONS OF NOBLE OF OAKLANDS, 95700.** Right at this place in the catalog will be found a string of granddaughters of Noble of Oaklands, beginning with No. 17, and others will be found elsewhere in the catalog. The daughters of Noble's Jolly Sultan, P. 4156, H. C.; Cowslip's Golden Noble, P. 4498, H. C.; Golden Fern's Noble, P. 4570, H. C.; Agatha's Oxford Noble, P. 4850, H. C.; and Pretty Noble, P. 4626, H. C., will open the eyes of breeders to how the sons of Noble of Oaklands are "breeding on."

What a record this family has made in the five years since Noble of Oaklands was sold here for the highest price ever paid for a Jersey bull! His list of official test daughters has quickly grown to 37, the best of which is Noble's Handsome Queen, 235197, who was sold in our 1910 auction for \$875, to Bowmont Farms, Salem, Va., where she lately qualified for the Register of Merit, Class A, with 614 lbs. 3 ozs. butter in one year. It may not be generally known, but Noble of Oaklands has sired 28 BULLS THAT HAVE OFFICIAL TEST DAUGHTERS.

IN THIS AUCTION THERE ARE ALSO FIVE DAUGHTERS OF NOBLE OF OAKLANDS. (SEE NOS. 32, 33, 34, 75, 139.)

JOLLY SULTAN'S ASHLEY QUEEN, 353237, A. J. C. C.

A Highly Commended Daughter of Noble's Jolly Sultan, P. 4156, H. C.; Both Parents Highly Commended.

ONE OF FIVE SPLENDID DAUGHTERS OF THIS IMPRESSIVE "NOBLE OF OAKLANDS" SIRE.

All of them great dairy cows, milking from 20 to 24 quarts when fresh. (See Nos. 17, 18, 19, 20 and 21 of catalog.)

NOBLE'S JOLLY SULTAN, 87181, A. J. C. C.

(P. 4156, H. C.)

Won Championship over the Island of Jersey, and First Prize in his class (23 entries) at the Royal Show, August, 1910. Also First Prize in his class (9 entries) at the Royal Show, April, 1910.

Won First Prize in Aged Bull class (8 entries) at the National Dairy Show, 1911, defeating the Champion winners of the Illinois, Kentucky, Ohio, Michigan and Minnesota State Fairs, the Waterloo (Iowa) Dairy Show, the National Dairy Show, in 1911; and the Champion bull over the Island in 1909.

Sire of 11 official test cows, the two best of which were imported by "Linden Grove," and sold in our auctions.

His son, Rochette's Jolly Sultan, 91998, is sire of Jolly Sultan's Minnie, in Register of Merit, 500 lbs. 12 ozs. butter in 1 year, beginning test when 1 yr. 11 mos. old.

Sire of numerous prize winners, including:

IMPORTED COWSLIP'S GOLDEN NOBLE, 120789, A. J. C. C.

(Cowslip's Golden Noble, P. 4498, H. C.)

Winner of First Prize over Jersey, Shown With His Progeny, at the April, 1912, Bull Show.

A FEW FACTS ABOUT COWSLIP'S GOLDEN NOBLE.

One of the youngest sons of the sensational Golden Lad cow, Cowslip 16th, P. 6084, H. C., whose picture is shown on following page; and sired by the distinguished Noble of Oaklands, 95700, imported by "Linden Grove" and sold in our 1911 auction for \$15,000, to Elmendorf Farm, Lexington, Ky.

Imported by "Linden Grove" after an intimate acquaintance with many of his family, having imported six out of seven of the nearest ancestors on his sire's side, and four of the progeny of his dam, besides so many of her sisters and brothers by the same sire that we cannot count them.

Now registered as Imp. Cowslip's Golden Noble, 120789, A. J. C. C., and owned by Mr. Ed. C. Lasater, in whose celebrated Fal-furrias Herd his progeny are sure to be creditably developed and exploited.

WINNER OF FIRST PRIZE, shown with five of his progeny, Royal Show, Jersey, April, 1912; defeating Oxford Majesty, P. 4057, H. C. (second prize), and Royal Guide, P. 4104, C. (third prize). Cowslip's Golden Noble was shown with two calves under a year old, one heifer 12 months old and two 15 months old. Oxford Majesty was shown with two 3-year-olds and three 2-year-olds.

SIRE OF

Two in Register of Merit, Class A, averaging 452 lbs. 12½ ozs. butter in one year, average age at beginning of test, 24 months. The winners of **First Prizes** at Royal Shows on the Island, May, 1912 (69 entries); May, 1913 (56 entries), and May, 1915 (46 entries).

The Sweepstakes bull at Southern Louisiana Fair, the first prize two-year-old heifers at Toronto Exposition, New Jersey and Virginia State Fairs, 1914.

The first prize two-year-old bull at Indiana State Fair, 1915.

The first prize heifer calf at New York and Connecticut State Fairs, 1914.

The Junior Champion heifer at Mississippi-Alabama Fair, Kentucky State Fair and Tri-State Fair (Memphis, Tenn.), 1915.

The first prize and fourth prize heifers-in-milk, 46 entries, at the Royal Jersey Show, May, 1915.

The winners of fourteen Parish prizes at Royal Shows on the Island of Jersey within four years.

And many other prizes.

Eight of his heifers (four of them yearlings and calves) have sold in our auctions for an average of \$400. A two-year-old and a three-year-old sold in our 1914 auction for \$800 each.

COWSLIP'S GOLDEN NOBLE, like every other bull exploited by "Linden Grove," has made good. As we said in our 1914 catalog: He is no freak or accident. He has the blood, and the power, and has "delivered the goods."

COWSLIP 16th, P. 6084, H. C.

"THE-FIVE-THOUSAND-DOLLAR COW."

(Dam of Cowslip's Golden Noble, P. 4498, H. C.—See Preceding Page.)

Cowslip 16th is known on the Island of Jersey as "the five-thousand-dollar cow," as her owner would not part with her at that figure. She is one of the best daughters ever gotten by Golden Lad, P. 1242, H. C.; and her dam, Cowslip 2d, P. 810, H. C., is by Carlo, P. 180, H. C., whose daughter, Lily Brown, is dam of Golden Lily, who won first prize over Jersey and is dam of Mon Plaisir, P. 2548, H. C., first prize over Jersey and Champion, 1898, who sold in our May 1901 auction for \$3,500. Mon Plaisir produced the sire of VESTA'S DAISY, World's Champion Public Test Cow, and his half-brother, Hamley (also imported by "Linden Grove") sired her dam.

COWSLIP 16TH IS THE HEAD OF A WONDERFUL FAMILY.

One of her daughters and a granddaughter have sold in our auctions for more than \$1,200 each. Another daughter, imported by us sixteen years ago, was sold in our 1900 auction to the late Dr. H. M. Howe, Bristol, R. I., of "Gilderoy" fame. Her son, Cowslip's Jolly Sultan, 103569, sold in our 1912 auction for \$250, at 12 months old, sired the group winning first prize for "get of sire" at New Hampshire State Fair, 1915.

She produced the sire of Mrs. Henning's Clair Val Darkie, 790 lbs. 3 ozs. butter in one year (Register of Merit, Class A).

She produced the sire of Red Chief, who produced the butter test cow, Pansy 6th, dam of the public test cow, Pansy 8th.

She produced the sire of Ajax Arcola, dam of Gamboge's Arcola, 532 lbs. 11 ozs. butter in 1 year (Register of Merit, Class A).

She produced the sire of Hamley's Solid Gold, 565 lbs. 3 ozs. butter in 1 year (Register of Merit, Class AA).

She produced the sire of Cowslip's Golden Beauty, 437 lbs. 4 ozs. butter in 1 year (Register of Merit, Class AA), sold in our 1911 auction for \$1,250; dam of Cowslip's Fawn Beauty, 626 lbs. butter in 1 year, 3 years 7 months old (sold in our 1912 auction for \$290 at 24 months old).

She produced the sire of Cowslip's Golden Finance, Grand Champion cow at Illinois State Fair, 1913.

She produced the sire of Gold Orange, 69945, whose daughter, Glenburnie Mallow, made 624 lbs. 15 ozs. butter in 1 year (Register of Merit, Class AA), and whose five Register of Merit granddaughters include Fritzie Clark, 716 lbs. 15 ozs. butter (Class A).

She produced the sire of Miss Elvire, 463 lbs. 6 ozs. butter in 1 year (Register of Merit, Class AA), who is dam of Elvirian Lad, Grand Champion bull at Illinois State Fair, 1913, and Kentucky State Fair, 1914.

She produced the sire of Woodbine of Allen Dale, Grand Champion cow, Tri-State Fair, Memphis, Tenn., 1912.

She produced the dam of Noble's Fawn Cowslip, Grand Champion at New Jersey State Fair, 1914. (Sold in our 1914 auction for \$350.)

She is dam of Aurifer's Golden Cowslip, sold in our 1914 auction for \$1,275.

She produced the sire of Cowslip's Oxford, first prize senior bull calf, Walla Walla (Wash.) Fair, 1913.

She produced the sire of Ocean Cowslip, first prize at Royal Show on two occasions, 69 and 56 entries (sold in our auction for \$800).

She produced the parents of many other winners and butter test cows, too numerous to mention.

Her daughter, Cowslip 32d, P. 11573, H. C., is dam of Oaklands' Cowslip, 353218, No. 34 of this catalog, and grandam of Noble's Jolly Cowslip, 353219, No. 18 of catalog.

No. 22. Cow.

HILLSIDE GOLDEN ROD, 353267, A. J. C. C.

(P. 20331, H. C.)

Bred by P. & H. Ahier, St. Clement, Island of Jersey.

Born August 29, 1912.

Imported October 31, 1915, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

A deep greyish fawn, of striking development for her age; great scale and stamina, with a deep, roomy barrel; straight, strong back; very wide, prominent hips and long rump; flat neck; clean shoulders and sharp withers; body long, splendidly ribbed; good milk veins; udder of beautiful shape, square in front, with good-sized teats well placed. Here is size, with quality.

Sire
COWSLIP'S
GOLDEN NOBLE,
P. 4498, H. C.

Winner of 1st pr. over Jer. at the bull show, April, '12, shown with his get.

He was used extensively in the herd of Mr. John A. Perree, Secretary of the Island Society, for 3 years.

His dam, Cowslip 16th, P. 6084, H. C., has 3 sons with tested daughters in Register of Merit.

Her son, Cowslip's Golden Lad, produced the Grand Champion cow at Illinois State Fair, '13; and her son, Cowslip's Astor, produced the dam of the Grand Champion bull on same occasion.

(See following pages for extended pedigree and particulars concerning Cowslip's Golden Noble, P. 4498, H. C.)

Dam
HILLSIDE
DIANTHUS,
P. 14137, H. C.

A daughter of the now famous "big Rats cow" of our '13 auction, now named Oxford's Hillside Pansy, 287776, and sold for \$1,800, to Elmendorf Farm; one of the greatest cows we ever had the pleasure of bringing over. She and her sisters by "Rats" were one of the sensations of the sale. Oxford's Hillside Pansy was also the dam of Agatha's Oxford Pansy, a beautiful heifer calf sold in same sale for \$400 to Mr. Mark W. Potter, for whom she won 1st prize in "hot" competition at the New York State Fair and at Brockton in '13.

Rats is also sire of:

Oxford's Lady Grey, 287780, in Register of Merit, Class A, 692 lbs. 11 ozs. butter in 1 year, 11,001 lbs. 6.4 ozs. milk, at 8 yrs. 7 mos. old; she was imported by "Linden Grove" and sold to Messrs. Ayer & McKinney, who write, in reference to her test: "If we are not mistaken, she is the highest testing daughter of 'Rats.' Her record is all the more remarkable, we think, because it was made during her first year in America, and before she was thoroughly acclimated to our section of the Catskills."

Fontaine's Grey Linnet, 254242, in Register of Merit, 517 lbs. 8 ozs. butter in 1 year, 9,488 lbs. 12 ozs. milk, at 6 yrs. 4 mos.

Oxford's Grey Dimple, 287789 (Dimple's Flower, P. 13095, H. C.), winner of St. Clement prize, Royal Show, May, '10; sold in our '13 auction for \$750, to Mr. F. M. Dyer, Closter, N. J. She is dam of Bosnian's Dimpled Princess, 318542, in Register of Merit, 475 lbs. 10 ozs. butter in 1 year, at 3 yrs. 4 mos.; and Fairy's Boy, winner of Reserve for 2-year-old bulls, 15 entries, Royal Counties Show, England, '10. Oxford Viola's Daughter, 287778, sold in our '13 auction for \$360, to Undulata Farm, Shelbyville, Ky. She is dam of Oxford Lavender, 269794 (P. 15599, H. C.), winner of Reserve, Royal Show, Jersey, 59 entries, May, '11; 1st aged cow, National Jersey Show, Shelbyville, Ky., '13; in Register of Merit, 431 lbs. 9 ozs. butter in 1 year, at 4 yrs. 6 mos.; sold in our '13 auction for \$775, to Undulata Farms.

Raleigh's Fairy Boy, P. 3851, H. C. (S3767, A. J. C. C.)

1st prize over Jersey, 24 entries, Apr., '08.

3d prize over Jersey, 18 entries, Aug., '07.

Due to calve June 18, 1916, by Agatha's Oxford Noble, P. 4850, H. C., winner of 1st prize over Jersey, "bulls from tested dams," April, '12. He is a son of Noble of Oaklands, P. 3909, H. C., who sold in our May, '11, auction for \$15,000. His dam, Agatha's Oxford Lass, P. 11386, H. C., is one of the most remarkable cows of the breed, as a producer, a show cow, and in breeding. She has won two public butter tests, yielding in May, '09, 2 lbs. 1½ ozs. in 24 hours. She won 1st prize over Jersey and Theatre Challenge Cup, and was Reserve for Renouf Cup, "best butter test cow judged by inspection," May, '09. She is a daughter of Agatha's Flying Fox, who sired Gamboge's Knight, and out of the great cow, Oxford Ever, who is dam of Oxford You'll Do, P. 4075, H. C. Agatha's Oxford Lass is thus 75 per cent, same blood as Oxford You'll Do.

No. 32. Cow.

NOBLE'S PRETTY CARNATION, 276822, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born February 10, 1912.
Brisket, belly, flanks, legs, tongue, tail and switch white.

A handsome brownish fawn, of great constitution and body capacity; beautiful head and dished face; large, lustrous eyes; strong back, with broad, prominent hips; body of great depth and width; low to ground, on short, fine legs; large, beautiful square udder, extending away forward and out behind, with large teats perfectly placed. One of the best of Noble of Oaklands' progeny, and out of a splendid daughter of Golden Fern's Lad. She carries 75 per cent. the same blood as Golden Fern's Noble, P. 4570, H. C.

Sire
NOBLE OF OAKLANDS,
P. 3909, H. C.

Bred by Chas. Mourant, St. Saviour, Island of Jersey.

Born May 9, 1907.

Imported September 13, 1909, by T. S. Cooper & Sons.

White in forehead; on brisket, belly, left fore and both hind legs; black tongue; black-and-white switch.

A splendid daughter of Gambo's Knight, out of a FULL SISTER TO MAJESTY; one of the most valuable cows we have ever brought out. She has been in the "Linden Grove" herd since a two-year-old, and we know whereof we speak, not only as regards her individuality, but the quality and prepotency of her celebrated family. A handsome light fawn, and a rare specimen of refined type and aristocratic breeding; straight, strong back; broad, prominent hips; splendid setting of tail, with beautiful switch; great depth of body, wide and capacious; prominent, tortuous milk veins; beautiful udder, attached high and extending well out behind, full in front, with great, long, beautifully placed teats. One of the best breeders we have ever owned. Her ten-months-old heifer calf, Viola's Gambo's IXIA, 306930, was sold in our '14 auction for \$400, to Mr. George T. Chaffee, Rutland, Vt.

Sire

GAMBOGE'S KNIGHT, P. 3645, H. C. —

Winner of 2d pr. over Jersey (with his progeny), Apr., '08.

Sold at our '11 auction for \$6,700 to White Horse Farm, Paoli, Pa., who bought six of his daughters in a single lot at \$1,750 each. 11 of his daughters, in our '11 auction, averaged \$1,391.36.

His dam and 4 of her progeny have been sold in our auctions for a total of \$13,600, averaging \$2,720 each. (See No. 44 of catalog for further particulars concerning this grand cow, Fontaine's Oxford Pride, 187430.)

At the National Dairy Show, Chicago, '11, every animal in competition, sired by Gambo's Knight, did honor to its sire.

He has 41 tested daughters, 3 above 700 lbs. butter in one year, 19 above 500 lbs.; and 12 of the 19 were imported by "Linden Grove" and sold in our auctions, including the five with the highest records.

He has 4 producing sons, including Oxford You'll Do, P. 4075, H. C., sire of 22 official test cows, one going to about 900 lbs. as a 4-year-old. Oxford You'll Do also sired the Champion cow over Jersey in '15, and many other winners. He is now at "Linden Grove."

His daughter, Gambo's Tiddledwink, 744 lbs. 14 ozs., Grand Champion at National Dairy Show, '12, was sold in our '11 auction for \$1,750.

No. 36. Heifer.

MABEL'S RALEIGH'S IXIA, 319716, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born October 2, 1914.

Solid color; black tongue and switch.

A very attractive heifer, of great constitution; long, well-ribbed body; clean limbs; thin, mellow hide; neat head, with incurved horns; straight back, very strong and broad at loins, with prominent hips; tail beautifully set; thin hams, well cut out between, with promise of great udder; teats large and squarely placed.

Sire
**MABEL'S
RALEIGH'S
PRINCE,
120788, A. J. C. C.
(SIGMOND,
P. 4318, H. C.)**

Winner of 1st prize, Grouville Show, Jer., '12.
Full brother to Pennithorpe's Raleigh, 96185, winner of 1st prize, St. Saviour Grouville Show, '11; sold at auction in '11 for \$3,100.

Imported in '13 by "Linden Grove," and sold to Mr. H. M. Snider, Wickliffe, Ohio.

It wants only a glance at what the sons of Mabel's Raleigh are doing, through their daughters, in the butter tests, to appreciate the prepotency of this exceptionally great dairy bull. Mabel's Raleigh's Prince has but few daughters in milk in America; none to our knowledge have ever been put to test. We predict for Mabel's Raleigh's Prince a record for performing daughters that will be a credit to his family. Look what his brother, Fairy Glen's Raleigh, has done in Mr. Hudson's herd (and it must be borne in mind he had to take second position in this herd to other great bulls). Another brother, registered as Mabel's Raleigh, 77913, imported by the late Mr. Frank W. Hart, has seven daughters in Register of Merit, most of them tested at Good Hold Farm as two-year-olds. Other great bulls, including 1 base n, claim Mabel's Raleigh for their sire. And it is not likely any one will forget the long line of tested daughters he has left, which include the Gold Medal winner, Twylsh 11th, 3 lbs. 5½ ozs. butter in public test, in 24 hours (now owned by Hon. R. J. Fleming, Toronto, Can.).

No. 37. Cow. GAMBOGE'S NANCY, 306596, A. J. C. C. (Snow, P. 16124, C.)

Bred by C. J. Robin, St. Saviour, Island of Jersey.
Born March 2, 1909.
Imported September 15, 1913, by T. S. Cooper & Sons.

Solid color; black tongue and switch.
A Gamboge's Knight, and one of high quality; beautiful top line, sharp withers, and thin, flat neck; prominent, expressive eyes, wide apart, and deeply dished face; good depth and length of body; wide, prominent hips and well-set tail with beautiful switch; splendid udder, large, square, full in front and well out behind; teats of good size, perfectly placed. A valuable cow, and a great breeder. (See her twin daughters, catalogued on opposite page.) This may be one of the great "bargains," as she will not be in bloom, due to calve in August to one of the great sons of Golden Fern's Lad.

Sire GAMBOGE'S KNIGHT, P. 3645, H. C.

Winner of 2d pr. over Jersey (with his progeny), Apr., '08. Sold at our '11 auction for \$6,700 to White Horse Farm, Paoli, Pa., who bought six of his daughters in a single lot at \$1,750 each.
At the National Dairy Show, Chicago, '11, every animal in competition, sired by Gamboge's Knight, did honor to its sire.

Strong "bull" head, with bright, prominent eyes; great length and depth of body; back strong and straight; splendid loins and wide, prominent hips; tail well set on, long and thin, with good switch. Sired by the peerless Grand Champion bull, Sultana's Golden Jolly, 86180, out of a splendidly bred cow by Gambo's Knight, out of a daughter of Oxford Lad.

Sire

SULTANA'S GOLDEN JOLLY,
86180, A. J. C. C.

The handsomest and best bred bull ever owned at "Linden Grove." He is the admiration of all Jersey breeders, and is not for sale at any price. The question has quite often been asked, "What would Sultana's Golden Jolly bring on the island?"

His son, The Owl's Golden Jolly, 100180, sold as a yearling in our '12 auction for \$675.

At the National Dairy Show, Chicago, '11, competing against two Cham. winners over the island and the winners of Championships at eleven of America's most important shows in '11, he won the following:

1st prize in 2-yr.-old class, 6 entries.

Senior Champion bull, 2 years old or over.

Grand Champion bull, any age.

Gold Medal offered by American Jer. Cattle Club for Grand Cham. bull bred by exhibitor.

Headed herd winning \$200 Special prize, "bull and 10 females."

Silver Trophy (\$100 Special) for Grand Champion bull.

Sired the 5 animals winning 1st prize for calf herd, 5 entries.

Defeating the Cham. winners at Ohio, Indiana, Kentucky, Illinois, Michigan, Wisconsin, Iowa and Minnesota State Fairs, Waterloo (Iowa) Dairy Show, National Jer. Show (Shelbyville, Ky.), International Dairy Show (Milwaukee, Wis.), '11; and Champions over the island in '09 and '10.

His only daughter tried for Register of Merit work made 308 lbs. 5 ozs. butter in 9 months of her year's test, beginning at 2 yrs. 5 mos. old.

He is sire of:

Golden Fern's Jolly, 100629, winner of Grand Championship at Mississippi-Alabama Fair, '13, '14 and '15. (Bred at "Linden Grove.")

Sultana's Vernonia, 1st prize heifer calf and one of 1st prize calf herd, National Dairy Show, '11. (Bred at "Linden Grove.")

The Owl's Golden Jolly, 2d prize senior bull calf and head of 1st prize calf herd, National Dairy Show, '11. (Bred at "Linden Grove.")

Sarah's Sultana, 1st prize yearling bull, Tennessee State Fair, '14. Sold in our '14 auction for \$610.

St. Helier's Jolly Sultana, 1st prize junior yearling heifer, 13 entries, Mississippi-Alabama Fair, '14. (Bred at "Linden Grove.")

And other winners.

His 75 per cent. sister, Fern's Viola, who made 672 lbs. butter in 10 months of her year's test (bred at "Linden Grove"), is dam of Viola's Raleigh, 121171, 1st junior yearling bull and Junior Champion, Mississippi-Alabama Fair, '15.

His half-brother, Jolly's Royal Sultan (by Viola's Golden Jolly), sold at auction for \$10,000, and is sire of 1 in Register of Merit.

Golden Sultana, 146282, A. J. C. C.

Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. We afterward bought her for the "Linden Grove" home herd.

Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, H. C., out of Sultane 9th, P. 1145, H. C., winner of many first prizes over the island and dam of Uncle Peter, P. 2115, H. C. Her grandam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Maret. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her grandam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily.

She is dam of Sultana's Oxford Lad, that sold in our '10 auction sale for \$11,100, and she selling in same sale when 12 years old for \$3,700.

She is a full sister to Sultane's Snowdrop, dam of Sultan of Oaklands.

Her son, Sultana's Oxford Lad, whom we sold to Elmendorf Farm for \$11,100, produced for them, Elvirian Lad, 106674, 1st prize yearling bull (9 entries), Junior and Grand Champion, Illinois State Fair, '13.

Sultana's Oxford Lad has 4 daughters in Register of Merit; his son, Sultana's Fawn Prince (bred at "Linden Grove"), also has 4 daughters in Register of Merit. His daughter, Sultana's Jolly Princess, sold in our auction for \$1,600.

Her son, Gedney Farm Blue Fox's Sultan, 72755, produced Golden Daisy Fox, in Register of Merit, 419 lbs. 4 ozs. butter in 1 year, at 2 years old; and Exila Fox Sultana, in Register of Merit, 343 lbs. 8 ozs., at 2 years old—the former owned and tested by Cornell University, and the latter by Mr. H. C. McLallen, Trumansburg, N. Y.

Her daughter, Sultana of Linden, was sold in our '10 auction for \$1,750, at 8 months old.

Golden Jolly, P. 2921, H. C.

we imported in '06. We re-bought her at Mr. J. M. Overton's sale, '08,

for \$2,550. She is looked upon on the island as having made the most

phenomenal public butter test (taking into consideration age and lacta-

tion) ever made, testing 1 lb. 15 ozs., 159 days in milk, being only 30 mos.

old. She made a private test at home of 2 lbs. 9 ozs. in 24 hours.

Goddington Bagatelle, public butter test, 1 lb. 6 ozs. in 24 hours.

Noble of Oaklands (above mentioned) now has 37 butter test daughters

and 28 producing sons, including Noble's Jolly Sultan, a Champion

winner, sire of 11 tested cows.

NOT A "RICH MAN'S PLAYTHING"

SEVEN DAUGHTERS OF GAMBOGE'S KNIGHT AT \$1,750 EACH. DO THEY NOT REPRESENT A SOUND INVESTMENT?
Five of them in Register of Merit, Class A, With Records Averaging 670 Lbs. 8 Ozs. of Butter in One Year, at Five Years Eleven Months Old—Away Above the Average.

Three Have Produced Cows With Official Butter Tests.

"Doubting Thomases" have been disposed to smile wisely at the men of large affairs who come to our Decoration Day auctions and buy the "plums," which in some cases bring a thousand dollars or more. The same "Thomases," when they have any Gamboge's Knight blood for sale, will state in the pedigrees: "Seven of his daughters sold in one lot for \$1,750 each." Some other Thomases will pity the man who paid the price—they would "look a long time at the money before paying that much for cows," and they ask, WHAT DID THOSE COWS EVER DO? We will give the facts, as they exist five years after the purchase, and ask in return, WHO IS ENTITLED TO THE SMILE?

THOSE SEVEN GAMBOGE'S KNIGHT COWS SOLD IN THE "LINDEN GROVE" DECORATION DAY AUCTION FOR \$1,750 EACH

In the first place, Manager A. K. Heath, of White Horse Farm, for which establishment the cows were bought, writes: "The offspring from those Gamboge's Knight cows have nearly all been kept on the Farms." This alone is a great credit and a compliment to the cows. They are all living and breeding regularly, and their achievements have contributed greatly to the prestige of White Horse Farms, which occupies a prominent and favorable position in American Jersey breeding establishments. As an "advertisement" alone, they have returned a great proportion of their purchase price. But they have done other and more important things, which the following will witness:

GAMBOGE'S GREY BEAUTY, 252162, made the Register of Merit with 784 lbs. 12 ozs. butter in one year, at six years ten months old. She is the highest testing daughter of Gamboge's Knight.

GAMBOGE'S TIDDLEYWINK, 252156, made the Register of Merit with 722 lbs. 14 ozs. butter in one year, at five years six months old. She stands second in Gamboge's Knight's list. She was Senior Champion cow at Waterloo and Grand Champion at the National Dairy Show, 1912, and at the latter show was in the herd winning First Prize for "get of sire" and First Prize for "dairy herd." She was on the show circuit 2½ months during her great test. Her son by Noble of Oaklands was a prize winner two years at the Connecticut State Fair; and the calf she carried when imported was sold in our 1912 auction for \$325 to Mr. Wimbish, of Georgia.

GAMBOGE'S FANCY PRINCESS, 252154, made the Register of Merit with 712 lbs. 9 ozs. butter, at five years eight months old. She stands third in Gamboge's Knight's list of forty tested daughters. She is dam of Oxford Majesty's Princess, 306589, public butter test as a four-year-old, 2 lbs. in 24 hours, from 41 lbs. 4 ozs. milk—sold in our 1914 auction for \$325. At White Horse Farm they bred from her Financial Raleigh's Pride, 276170, that made the Register of Merit, beginning test at one year eleven months old, with 398 lbs. 8 ozs. butter, from 8,141 lbs. 12.8 ozs. milk. This heifer won First Prize in calf class at the Devon (Pa.) Cattle Show, and was 2d at Waterloo and 3d at National Dairy Show in large and hotly contested classes. Her sire's dam, Financial Daisy, who made the Register of Merit with 695 lbs. 12 ozs. butter, was sold in our 1911 auction to White Horse Farm for \$2,600.

GAMBOGE'S HANDSOME DUCHESS, 252150, made the Register of Merit with 566 lbs. 5 ozs. butter, at seven years five months old. She is the dam of Noble's Fawn Prince, 95705 (sold in our 1911 auction for \$500 to Mrs. Adda F. Howie, Elm Grove, Wis.), Junior Champion bull at National Dairy Show, Wisconsin State Fair, and International Dairy Show, 1911—defeating every bull at Chicago in 1911 excepting our Sultana's Golden Jolly, 86180, who was Grand Champion.

GAMBOGE'S PRIMROSE, 252171, made the Register of Merit with 566 lbs. butter at 4½ years old.

GAMBOGE'S PROSPERITY, 252142, is the dam of Oxford Sybil, Certificate of Merit, May, 1914, 2 lbs. 9¼ ozs. in 24 hours from 37 lbs. 2 ozs. milk—a great record for a four-year-old in public test.

GAMBOGE'S PROSPERITY LASS, 252189, has a daughter in the Register of Merit—344 lbs. 2 ozs. butter in one year at two years old. She also is dam of the bull, Majesty's Oxford King, whose get won for Mr. R. W. Gibson, the Premier Championship for Breeder at the Iowa State Fair, 1915.

The Year's Milk Alone from One of These Cows, in the Chicago Market, Would Fetch Nearly \$250—Not to Mention the Value of the Calf.

**THEIR REGISTER OF MERIT RECORDS ARE 106 POUNDS ABOVE THE AVERAGE FOR 4,297 JERSEY COWS IN THE
A. J. C. REGISTER OF MERIT.**

Due to calve July 16, 1916, by Sultana's Golden Jolly, 86180, the handsomest and best bred bull ever owned at "Linden Grove." He won at the National Dairy Show, Chicago, 1911, four Champion prizes, Gold Medal and other prizes—perhaps the greatest honors ever bestowed upon any bull of any breed. (See opposite page for his extended pedigree.)

No. 46. Heifer.

SULTANA'S FANCY IXIA, 307178, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born January 25, 1914.
Brisket, left stifle, belly, flanks, legs, tongue, tail and switch white.

A very handsome and stylish heifer, rich fawn with some white markings; sweet head; nicely incurved horns; very rugged and long bodied; good spring of rib; wide, prominent hips and good rump; well-set tail, with beautiful switch; excellent udder development, with good-sized and well-placed teats.

Sire

SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.

The premier sire of the "Linden Grove" herd. He was bred here, and has never been off the place, except when exhibited at the Nat. Dairy Show, Chicago, '11, where he won Grand Championship, A. J. C. C. Gold Medal, and other honors never achieved by any other bull of any breed.

His progeny have been in such demand that it was with great difficulty we were able to retain any of them. Most have been sold young, to some of the best American breeders. But one of his daughters, to our knowledge, has been tried for Register of Merit test. She produced, as a two-year-old, 377 lbs. 8 ozs. butter in 1 year.

He has 75 per cent. same blood as the highest testing daughter of Viola's Golden Jolly, who, under year's test, had produced 672 lbs. butter in 10 months.

He has sired the winners of many 1st and Gr. Champion prs., including:

Golden Fern's Jolly, 100629, Gr. Cham. bull at Mississippi-Alabama Fair in '13, '14 and '15. Sire of numerous winners. (Bred at "Linden Grove.")

Sultana's Veruonia, 1st prize heifer calf and member of 1st prize calf herd, National Dairy Show, '11. (This herd was bred at and exhibited by "Linden Grove," and all sired by Sultana's Golden Jolly.)

(See other pedigrees, and front page B, for his extended pedigree.)

Dam

OXFORD
IXIA FANCY,
252184, A. J. C. C.
(PRIME'S)QUEEN 2d,
P. 14509, C.)

A capacious daughter of Gamboge's Knight.

See her pedigree on opposite page.)

Due to calve August 10, 1916, by Oxford You'll Do, P. 4075, H. C. (now named Imported Oxford You'll Do, 111860, A. J. C. C.). A first prize winner at the Royal Show, with his progeny, sire of 21 official test cows, also sire of the Champion cow over Jersey in '15, and many other winners. Oxford You'll Do has been at "Linden Grove" three years. The large number of uniformly excellent daughters now in the herd, and the showing of his progeny in the butter tests and show ring, substantiate the assertion that he is the greatest living representative of the Oxford-Gamboge family. (See front pages for his picture and extended pedigree.)

Golden Jolly, P. 2921, H. C.

Willoh's Rosy, P. 10444, H. C. (now named Willoh's Lady Viola, 219486, A. J. C. C.), Certificate of Merit in public butter test, May, '06, 3 lbs., 38 days in milk, 4 years 1 month old. She is the dam of 5 official test daughters, and of a 1st prize winner over the Island.

Poppy Viola, P. 10902, H. C. (now named Golden Jolly's Lady Viola), that we imported in '06. We rebought her at Mr. J. M. Overton's sale, '08, for \$2,550. She is looked upon on the Island as having made the most phenomenal public butter test (taking into consideration age and lactation) ever made, testing 1 lb. 15 ozs., 159 days in milk, being only 30 mos. old. She made a private test at home of 2 lbs. 9 ozs. in 24 hours.

Viola's Golden Jolly,

79314, A. J. C. C.

Imported by us and

sold in our '10 auction

for \$12,000 to

Kinloch Farm, who

sold him two years

later for \$13,000.

Nine of his young

daughters are now

in Register of Merit.

Sire of numerous Gr.

Cham. winners and

several produc-

ing bulls.

His tested daughters

include:

Jolly's Viola, 493 lbs.

Viola's Fawn Duchess,

418 lbs. 10 ozs., 2½

yrs. old.

Viola's Gold Mine, 404

lbs. 12 ozs.

Handsome Viola's

Jolly, 400 lbs. 12

ozs., 2 yrs. old.

Fern's Viola, 390 lbs.

5 ozs., 2 yrs. old (on

retest as a 5-year-

old, has made 672

lbs. butter in 72

mos.)

Viola's Jolly Lady, 381

lbs. 13 ozs.

Golden Sultana, 146282, A. J. C. C.

Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. We afterward bought her for the "Linden Grove" home herd.

Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, H. C., out of Sultane 9th, P. 1145, H. C., winner of many first prizes over the Island and dam of Uncle Peter, P. 2115, H. C. Her grandam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Marett. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her grandam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily.

She is dam of Sultana's Oxford Lad, that sold in our '10 auction sale for \$11,100, and she selling in same sale when 12 years old for \$3,700.

She is a full sister to Sultane's Snowdrop, dam of Sultana of Oaklands. Her son, Sultana's Oxford Lad, that we sold to Elmendorf Farm for \$11,100, produced for them, Elvirian Lad, 106674, 1st prize yearling bull (9 entries), Junior and Grand Champion, Illinois State Fair, '13.

Her son, Gedney Farm Blue Fox's Sultana, 72755, produced Golden Daisy Fox, in Register of Merit, 419 lbs. 4 ozs. butter in 1 year, at 2 years old; and Exila Fox Sultana, in Register of Merit, 343 lbs. 8 ozs., at 2 years old—the former owned and tested by Cornell University, and the latter by Mr. H. C. McLallen, Trumansburg, N. Y.

Her daughter, Sultana of Linden, was sold in our '10 auction for \$1,750, at 8 months old.

Her son, Sultana's Oxford Lad, 76506, is sire of 4 in the Register of Merit, including Oxford Princess Sultana, 250216, Class A, 500 lbs. 2 ozs. butter in 1 year, at 2 yrs. 2 mos. old. He is also sire of Sultana's Fawn Prince, 90064, bred at "Linden Grove," who has four daughters in Register of Merit.

Golden Fern's Lad,

P. 2160, H. C.

His two best daughters in the public butter test are Freedom, 2 lbs. 10 ozs. butter in 24 hrs. at the Tring Show Ring, Eng., being 140 days in milk; and Gold Mine, Gold Medal, Tunbridge Wells, England, 2 lbs. 7 ozs. butter in 24 hours, being in milk 150 days. (For full particulars, see page A.)

No. 47. Bull.

IXIA'S FANCY SULTAN, 126788, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born September 1, 1914.
White in forehead; brisket, belly, left flank, legs, tongue and switch white.

An unusually handsome, rugged bull, with strong, masculine head, broad between the eyes, which are large and prominent; rich, incurving horns; very long, deep, well-ribbed body; splendid withers for so rugged a bull; back straight and strong; powerful loins and prominent hips; beautifully set tail, which is thin and long, with generous switch. He will hear watching in the show ring.

Sire

SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.

A bull that is receiving the patronage of some of America's best breeders, such as Messrs. Ayer & McKinney, Mr. R. A. Sibley, Hon. Robert J. Fleming, of Toronto, and others.

He sired Golden Fern's Jolly, 100629, 1st prize 2-year-old bull, Senior and Grand Champion, Mississippi-Alabama Fair, '13.

His grandsire, Golden Fern's Lad, was in the "Linden Grove" herd for 5 years, and has 31 butter test daughters.

Golden Fern's Jolly was also Grand Champion at the Mississippi-Alabama Fair, '14, when the judge, Mr. C. T. Graves, said: "This is the most outstanding bull I have seen in years," and advised his owner to take him to the National Dairy Show.

At the National Dairy Show, Chicago, '11, he won the following: 1st prize in 2-yr.-old class, 6 entries.

Senior Champion bull, 2 years old or over. Grand Champion bull, any age.

Headed herd winning \$200 Special prize. "bull and 10 females."

Silver Trophy (\$100 Special) for Grand Champion bull.

His grandsire, Golden Fern's Lad, has more sons with tested daughters in Register of Merit (27) than any other bull, imported or domestic, excepting his own sons, Flying Fox and Eminent 2d, both of which were imported by "Linden Grove" and sold for a total of \$17,500.

Sire of Jolly Royal Sultan, 90032, sold at Kinloch Farm sale, '11, for \$10,000.

Golden Sultana, 146282, A. J. C. C.

Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. We afterward bought her for the "Linden Grove" home herd.

Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, out of Sultane 9th, P. 1145, H. C., winner of many first prizes over the Island, and dam of Uncle Peter, P. 2115, H. C. Her granddam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Maret. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her granddam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily.

She is dam of Sultana's Oxford Lad, that sold in our '10 auction sale for \$11,100, and she selling in same sale when 12 years old for \$3,700.

She is a full sister to Sultane's Snowdrop, dam of Sultan of Oaklands.

She is dam of Gedney Farm Blue Fox's Sultana, 72755, sire of two 2-year-olds in Register of Merit with year's butter records.

Her son, Sultana's Oxford Lad, has 4 daughters in Register of Merit, and a son with 4 in R. of M.

Gamboge's Knight, P. 3645, H. C.

Sold at our '11 auction for \$6,700 to White Horse Farm, Paoli, Pa., who bought six of his daughters in a single lot at \$1,750 each.

At the National Dairy Show, Chicago, '11, every animal in competition, sired by Gamboge's Knight, did honor to its sire.

Gamboge's Knight's tested daughters include:

Gamboge's Grey Beauty, in Register of Merit, 784 lbs. 12 ozs. butter in 1 year.

Gamboge's Tiddley-wink, in Register of Merit, 722 lbs. 14 ozs. butter in 1 year.

Gamboge's Knight has 4 sons with official test daughters, including Oxford You'll Do, sire of 21, and Oxford Knight, sire of 12.

His dam has 3 public test daughters, 2 of which have been sold in our auctions for \$1,375 and \$2,525. Her daughter, Gamboge's Pride 5th, is dam of 1 in Register of Merit and of Golden Fern's Son, 10 in Register of Merit.

Oxford Prime's Queen, 230342.

(Prime's Queen, P. 11284, H. C.)

By same sire as Sultana's Oxford Lad, sold in our '10 auction for \$11,100, sire of 4 in Register of Merit and of a bull with 4 in the Register of Merit.

OXFORD YOU'LL DO, P. 4075, H. C.

(Now Named Imported Oxford You'll Do, 111860, A. J. C. C.)

THE MOST PREPOTENT LIVING REPRESENTATIVE OF THE OXFORD-GAMBOGE FAMILIES—NOW IN SERVICE AT "LINDEN GROVE."

On one of the front pages of this catalog may be found a discussion of "The Oxfords," giving some of the earlier history of this celebrated family, and calling attention to a prediction concerning Oxford Lass, made by us in 1904, that "ten years from now we will realize her worth as a dairy cow, through her sons and daughters." The day of her sons and daughters is past, but in passing they left so bright a trail as to add lustre to the achievements of their wonderful dam.

Oxford Lass may be said to have inherited the crown of her distinguished grandam, Sultane, P. 7, H. C., as "the first of the most famous family the Island has ever seen." What was true of Sultanne in her day, seems to apply with renewed force and distinctness to Oxford Lass. Her three celebrated sons—Oxford Lad, Caiest and Houp-La—have separately established families that stand alone in their prestige. They need nothing to lean upon. And her three equally celebrated daughters—Oxford Ixia, Queenie and Oxford Ever—occupy as honored a position as that of their brothers.

Oxford Ever, the youngest daughter of Oxford Lass, is the dam of Oxford You'll Do; and through him, as well as through her son, Oxford Knight, and her three daughters—Agatha's Oxford Lass, Oxford Triumph and Oxford Eva—her fame has fairly leaped to a commanding position achieved by few cows of the Jersey or any other race. Gamboge's Knight, the sire of Oxford You'll Do, is out of a granddaughter of Oxford Lass, and with this he brings the blood of the Gamboges—a line that has no occasion to apologize to any other Jersey family, not even that of Oxford Lass. Gamboge's Knight is also grandson of Flying Fox and Agatha, early "Linden Grove" importations that have played a prominent part in the history of Jersey dairy development in America, as well as on the Island and in England.

But we can add little to what we have said about Gamboge's Knight in the past. We asserted positively, in 1911, that he was the greatest dairy sire that had ever set foot on "Linden Grove." At that time Oxford You'll Do was still on the Island. Gamboge's Knight has since met a lamentable death. We do not feel it necessary to make comparisons between this distinguished sire and son. Each reflects credit on the other. But we are safe in saying that Oxford You'll Do is the greatest living representative of the Oxford-Gamboge line. And those who watch developments in the butter tests and show rings, both in America and across the water, and who come to

"Linden Grove" and inspect the wonderful collection of his uniformly excellent, capacious daughters, will be moved to exclaim: "Never so creditable a showing, in such numbers, of the daughters of one bull, even at Linden Grove!"

Many have the habit of citing the great daughters of Golden Lad in our auctions fifteen years ago, as the "last word" in beauty and dairy capacity. We wish that all such could see the display of Oxford You'll Do's. There would be some tuning up on another string—although in perfect harmony, for Oxford You'll Do goes no fewer than six times to Golden Lad, who is a 25 per cent. Sultane bull, the same percentage as Oxford Lass!

On the following pages will be found the pedigree of Oxford You'll Do, but space will not admit the record of his progeny. He has already 21 or more official test daughters, 11 of them in Register of Merit, and another just finishing test with 900 lbs. or more of butter as a four-year-old. His daughters are just reaching full age, and on retest we predict many splendid records. They are show cows as well as workers. The cow winning First at New York State Fair as a three-year-old, First at Connecticut State Fair as a four-year-old, and First at New York State Fair as a five-year-old (besides being dam of the pair winning First as "Produce of cow"), is a daughter of Oxford You'll Do, and she is reported as having made 774 lbs. 7 ozs. butter in one year. She is dam of the Grand Champion bull at New York State Fair, 1915.

Oxford You'll Do sired the Champion cow over the Island of Jersey in May, 1915, who also won First in her class (76 entries) as a four-year-old, and First as a three-year-old (68 entries), at the Royal Island Show. He sired the First prize bull at Royal Show, Class 2, 19 entries, in May, 1915. He sired the Grand Champion bull at Indiana State Fair, 1915 (bred at "Linden Grove" and sold in our 1914 auction as a calf for \$525). He sired the First prize three-year-old cow (11 entries) at Texas State Fair, 1915 (sold in our 1914 auction for \$745). He sired the Grand Champion bull of the Minnesota and Wisconsin State Fairs, 1913, who produced the Junior Champion heifer at Iowa State Fair and at Waterloo Dairy Show, 1915. He sired many other First prize and Champion winners.

Nine daughters of Oxford You'll Do, in our 1913 auction—six of them heifers and heifer calves—sold for an average of \$504.44; and 19 of his progeny in our 1914 auction averaged \$683 (eight of them bulls and calves of both sexes).

No. 48. Cow.

OXFORD'S WEXFORD SPOT, 289464, A. J. C. C.

Bred by J. Messervy, St. John, Island of Jersey.
Born December 9, 1910.
Imported January 28, 1913, by T. S. Cooper & Sons.

Solid color, except mottled brisket and left stifle speckled; black tongue and switch.
This wonderful beauty has brought admiring exclamations from all visitors at "Linden Grove" for the past three years. Her conformation is that of a score-card model, her outline a silhouette of symmetry and grace, and her temperament that of a business cow. She has the clean flat neck of a true dairy cow, with the sharp withers, prominent spine and lean hind quarters that denote lacteal power and persistency; her back straight and strong; her body long, deep and of great capacity; hide thin and mellow; thin, beautifully set tail with black switch; prominent, tortuous milk veins; tremendous udder, beautifully balanced, with great long teats perfectly placed. She will have been nearly seven months in milk by sale day. Should be seen when fresh and in bloom to be better appreciated. (THE JUDGES WILL DO THIS NEXT FALL.)

(See opposite page for her pedigree.)

Many of our customers write nice things about the Jerseys they have bought at "Linden Grove," some of which we have taken the liberty of using in our advertisements. It is quite generally known that "Cooper fairly loves a good cow," and I might say I have loved her all my lifetime. But as in many other things, I have always insisted that she be handsome as well as good. You can get just as much service out of a vehicle neatly painted and of attractive construction, as from one that is clumsy and rusty-looking—and a good deal more satisfaction in using it. This is so of Jersey cows. It is this that appeals to people of taste as well as thrift, who, though they have looked into the churn and their pocketbooks for thirty years, have not lost their admiration for the beautiful. It is this that brings old Jersey breeders to "Linden Grove" for the class of cattle that not only raise the Register of Merit average, but which possess that symmetry and refinement of type for which "Linden Grove" blood has been awarded fourteen out of eighteen grand championships at nine National Dairy Shows.

A lot of twaddle has been written about the "pretty little imported cow," and about "producers"—as though the two were strangers. Gamboge's Tiddledywick, a National Dairy Show grand champion from "Linden Grove," made 744 lbs. 14 ozs. of butter in one year, during which she was on the show circuit 2½ months. Great Scot's Champion, another National Dairy Show grand champion from "Linden Grove," made 774 lbs. 4 ozs. butter in one year when nearly thirteen years old. Warder's Lady, another grand champion from "Linden Grove," made 967 lbs. 4 ozs. butter in one year. Whence originates the idea that a coarse-featured cow has a monopoly of the producing function? This nonsense has been continually crammed down the throats of farmers who rarely get away from home and have no opportunity to learn that beauty in Jerseys does not handicap efficiency. If they will examine the lists of Register of Merit tests now issued by the Club and published in "The Bulletin," they will find the great majority of the cows are either themselves imported animals or are within three generations of imported bulls or cows.

Importations have improved the type and raised the Register of Merit average, and they will always do so if the

highest class of cattle are imported. The blood of "Linden Grove" bulls and cows is a dominant factor in the Register of Merit. The following is what we said in our "Bulletin" advertisement, May 20, 1916, and we repeat it with emphasis: "Take away from the Register of Merit the cows that have been bred at or imported by 'Linden Grove,' and those whose parents came from families we have introduced and 'sworn by' for forty years, and the shrinkage will startle those who draw a line between 'imported cattle' and 'producers.' It is no less ridiculous than 'cabbage and vegetables'."

There is much talk of high production, without a hint of what it costs. We stated in "The Jersey Bulletin" June 9, 1915, that "The cow whose big record costs a dollar a pound is surely not so useful a creature as the one with a normal yield at a cost of twelve to fifteen cents a pound." We have hoped for a year that some one would answer that article, "Tell the World What it Costs," but there appears some delicacy about admitting that a cow received more sweet milk for food than she returned in the pail. Once upon a time a Jerseyman, visiting a farm where a big test was being conducted, asked the superintendent what the cow was fed. The reply, as repeated to us, was: "That cow gets anything she wants, no matter if it costs two dollars and a half a pound."

We are glad that some men are honest enough to enjoy and publish the rational records of their cows. In "The Jersey Bulletin" of April 19, 1916, our advertisement contained a letter from Messrs. Ayer & McKinney, with a list of 29 cows imported by us that had averaged 26 pounds of butter more than the Register of Merit average. Ten of them had averaged 630 pounds of butter in a year. In the same issue, Mr. Robert F. Shannon remarked that "I do not think Mr. Cooper claims enough for the Ayer & McKinney-Cooper purchases, because Meridale cattle are not forced to death," etc. In the next issue, we gave a list of 35 cows purchased from us by Mr. C. I. Hudson, which had made the Register of Merit with an average of 568 lbs. 6 ozs. butter in one year, or 79 pounds above the Register of Merit average. (Both of these lists appear further on in this catalog.) We could submit further lists, of the butter test cows purchased here by Bowmont Farms, Mr. R. A. Sibley, Elmendorf Farm, Mr. Ed. C. Lasater, the International Correspondence School, Mr. H. M. Snider, Quechee Fells Farm, Mr. Geo. T. Chaffee, Dosoris Park, Mr. E. T. Bedford, Mr. W. T. Wood, White Horse Farm, and many others who have done Register of Merit work in their herds. Is this not evidence enough that their "little handsome heads" and their refined forms (to say nothing of their fascinating appearance) do not interfere with the economical production of milk and butter? I have sometimes wondered if this showing of the capacity of our imported cows has prevented anyone from taking up our challenge?

No. 49. Cow.

YOU'LL DO'S HARRIET, 353253, A. J. C. C.

YOU'LL DO'S CHAMPION IVY, 353251, A. J. C. C.

(Golden Oxford Ivy, P. 18829, H. C.)

WINNER OF THEATRE CHALLENGE CUP, CHAMPIONSHIP OVER THE ISLAND OF JERSEY, ROYAL SHOW, MAY, 1915.

FIRST PRIZE AS A THREE-YEAR-OLD, 76 ENTRIES, ROYAL SHOW, MAY, 1915.

FIRST PRIZE AS A TWO-YEAR-OLD, 68 ENTRIES, ROYAL SHOW, MAY, 1914.

Bred by J. B. Badier, St. Martin, Island of Jersey.
Born December 7, 1911.

Solid color; black tongue and switch.

Imported August 5, 1915, by T. S. Cooper & Sons.
For two hundred years they have been breeding "up" and improving the Island Jersey; and here you have the individual selected by the judges at the Royal Show as the Champion cow of 1915. For two years she stood at the head of large classes at the Royal, while a third set of judges awarded her the highest honors over all ages. She looks the part. A type to pattern after and breed from. A handsome cow, of wonderful substance, well put together, with a body capacity rarely attained by cows of her age. She stands close to the ground, is long and wide of body, strong and straight of back, has what we call a "sensible" head, with great, soft, intelligent eyes; thin withers; strong loins; wide, prominent hips; great length of rump; thin tail, with beautiful switch; skin thin and mellow; milk veins prominent and tortuous, extending away forward on belly; magnificent udder, evenly balanced in all quarters, with large teats that could not be better placed. Good judges of dairy type will hardly take issue with the Island judges on the placing of Golden Oxford Ivy as a "queen among queens."

FOUR HIGHLY COMMENDED DAUGHTERS OF OXFORD YOU'LL DO, P. 4075, H. C.
 (All to be Sold in this Auction.)

READING FROM LEFT TO RIGHT, THEY ARE:

Jennie You'll Do, 353255 (No. 87 of catalog). She has been called "Oxford Lad's Granddaughter," as she resembles so much the grand cow of that name which we sold in our 1912 auction for \$2,900, to Mr. E. A. Darling, ex-President of the American Jersey Cattle Club.

You'll Do's Benefit, 353257 (No. 58 of catalog). Her dam is a Highly Commended daughter of Perry Farm Stockwell, P. 4049, C., who produced Grace Stockwell, 630 lbs. 3 ozs. butter in one year, and several other tested cows and prize winners.

You'll Do's Pretty Rose, 353265 (No. 86 of catalog). She is out of the same dam as Woodlands Lass, winner of First Prize at Royal Show, Jersey, 51 entries, May, 1912 (now owned at Longview Farm, Lees Summit, Mo.)

You'll Do's Pretty Pet, 353235 (No. 91 of catalog). Her dam is a Highly Commended daughter of Noble of Oaklands, 95700, and out of the same dam as Sultan's Gleenic, 528 lbs. butter in one year (sold in our 1911 auction for \$255, to Mr. Ed. C. Lasater).

OXFORD EVER, P. 8370, H. C.

LAST DAUGHTER OF THE CELEBRATED COW, OXFORD LASS, P. 3582, C. (See Notes Opposite No. 47).

DAM OF

AGATHA'S OXFORD LASS, P. 11386, H. C. (by Agatha's Flying Fox), public butter test, May, 1909, 2 lbs. 1½ ozs., 83 days in milk; winner of two Certificates of Merit, besides 1st prize over Jersey (48 entries) and Theatre Challenge Cup, May, 1911, and Reserve for Renouf Cup, "best butter test cow judged by inspection," May, 1909; Reserve, 52 entries, May, 1907. She is dam of Agatha's Oxford Noble, P. 4850, H. C., winner of 1st over Jersey, "bulls from tested dams," May, 1912. Agatha's Oxford Noble is sire of Agatha's Oxford Pansy, 288530, that was sold in our 1913 auction, when 10 weeks old, for \$400, to Mr. Mark W. Potter; she was 1st prize junior heifer calf in a class of 8 entries, at New York State Fair; also first prize at Brockton, Mass., 1913.

OXFORD TRIUMPH, P. 12120, H. C., public butter test, May, 1908, 1 lb. 14 ozs. in 24 hrs., 107 days after calving. She is dam of the bull, Fern's Oxford Noble, P. 5012, H. C. (sire of Sweet Bread's Oxford Fern, 140203, No. 1 of catalog), and of his full brother, Fern's Oxford Noble 2d, P. 5297, H. C., to whom a number of the females of this importation were bred.

OXFORD YOU'LL DO, P. 4075, H. C., winner of 1st prize over Jersey, with his progeny, at the bull show on the Island, April, 1911. This is the most valuable prize and the greatest distinction that can be accorded a bull. He is now at "Linden Grove," where we have a sensational line of his get to prove his prepotency. He has already 22 official test daughters (see notes opposite Pedigree C).

OXFORD KNIGHT, P. 3938, C., sire of 12 tested cows, 5 of them in Register of Merit with year's butter records averaging 575 lbs. 8 ozs., at 5 yrs. 3 mos. old. Six of his tested daughters were imported by "Linden Grove" and sold in our auctions for an average of \$927, at 5½ yrs. old.

OXFORD EVA, 177094, dam of Oxford John D., 90048, whose three Register of Merit daughters averaged 469 lbs. 1 oz. butter in one year, at an average age of 2 yrs. 9 mos.

The daughters of Oxford You'll Do will open the eyes of breeders and capture the hearts of the dairymen. They are of a "finished" dairy type, with wonderful udders, long, well-placed teats, and are deep and easy milkers.

No. 51. Heifer.

GOLDEN IVY OF OAKLANDS, 353283, A. J. C. C.

Bred by J. A. Perrec, St. Saviour, Island of Jersey.
Born April 11, 1915.

Solid color, except mottled brisket, stifles, belly, front of right hind ankle and left hind ankle; few white hairs in black switch; black tongue.

Imported August 5, 1915, by T. S. Cooper & Sons.

This handsome heifer types after her distinguished mother; the same vigorous constitution, and symmetry, the same sensible head, and promise of the same perfection in milking machinery; body of great length and depth; strong back and prominent hips; very rugged, yet fine in bone, with thin, mellow hide; tail well set, thin and long, with splendid switch; teats long and beautifully placed. Those seeking the "cream" of the get of Golden Fern's Noble will find in this heifer a great individual, from a wonderful dam.

Sire

(See front pages for pedigree of Jolly Sultan of Linden, 120838.)

No. 53. Heifer Calf.**VIOLA'S GOLDEN PANSY, 344300, A. J. C. C.**

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born September 5, 1915.

Spot in forehead; spots on hind legs; brisket, left stifle and tongue white; black-and-white switch.

As beautiful a heifer as we have ever seen. The right age to show as a calf next fall and have all the advantages of age and development. A sure winner, and bred "in the purple." Time and again have we examined her in search of a "weak place." She seems about perfection, and when we look at her breeding the wish comes that we might again be young enough to build a family from her and watch its development. Stylish in carriage, a lovely light fawn, long bodied, with great depth and spring of rib; top line straight as an arrow, with beautifully set tail; high finish; sweet head and face; skin like that of a mole; splendid udder development, with great long teats perfectly placed. She has the quality and blood that "makes history." Who can foretell what we may write after her name in years to come? Certainly not less than "Grand Champion" and a splendid Register of Merit record. She is of that stamp.

Sire**SULTANA'S GOLDEN JOLLY,
86180, A. J. C. C.**

The handsomest and best bred bull ever owned at "Linden Grove." He is the admiration of all Jersey breeders, and is not for sale at any price. The question has quite often been asked, "What would Sultana's Golden Jolly bring on the Island?"

His son, The Owl's Golden Jolly, 100180, sold as a yearling in our '12 auction for \$675.

At the National Dairy Show, Chicago, '11, competing against two Cham. winners over the Island and the winners of Championships at eleven of America's most important shows in '11, he won the following:

1st prize in 2-yr.-old class, 6 entries.
Senior Champion bull, 2 years old or over.
Grand Champion bull, any age.

Gold Medal offered by American Jer. Cattle Club for Grand Cham. bull bred by exhibitor.

Headed herd winning \$200 Special prize, "bull and 10 females."

Silver Trophy (\$100 Special) for Grand Champion bull.

Sired the 5 animals winning 1st prize for calf herd, 5 entries.

Defeating the Cham. winners at Ohio, Indiana, Kentucky, Illinois, Michigan, Wisconsin, Iowa and Minnesota State Fairs, Waterloo (Iowa) Dairy Show, National Jer. Show (Shelbyville, Ky.), International Dairy Show (Milwaukee, Wis.), '11; and Champions over the Island in '09 and '10.

His only daughter tried for Register of Merit work made 308 lbs. 5 ozs. butter in 9 months of her year's test, beginning at 2 yrs. 5 mos. old.

He is sire of:

Golden Fern's Jolly, 100629, winner of Grand Championship at Mississippi-Alabama Fair, '13, '14 and '15. (Bred at "Linden Grove.")

Golden Sultana, 146282, A. J. C. C.

Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. We afterward bought her for the "Linden Grove" home herd.

Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, H. C., out of Sultane 9th, P. 1145, H. C., winner of many first prizes over the Island and dam of Uncle Peter, P. 2115, H. C. Her granddam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Marett. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her granddam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily.

She is dam of Sultana's Oxford Lad, that sold in our '10 auction sale for \$11,100, and she selling in same sale when 12 years old for \$3,700.

She is a full sister to Sultane's Snowdrop, dam of Sultan of Oaklands. Her son, Sultana's Oxford Lad, whom we sold to Elmendorf Farm for \$11,100, produced for them, Elvirian Lad, 106674, 1st prize yearling bull (9 entries), Junior and Grand Champion, Illinois State Fair, '13. Sultana's Oxford Lad has 4 daughters in Register of Merit; his son, Sultana's Fawn Prince (bred at "Linden Grove"), also has 4 daughters in Register of Merit. His daughter, Sultana's Jolly Princess, sold in our auction for \$1,600.

Her son, Gedney Farm Blue Fox's Sultan, 72755, produced Golden Daisy Fox, in Register of Merit, 419 lbs. 4 ozs. butter in 1 year, at 2 years old; and Exila Fox Sultana, in Register of Merit, 343 lbs. 8 ozs., at 2 years old—the former owned and tested by Cornell University, and the latter by Mr. H. C. McLallen, Trumansburg, N. Y.

Her daughter, Sultana of Linden, was sold in our '10 auction for \$1,750, at 8 months old.

Golden Jolly, P. 2921, H. C.

1st prize and Champion, North Show, '00. A famous sire of butter cows and winners.

Poppy Viola, P. 10902, H. C. (now named Golden Jolly's Lady Viola), that we imported in '06. We re-bought her at Mr. J. M. Overton's sale, '08, for \$2,550. She is looked upon on the Island as having made the most phenomenal public butter test (taking into consideration age and lactation) ever made, testing 1 lb. 15 ozs., 159 days in milk, being only 30 mos. old. She made a private test at home of 2 lbs. 9 ozs. in 24 hours.

Goddington Bagatelle, public butter test, 1 lb. 6 ozs. in 24 hours.

Noble of Oaklands (above mentioned) now has 37 butter test daughters and 28 producing sons, including Noble's Jolly Sultan, a Champion winner, sire of 11 tested cows.

No. 54. Heifer Calf.

YOU'LL DO'S SARAH, 344299, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born September 4, 1915.

Few white hairs in forehead; line on right shoulder; brisket, right stifle, belly, legs, tongue and switch white.

She possesses all the stamina and excellence of her wonderful dam, Raleigh's Sarah, whose influence, when it met that of Oxford You'll Do, appears to have formed a most "happy nick." A very rugged, handsome heifer, long bodied, with capacious, well ribbed barrel; beautiful top line; broad, strong loins; great length of rump, and beautifully set tail; udder development of unusual promise, teats of great length, perfectly placed. Will undoubtedly make a great business cow, and a handsome one. For a glimpse into her future, see the picture of her dam, Raleigh's Sarah, on opposite page. Our sincere advice to a young breeder, ambitious to build up a really great herd, is that he cannot pay too high a price for heifers of this quality and breeding.

Sire
OXFORD
YOU'LL DO,
P. 4075, H. C.,
now named
IMPORTED
OXFORD
YOU'LL DO,
111860, A. J. C. C.

Winner of 1st pr. over Jer., with his progeny, at the bull show on the Island, April, '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

Full brother to Oxford Knight, P. 3938, C., sire of 12 butter test cows, and of other prize winners.

Oxford You'll Do is comparatively a young bull, and his daughters are making their mark in the butter tests.

21 of them now have official butter tests, including You'll Do's Favorite, now on test and will make close to if not quite 900 lbs. butter as a four-year-old.

He is sire of many 1st prize and Champion winners, including Golden Oxford Ivy, Champion over Jersey at the Royal Show, May, '15; 1st at the Royal Show (76 entries), and as a 3 year-old (68 entries). (She is catalogued No. 50 of this auction.)

RALEIGH'S SARAH, 252134, A. J. C. C.

ONE OF THE "FAMILY" OF THE GREAT EMINENT'S RALEIGH, 69011 (P. 3273, H. C.).

Dam of the Beautiful Oxford You'll Do Heifer, YOU'LL DO'S SARAH, 344299, A. J. C. C.

(See Opposite Page.)

Raleigh's Sarah was one of the grandest cows catalogued for our 1911 auction, but was not in condition on sale day. When Mr. W. R. Spann and Mr. Tom Dempsey were at "Linden Grove" in the winter, snow on the ground, at the time she calved, they were so enthusiastic over her that they insisted we have her out for a photograph; in spite of the fact that she had not shed, it does not take an expert to see the quality reflected in the picture above.

Her sire, Eminent's Raleigh, 69011, has sired seven first prize winners on the Island, including Raleigh's Fairy Boy and Mabel's Raleigh, the latter sire of Fairy Glen's Raleigh. Eminent's Raleigh has 48 tested daughters, 24 of them in Register of Merit; his sons, Raleigh's Fairy Boy and Mabel's Raleigh, have respectively, 40 and 24 tested daughters; and his grandson, Fairy Glen's Raleigh, has 16 (a young bull). Eminent's Raleigh was by Eminent 2d, sold in our 1905 auction for \$10,000, and sire of 81 tested cows. His sire, Golden Fern's Lad, has 31 tested daughters, and 26 sons with tested daughters. Flying Fox, by Golden Fern's Lad, leads all bulls, imported or domestic, in the number of sons with tested daughters, having 43.

The dam of Raleigh's Sarah was a Highly Commended daughter of the Golden Fern's Lad bull, Mauser, P. 2892, H. C., who has a number of great cows to his credit, including Mauser's Pennithorpe, who is dam of Mabel's Raleigh's Prince, imported by "Linden Grove" and sold to Mr. H. M. Snider, Wickliffe, Ohio. Mauser's Pennithorpe was sold at auction for \$1,150, to Mr. Howard Willets, and her son, Pennithorpe's Raleigh, sold for \$3,100 at auction.

Sarah's Sultan, 120S37, son of Raleigh's Sarah (by the lamented Sultana's Golden Jolly, 861S0), was sold in our 1914 auction, when 12 months old, for \$610, to Mr. T. P. Middleton, Eminence, Ky., for whom he won, at the Tennessee State Fair, first prize in the yearling bull class, and headed the first prize breeders' young herd.

No. 55. Cow.

OXFORD'S MAGGIE CANNON, 289458, A. J. C. C.

(Mifanwy, F. 16339, C.)

FULL SISTER TO OXFORD'S MAGDALENE, 271103, IN REGISTER OF MERIT, CLASS AA, 327 LBS. 6 OZS. BUTTER IN 1 YEAR, AT 2 YEARS 8 MONTHS OLD.

FULL SISTER TO YOU'LL DO'S MAGDALENE, 353259 (SEE OPPOSITE PAGE).

Bred by E. G. Maret, Grouville, Island of Jersey.
Born March 26, 1909.
Imported January 28, 1913, by T. S. Cooper & Sons.

Solid color, except spot on brisket and right stifle, and mottled belly; black-and-white tongue; black switch.

A splendid golden fawn, and a beauty. An "Oxford You'll Do," and one of great scale and capacity; lovely head, with rich, amber horns; sharp, prominent withers; body long, deep and well ribbed, with broad, prominent hips; her outline is the symmetrical wedge shape, a dairy type in every particular; skin thin and mellow; belly covered with a network of tortuous veins that appear about to burst; has a splendid udder of enormous size, beautifully veined and balanced, with great large teats wide apart and squarely placed. We can pay to "Maggie Cannon" the greatest compliment that may be bestowed upon a cow: FIT TO BE THE MOTHER OF ANY BREEDER'S HERD BULL.

Sire

OXFORD YOU'LL DO, P. 4075, H. C. —

Winner of 1st pr. over Jer., with his progeny, at the bull show on the Island, April, '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

Full brother to Oxford Knight, P. 3938, C., sire of 12 butter test cows, and of other prize winners.

Imported by "Linden Grove" and registered as Imported Oxford You'll Do, 111860—not for sale.

He is sire of the bull winning Grand Championship at Indiana State Fair, '15, and sold in our auction for \$525.

His daughter, You'll Do's Favorite, sold in our '14 auction as a 3-year old for \$500, now under year's official test, will make more than 900 lbs. butter.

His daughter, Golden Oxford Ivy, won 1st prize in her class (76 entries) and the Theatre Challenge Cup (Championship over the Island) at the Royal Show, May, '15; she also won 1st prize in her class (68 entries) at Royal Show, May, '14.

Among others, he sired the following prize winners.

Oxford You'll Do, Jr., 102269, 1st prize senior yearling bull and Junior Champion, Oregon State Fair, '12; sold at auction in '12 for \$850.

Combination You'll Do, 106878, 1st prize junior yearling bull, Minnesota State Fair, '12; Grand Champion, Wisconsin and Minnesota State Fairs, '13; and other prizes.

Oxford Plush, 234553, 1st prize at Minnesota and Wisconsin State Fairs and National Dairy Show, '09.

Crippen, 1st prize senior bull calf, Ore. State Fair and Spokane Interstate Fair, '11.

Nineteen of his progeny, in our '14 auction, sold for an average of \$683.42, including 8 not in milk, 4 of them being bull calves.

No living sire has put the stamp of CAPACITY—a highly finished DAIRY TYPE—more unerringly on his daughters than has Oxford You'll Do.

(See opposite page for his extended pedigree.)

"The first of the most celebrated family the Island has ever seen."

Bred April 31, 1916, to Golden Fern of Linden, 84011, one of the most prepotent sons of Golden Fern's Lad, and "bred to order," our desire being for a son of Golden Fern's Lad out of the great cow, Golden Lad's Industry, 162058, one of the greatest daughters of Golden Lad, P. 1242, H. C., ever owned at "Linden Grove." His progeny have fulfilled our fondest expectations, and they have been highly appreciated by some of our best breeders. (See front pages for extended pedigree of Golden Fern of Linden, 84011.)

OXFORD'S MAGGIE CANNON, 289458, A. J. C. C.

A HIGHLY COMMENDED DAUGHTER OF OXFORD YOU'LL DO, P. 4075, H. C. PARENTS AND GRANDPARENTS ALL HIGHLY COMMENDED.

(See her pedigree on opposite page.)

A GREAT SHOW AND DAIRY COW, SEVEN YEARS OLD, WEIGHT 910 LBS. ON APRIL 21, 1916. SHE HAS MILKED 22 TO 24 QUARTS DAILY.

She and her full sister, You'll Do's Magdalene, 353259, see No. 56 of catalog, are highly desirable in quality as well as breeding. They have for dam, a Highly Commended daughter of the Flying Fox bull, Morny Cannon, P. 3058, H. C., a most successful sire of great dairy cows. We have never, to our knowledge, seen anything but superior stock from Morny Cannon, who is a full brother to Flying Fox's Oxford Queen, 870 lbs. 8 ozs. butter in 1 year, the highest testing daughter of Flying Fox. Morny Cannon is out of the same dam as Oxfordshire, 63548, who has 12 daughters in the Register of Merit averaging 514 lbs. 13 ozs. butter in 1 year, at 4 years old. (Oxfordshire was imported by "Linden Grove" and sold as a calf for \$90.) Morny Cannon is also full brother to Fox's Owlet o' Dreamwold, 182991 (bred at "Linden Grove"), butter test 569 lbs. in one year. (Flying Fox's Oxford Queen was sold in our auction for \$900, at 24 mos. old.)

Morny Cannon has a number of Register of Merit daughters, and several others have won Certificates of Merit in the public butter tests. Among other great cows he is sire of:

Magdalene, P. 12144, H. C., the dam of Oxford's Maggie Cannon and You'll Do's Magdalene (Nos. 55 and 56 of this catalog).

Cymbeline, P. 11670, H. C., public butter test, 1 lb. 8½ ozs. in 24 hrs., 9 yrs. old, 101 days after calving. Dam of Cowslip's Cymbeline, 353231 (No. 25 of catalog).

Golden Fleece 6th, P. 13399, H. C., the dam of You'll Do's Golden Fleece, 353221 (No. 115 of catalog).

Simple Interest 4th, public butter test, 1 lb. 9¾ ozs., 123 days after calving; dam of the celebrated cow, Sultan's Finance, 353206, whose daughter is catalogued for this auction (No. 101 of catalog).

Japanese, P. 11848, C., dam of Miss Togo, public butter test, 1 lb. 12¾ ozs., and Togo's Oxford, 3d at Royal Show, 42 entries, April, 1911. Japanese is also dam of Raleigh's Japanese, P. 15055, C., whose daughter, the Highly Commended cow, Raleigh's Japanese Fern, 353243, will be sold in this auction. (See No. 29 of catalog.)

AGATHA'S OXFORD LASS, P. 11386, H. C.

(75 PER CENT. SAME BLOOD AS THE NOTED BULL, OXFORD YOU'LL DO, P. 4075, H. C., WHO IS ATTRACTING MUCH MERITED ATTENTION FROM CRITICAL JERSEY BREEDERS.)

Certificate of Merit, Public Butter Test, May, 1908, 1 lb. 10 ozs., 97 Days in Milk (Cows Under Five Years).

Certificate of Merit, Public Butter Test, May, 1909, 2 lbs. 1½ ozs., 83 Days in Milk.

Winner of First Prize over Jersey and Theatre Challenge Cup, May, 1911.

Reserve for Renouf Cup, "Best Butter Test Cow Judged by Inspection," May, 1909.

Agatha's Oxford Lass, and her sister by Oxford Lad, are two of the most valuable cows in the herd of Mr. J. A. Perree, Secretary of the Jersey Herd Book.

Her sire, Agatha's Flying Fox, P. 3256, H. C., won First Prize over the Island, in a class of 41, 1902. He is also sire of the famous bulls, Combination, Sultan of Oaklands and Gamboge's Knight. Gamboge's Knight is sire of Oxford You'll Do, P. 4075, H. C., and Oxford Knight, P. 3938, C. (as below).

The dam of Agatha's Oxford Lass is Oxford Ever, P. 8370, H. C., a daughter of the celebrated Oxford Lass. Oxford Ever is also dam of:

Oxford Triumph, P. 12120, H. C., Certificate of Merit, May, '08, 1 lb. 14 ozs., when 107 days in milk, as a three-year-old.

Oxford You'll Do, P. 4075, H. C., winner of First Prize over Jersey, with his progeny, at the bull show on the Island, April, 1911.

Oxford Knight, P. 3938, H. C., sire of 12 butter test cows. Two of them, in our 1913 auction, viz., Oxford's Gala Rose, 287781 (Gala Rose, P. 14461, H. C.), and Oxford's Milkmaid, 288005 (Queen Fanessa, P. 15587, C.), sold for \$1,025 and \$1,000, respectively.

AGATHA'S OXFORD LASS IS DAM OF THE BULL, AGATHA'S OXFORD NOBLE, P. 4850, H. C., WHOSE PEDIGREE APPEARS ON PAGE 78 OF CATALOG.

No. 56. Cow.

YOU'LL DO'S MAGDALENE, 353259, A. J. C. C.

(Titania, P. 19401, H. C.)

FULL SISTER TO OXFORD'S MAGGIE CANNON, 289458, A. J. C. C. (SEE OPPOSITE PAGE).

FULL SISTER TO OXFORD'S MAGDALENE, 271103, IN REGISTER OF MERIT, CLASS AA, 327 LBS. 6 OZS. BUTTER IN 1 YEAR, 2 YRS. 8 MOS. OLD.

Bred by E. G. Marett, Grouville, Island of Jersey. Born May 2, 1912.

Imported Oct. 31, 1915, by T. S. Cooper & Sons. Brisket and belly mottled; two specks behind right shoulder; left fore ankle speckled; white tongue; ring above black-and-white switch.

A sweet-faced light fawn of strong dairy temperament and type, handsome outline and great vitality; Highly Commended, and from Highly Commended parents; has a full sister in Register of Merit, another that will qualify with a great record if given a test, and she herself can go right out of this sale ring and make a year's record without "forcing." She has great depth of body and unusual spring of rib for her years; strong back, broad loins and long rump; large udder, of beautiful shape and texture, which milks out "like a rag," with good-sized teats perfectly placed. A valuable young cow, from whose rare breeding and individuality we have the right to expect great things.

AGATHA OF OAKLANDS, 162101, A. J. C. C.

(A Highly Commended Cow, Agatha, F. 8432, H. C., J. H. B.)

(Grandam of the Great Bull, Gamboge's Knight, P. 3645, H. C., Sire of Oxford You'll Do, P. 4075, H. C.—see Front Page C.)

Agatha of Oaklands sold in our 1902 auction sale for \$1,700.

Official Butter Test, 2 lbs. 1½ ozs. in 24 hours, Jersey Weight, being in milk 142 days.

Winner of First Prize at the Three Western Parishes in 1899.

Winner of First Prize and Championship (Silver Cup), St. Saviour Show, 1900.

First Prize over Jersey, beating former Royal Winners, in 1900.

First Prize in Champion Class at St. Saviour and Grouville Show, 1901.

Sweepstakes over the entire show, beating Royal Winners.

First at the Royal in 1901 in Champion Class, beating former Winners.

She is not only a Champion winner herself, but a breeder of Champion winners, as her son, "Agatha's Flying Fox," won First Prize at St. Saviour Show, April 3, 1902, as well as Sweepstakes at same show, and finished up by taking First Prize at the Royal Show of Jersey, April 9, 1902, in a class of 44 bulls. He also won First Prize over Jersey, August, 1903. Agatha's Flying Fox is sire of the celebrated bulls, Gamboge's Knight, Sultan of Oaklands, Combination and others. His descendants in this sale show the wonderful quality of this celebrated and successful family. He is sire of the sensational cow, Agatha's Oxford Lass (see picture opposite No. 78).

Agatha's Flying Fox was born in February, 1901, fifteen years ago, and it is only within the past six years, since his sons and daughters are reproducing the wonderful dairy and show-ring qualities of his dam, Agatha of Oaklands, that the true value of Agatha's Flying Fox is being appreciated. It recalls the fact, which we have so often pointed out, that breeders too frequently do not give a bull credit for his merits until it is too late to take full advantage of his qualities. (They often do not give sufficient consideration to the fact that a bull, to be prepotent, must be from a great producing dam as well as by a prepotent sire. We have been as careful to satisfy ourselves on this point, with every bull we have exploited, or whose get we have patronized.) This was true of Flying Fox, of Golden Lad, and of Oxford Lad—the latter bull being actually condemned by some until his daughters came in with their second and third calves. It is only then that the true prepotency of a sire is known. (Flying Fox sold for \$7,500 in our May, 1902, auction. He is sire of Agatha's Flying Fox; also sire of Oxford Lad, and great-grandsire of Noble of Oaklands.)

(See Pedigree C for Further Particulars and Extended Pedigree of Oxford You'll Do, P. 4075, H. C.)

YOU'LL DO'S BENEFIT, 353257, A. J. C. C.

A HIGHLY COMMENDED DAUGHTER OF OXFORD YOU'LL DO, P. 4075, H. C., BOTH PARENTS HIGHLY COMMENDED.

(See her pedigree on opposite page.)

Her sire, Oxford You'll Do, has already 22 or more official test daughters, 12 of them in Register of Merit, and another just finishing test with 900 lbs. or more of butter as a four-year-old.

The cow winning 1st at New York State Fair as a three-year-old, 1st at Connecticut State Fair as a four-year-old, and 1st at New York State Fair as a 5-year-old (besides being dam of the pair winning 1st as "produce of cow"), is a daughter of Oxford You'll Do, and has made the Register of Merit with 774 lbs. 7 ozs. butter in one year.

He sired the Champion cow over the Island of Jersey in May, '15, who also won 1st in her class (76 entries) as a three-year-old, and 1st as a two-year-old (68 entries), Royal Island Show.

He also sired the 1st prize bull at Royal Show, Class 2, 19 entries, in May, '15; the Grand Champion bull, Indiana State Fair, '15 (bred at "Linden Grove" and sold in our '14 auction as a calf for \$525); the 1st prize three-year-old cow (11 entries), Texas State Fair, '15 (sold in our '14 auction for \$745); the Grand Champion bull of the Minnesota and Wisconsin State Fairs, '13, who produced the Junior Champion heifer at Iowa State Fair and at Waterloo Dairy Show, '15; and many other 1st prize and Champion winners.

Nine of his daughters in our '13 auction—six of them heifers and heifer calves—sold for an average of \$504.44; and 19 of his progeny in our '14 auction averaged \$683 (eight of them bulls and calves of both sexes).

(See front page C, and notes opposite No. 47 of catalog, for further particulars concerning Oxford You'll Do, P. 4075, H. C.)

Register of Merit cow. She was sold in our '14 auction for \$700. She is the highest testing daughter of Fancy's Pioneer. The sire of Golden Fern's Mon Plaisir is Golden Fern's Noble, P. 4570, H. C., winner of numerous first prizes at the Royal Shows, a son of Noble of Oaklands, 95700, sold in our 1911 auction for \$15,000, and Lady Aldan, P. 8470, H. C., one of the greatest daughters of Golden Fern's Lad. (See No. 5 for extended pedigree of Golden Fern's Mon Plaisir, 122755.)

No. 60. Heifer.

GOLDEN NOBLE'S MAISIE, 326752, A. J. C. C.

Bred by Estate of J. B. Haggin, Lexington, Ky.
Born August 5, 1914.

Solid color; black tongue and switch.

A very substantial, rich fawn-colored heifer, handsome head, with prominent eyes wide apart, dished face; strong, straight back; good hips; fine in bone, and skin like a glove; beautiful development of udder and perfect placing of teats. A double granddaughter of Noble of Oaklands, with the blood that produced Willoh's Rosy and Nursie, two great public butter-test cows.

Sire

GOLDEN NOBLE BOY, 108711.

An exceedingly handsome son of Noble of Oaklands. His half-brother, Bright Prince, was purchased by B. H. Bull & Son of Canada to head their celebrated herd.

Bright Prince was imported by "Linden Grove" and sold in our '12 auction. He now has 7 butter test daughters, including Bright Prince's Jolly Girl, 573 lbs. 13 ozs. butter in 1 year as a three-year-old, winner of 6 first prizes and 5 Senior and Grand Championships.

Brighton, P. 4043, H. C., out of same dam, has 2 tested daughters and 2 tested granddaughters; he sired Edissa Primrose, 2d prize aged cow, 15 entries, Pacific Live Stock Exposition, '15.

SULTANA'S VERNONIA, 262194, A. J. C. C.

Winner of First Prize in a Strong Ring of Heifer Calves, at the National Dairy Show, 1911, and Was the Best Heifer in the Calf Herd that Won First Prize (all Sired by Sultana's Golden Jolly).

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born January 15, 1911.
White in forehead; line on withers; brisket, stifles, belly, flanks, legs, tongue, tail and switch white.

A young cow of unusual distinction, in pedigree and individuality. Many said she would have topped our 1914 auction if offered, but she could not be sold owing to an accident which made her lame, though a number expressed themselves as wishing to bid on her. She has a sweet head, with dished face; horns small and amber colored; dark, prominent, sparkling eyes; straight, strong back and beautiful setting of tail. She is out of the same dam, and carries 75 per cent. the same blood, as Viola's Brown Prince, 90067, whose get were much admired in our previous auction. Has a body of great length and depth, on short, clean limbs; udder of astonishing size when fresh, extending away forward and out behind; long teats, beautifully placed.

Sire

SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.

The premier sire of the "Linden Grove" herd. He was bred here, and has never been off the place, except when exhibited at the Nat. Dairy Show, Chicago, '11, where he won Grand Championship, A. J. C. C. Gold Medal, and other honors never achieved by any other bull of any breed.

His progeny have been in such demand that it was with great difficulty we were able to retain any of them. Most have been sold young, to some of the best American breeders.

But one of his daughters, to our knowledge, has been tried for Register of Merit test. She produced, as a two-year-old, 377 lbs. 8 ozs. butter in 1 year.

He has sired the winners of many 1st and Gr. Champion prs.

Dam

VERNONIA 3d,
P. 12593, H. C.,
now namedLADY
VERNONIA'S
DAUGHTER,
213949, A. J. C. C.

A splendid daughter of the famous cow, Vernonia, F. 8706, H. C.

Full sister to Vernonia, P. 3518, H. C., sire of Miss Bagatelle, P. 13311, H. C., Certificate of Merit and 3d Goddington pr., May, '10, 2 lbs. 8½ ozs., 97 days in milk; Certificate of Merit, Oct., '08, 1 lb. 13½ ozs., 120 days in milk; and Pretty Rosy, P. 12758, C., Certificate of Merit, Oct., '09, 1 lb. 14 ozs.

Dam of the prepotent young bull, Viola's Brown Prince, 90067, that we sold in '13 to Mr. William S. Bransford, Nashville, Tenn.

Viola's Golden Jolly, 79314, A. J. C. C. Sold in our May, '09 auction for \$12,000. Sold in Kintloch Farm auction, '11, for \$13,000. Sire of 9 cows in Register of Merit with good year's records as young cows. Sire of a long list of pr. winners, too numerous for mention here.

Golden Sultana, 146282, A. J. C. C.

Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. We afterward bought her for the "Linden Grove" home herd.

Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, H. C., out of Sultane 9th, P. 1145, H. C., winner of many first prizes over the Island, and dam of Uncle Peter, P. 2115, H. C. Her grandam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Maret. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her grandam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily.

She is dam of Sultana's Oxford Lad, that sold in our '10 auction sale for \$11,100, and she selling in same sale, when 12 years old, for \$3,700. She is a full sister to Sultane's Snowdrop, dam of Sultana of Oaklands. She is dam of Gedney Farm Blue Fox's Sultan, 72755, sire of two 2-year-olds in Register of Merit with year's butter records.

SULTANA'S OXFORD MOONBEAM, 306716, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born February 28, 1914.

White line on right shoulder and on left hip; brisket, stifles, belly, flanks, legs, tongue, tail and switch white.

A captivating and highly finished heifer, very attractive in her fawn-and-white coloring; a lovely head, long, slender muzzle; large, sparkling eyes; has a strong, level back, deep body, well ribbed; good udder development, with teats of good size, well placed. She is not only a daughter of the sensational Sultana's Golden Jolly, 86180, but she has for dam a splendid daughter of Oxford Knight, P. 3938, C., full brother to Oxford You'll Do, P. 4075, H. C.

Sire

SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.

The premier sire of the "Linden Grove" herd. He was bred here, and has never been off the place, except when exhibited at the Nat. Dairy Show, Chicago, '11, where he won Grand Championship, A. J. C. C. Gold Medal, and other honors never achieved by any other bull of any breed.

His progeny have been in such demand that it was with great difficulty we were able to retain any of them. Most have been sold young, to some of the best American breeders.

But one of his daughters, to our knowledge, has been tried for Register of Merit test. She produced, as a two-year-old, 377 lbs. 8 ozs. butter in 1 year.

He has 75 per cent. same blood as the highest testing daughter of Viola's Golden Jolly, who under year's test had produced 672 lbs. butter in 10 months.

He has sired the winners of many 1st and Gr. Champion prs., including:
Golden Fern's Jolly, 100629, Gr. Cham. bull at Mississippi-Alabama Fair in '13, '14 and '15. Sire of numerous winners. (Bred at "Linden Grove.")

Sultana's Vernonia, 1st prize beifer calf and member of 1st prize calf herd, National Dairy Show, '11. (This herd was bred at and exhibited by "Linden Grove," and all sired by Sultana's Golden Jolly.)

(See other pedigrees, and front page B, for his extended pedigree.)

3d pr. at the great St. Louis Show (24 entries), Sept., '04, and sold in the ring for \$2,350, to Mr. H. Willets, owner of Gedney Farm, from whom we purchased her for the "Linden Grove" herd.

Sold in our '10 auction for \$3,700; and at same time her son, Sultana's Oxford Lad, sold for \$11,100. Dam of 3 bulls with daughters in Register of Merit.

Oxford Knight,
P. 3938, C.

Full brother to the celebrated bull, Oxford You'll Do, P. 4075, H. C.

Sire of 12 tested cows, including:
Queen Fanessa, P. 15587, C., Certificate of Merit and 2d Par. prize, public butter test, May, '12, 2 lbs. 3 ozs. in 24 hours, and only three years old. (Now named Oxford's Milkmaid, 288005, and sold in our '13 auction for \$1,100 to Ayer & McKinney, Philadelphia, Pa.)

Moonsshine,
P. 8933, H. C.

She traces to families that made themselves famous in the earlier days. Twice to Scipio, and twice to old Quality, the dam of Happy and Everton King.

Her great-grandam, Ecornee, F. 846, H. C., was the dam of Mr. S. M. Burnham's great cow, Ona, 7840, who made 22 lbs. 10½ ozs. of butter in 7 days in '84, and produced the great bulls, Catono, 3761; Gold Coast, 5521, and Ona's Koffee, 9745.

Gamboge's Knight,
P. 3645, H. C.

Winner of 2d pr. over Jersey (with his progeny), Apr., '08. Sold at our '11 auction for \$6,700 to White Horse Farm, Paoli, Pa., who bought six of his daughters in a single lot at \$1,750 each.

Eleven of his daughters, in our '11 auction, averaged \$1,391.36.

At the National Dairy Show, Chicago, '11, every animal in competition, sired by Gamboge's Knight, did honor to its sire, winning among other prizes:

1st prize for get of sire.
1st prize for produce of cow.

1st prize for four cows in milk.

1st and 2d prize yearling bulls (out of dams by Gamboge's Knight).

His son, Oxford You'll Do, won 1st prize for bull and progeny at the Apr., '11, bull show, Island of Jersey. Forty-one of his daughters are tested and others are now making records.

Three of his tested daughters made over 700 lbs. butter in 1 year; all were imported by "Linden Grove" and sold in our auctions.

No. 64 Heifer.

SULTANA'S JOLLY LASS, 310534, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born February 28, 1914.

Spot in forehead; some white on brisket and belly; legs, tongue and switch white.

A rich orange fawn, developing great body capacity and dairy type; neat head; eyes large and bright; strong, level back; wide, prominent hips, and good rump; promises a beautiful udder, with large and beautifully placed teats. She is strong in the blood of Golden Fern's Lad, and close up to those famous cows, Blue Belle, Lady Viola and Golden Sultana.

Sire
**SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.**

Winner of Gold Medal (Amer. Jersey Cattle Club) at Nat. Dairy Show, Chicago, '11, for Grand Champion bull bred by exhibitor; and other honors.

He has the precise markings of his famous dam and his illustrious grandsire, Golden Fern's Lad; and his value as a breeder and show bull can only be estimated by comparison with the value that Golden Fern's Lad has been to the Jersey interests at large.

A bull that is receiving the patronage of some of America's best breeders, such as Messrs. Ayer & McKinney, Mr. R. A. Sibley, Hon. Robert J. Fleming, of Toronto, and others.

He sired Golden Fern's Jolly, 100629, 1st prize 2-year-old bull, Senior and Grand Champion, Mississippi-Alabama Fair, '13, '14 and '15.

The get of Sultana's Golden Jolly have been in great demand, and it has been difficult for us to retain any of them.

He has been exhibited but once, and on that occasion achieved perhaps greater distinction than was ever accorded a Jersey bull in the show rings of this or any other country.

(See opposite page for further particulars concerning this sensational Gr. Cham. bull.)

Dam
**BLUE BELLE'S
JOLLY LASS,

Sire
**SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.**

Son of Viola's Golden Jolly, 79314, and Golden Sultana, 146282, one of the greatest daughters of Golden Fern's Lad, P. 2160, H. C. At the National Dairy Show, Chicago, '11, competing against two Cham. winners over the Island and the winners of Championships at eleven of America's most important shows in '11, he won the following:
1st prize in 2-yr.-old class, 6 entries.

Dam
**FOX'S BAYLEAF
OF OXFORD,
289460, A. J. C. C.
(BAY LEAF 50th,
F. 16327, C.)**

She was sold in our '14 auction for \$1,225, as a four-year-old, to Mr. Ed. C. Lasater, owner of the Falfurrias Herd, Falfurrias, Tex.

Oxford You'll Do,
P. 4075, H. C.

Winner of first prize over Jer., with his progeny, at the bull show on the Island, April, '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

Full brother to Oxford Knight, P. 3938, C., sire of 12 butter test cows, and of other prize winners.

His daughter, Golden Oxford Ivy, P. 18829, H. C., was 1st prize 3-year-old over the Island of Jersey (68 entries), May, '14; 1st prize 4-year-old (76 entries) and Theatre Challenge Cup (Championship) over the Island, May, '15. She is now in the "Linden Grove" herd.

He has 21 or more official test daughters. You'll Do's Favorite, 306639, sold in our '14 auction for \$500, to Mr. E. T. Bedford, Green's Farms, Conn., is now under official test, and will produce 900 lbs. or more of butter in a year, as a four-year-old.

Oxford You'll Do has been in the "Linden Grove" herd for 3 years. The large number of uniformly excellent daughters now in the herd, and the showing of his progeny in the butter tests and showing ring, substantiate our assertion that he is the greatest living male representative of the Oxford-Gamboge family.

Bay Leaf 28th,
P. 12038, H. C.

Her grandsire, Morny Cannon, P. 3058, H. C., won 3d prize over Jersey, with his progeny, April, '07. He is sire of Duchess of Tapon, F. 9658, H. DOROTHY'S NOBLE FERN, 353250, A. J. C. C.

(P. 19097, H. C.)

Official R. J. A. S. Record as a Two-Year-Old, in 1914-1915, 470 Lbs. 5.2 Ozs. Butter in 361 Days, 7,103 Lbs. Milk.

Bred by P. J. Ahier, St. Martin, Island of Jersey.
Born December 5, 1911.

Broken color; white tongue and switch.

Imported October 31, 1915, by T. S. Cooper & Sons.

A magnificent young dairy cow, of most distinguished butter breeding; one of the most valuable cows, for the foundation of a great herd, that has been brought across the Atlantic. The best daughter, by test, of Golden Fern's Noble, and out of the best daughter, by test, of Leda's Golden Lad; and her maternal granddam is one of the most noted public butter test cows the Island has ever produced. We have imported a number of the representatives of this family, and all have been extra high class individuals. Dorothy's Noble Fern is fully capable of sustaining her family honors. A splendid individual, of the strongest dairy quality; handsome head; bright, intelligent eyes; body of great scale, wide and deep; rich mulberry fawn color; hide thin and mellow; a large cow for her age, of rugged constitution; strong back, wide hips, great length of rump, and well-set tail, with generous switch; long milk veins, entering the body away forward on belly; beautiful udder of great size, large teats perfectly placed. A COW TO BANK ON.

Sire

GOLDEN FERN'S NOBLE, P. 4570, H. C.

Due October 4, 1916, by Jolly Sultan of Linden, 120838, a magnificent son of our peerless Grand Champion, Sultana's Golden Jolly, 86180, strong in the blood of Lady Viola and Golden Sultana, through two lines. His dam, Sultana's Golden Viola, 240363, is by Sultana's Oxford Lad, 76506, out of Golden Jolly's Lady Viola, 203669, one of the greatest daughters of Golden Jolly, being full sister to Viola's Golden Jolly, 79314. (See front pages for pedigree of Jolly Sultan of Linden, 120838.)

(Advertisement in *The Jersey Bulletin*, April 12, 1916.)

WHAT ABOUT THE GRAND CHAMPION BULLS?

THE WINNERS OF PREMIER HONORS, BOTH MALE AND FEMALE,

AT SEVEN OUT OF NINE NATIONAL DAIRY SHOWS,

WERE OF "LINDEN GROVE" BLOOD.

Our recent advertisement, announcing that seven out of nine Grand Champion Females at the National Dairy Show for Nine Successive Years were of "Linden Grove" blood, has brought up the question, **How about the bulls?** It is with no little satisfaction we are able to make the same relative statement about the Grand Champion bulls, as about the cows. Since the National Dairy Show was inaugurated in 1906, nine exhibitions were held annually until 1915.

SEVEN OF THE NINE GRAND CHAMPION FEMALES

AT NINE NATIONAL DAIRY SHOWS

WERE OF "LINDEN GROVE" BLOOD, VIZ.:

- 1906—**EMANON, 52299**, son of Golden Fern's Lad, P. 2160, H. C., who ruled for five years at "Linden Grove" and died here. Emanon had 75 per cent. same blood as Eminent 2d, P. 2532, H. C., who was sold in our 1905 auction for \$10,000.
- 1907—**IMP. BROOKHILL FOX, 65303**, son of Champion Flying Fox, 61441, who sold in our 1902 auction for \$7,500. Flying Fox is a son of Golden Fern's Lad, above.
- 1908—**ROYAL MAJESTY, 79313**, sold in our 1908 auction, on a rainy day, for \$1,000. We always said Majesty was a ten-thousand-dollar bull, though he brought only \$1,000 after leaving "Linden Grove." His sire, Oxford Lad, son of Flying Fox, spent his last days here.
- 1910—**RALEIGH'S FAIRY BOY, 83767**, sold in our 1909 auction for \$8,200, to Mr. C. I. Hudson. His sire, Eminent's Raleigh, 69011, is a son of Eminent 2d, P. 2532, H. C., referred to above.
- 1911—**SULTANA'S GOLDEN JOLLY, 86180**, bred and owned at "Linden Grove," who died here March 31, 1916. His sire is a grandson, and his dam a daughter, of Golden Fern's Lad, P. 2160, H. C.
- 1912—**FONTAINE'S CHIEFTAIN, 97158**, his sire and dam both imported by "Linden Grove"; the former being Noble of Oaklands, 95700 (sold in our 1911 auction for \$15,000), and the latter, a daughter of Eminent's Raleigh.
- 1913—**NOBLE'S EMINENT LAD, 113642**, son of Noble of Oaklands, 95700, out of a daughter of Eminent 2d, P. 2532, H. C.
- (And the Grand Champions of 1909 and 1914 were not so far off from "Linden Grove"; in 1909 the winner was a grandson of Golden Fern's Lad, and the 1914 Grand Champion was by a son of Mabel's Raleigh, who had the same dam as Raleigh's Fairy Boy, above. We owned Mabel's Raleigh at the time of his death on the Island.)

SEVEN OF THE NINE GRAND CHAMPION FEMALES

AT NINE NATIONAL DAIRY SHOWS

WERE OF "LINDEN GROVE" BLOOD, VIZ.:

- 1907—**GOLDEN FERN'S SENSATION**, Grand Champion cow—sold in our 1903 auction for \$530. We recently repurchased her in the Elmendorf Farm auction, and she is now at "Linden Grove," seventeen years old.
- 1908—**JOLLY LADY OF BEECHWOOD**, Grand Champion cow—sold in our 1908 auction for \$510. She has a son by Majesty (sold in our 1908 auction for \$1,000) that has four daughters in Register of Merit.
- 1909—**MAJESTY'S OXFORD LASS**, Grand Champion cow—sold in our 1900 auction for \$510. She has several prize winning sons, and a daughter that sold in our 1911 auction for \$1,750.
- 1911—**GREAT SCOT'S CHAMPION**, Grand Champion cow—sold in our 1907 auction for \$1,750. She is dam of the First Prize Senior yearling heifer at National Dairy Show, 1913, and other winners.
- 1912—**GAMBOGE'S TIDDLEDYWINK**, Grand Champion cow—sold in our 1911 auction for \$1,750. She is the second highest testing daughter of Gamboge's Knight, 744 lbs. 14 ozs. butter in one year.
- 1913—**ULA OF FAIR ACRES**, Grand Champion female—by a son of Noble of Oaklands, who sold in our 1911 auction for \$15,000, and now has 37 official test daughters and 28 sons with official test daughters.
- 1914—**NOBLE'S JOLLY NORA**, Grand Champion female, bred at Elmendorf Farm; by Noble of Oaklands, above; dam, a daughter of Alconora, who produced Combust, sold in our auction for \$700; etc.
- (Golden Fern's Sensation, Majesty's Oxford Lass, Great Scot's Champion, and Gamboge's Tiddledywink are all Register of Merit Cows.)

The Above is a "Reminder" for Those Expecting to Exhibit at the 1916 National Dairy Show, in Springfield, Mass., Next Fall.

We will offer the same sort of material, not only individually, but in breeding—and Golden Fern's Lad shows his face in almost every pedigree. Almost all of the "National" Grand Champions were close descendants of "the Old Plum Tree." The late Hon. A. M. Bowman declared that "the closer you stay with Golden Fern's Lad, the better." It is not surprising that so many breeders, in writing us for stock, are anxious for the blood of Golden Fern's Lad as closely as it can be had in the pedigrees. It makes us appreciate all the more, those great Golden Fern's Lad cows still in the "Linden Grove" herd (in "cold storage").

No. 69. Cow.

SULTAN'S COCOTTE, 252146, A. J. C. C.

(P. 13662, H. C.)

WINNER OF SECOND PRIZE, ST. SAVIOUR SHOW, ISLAND OF JERSEY, 1910.

The high class of the progeny of Oxford You'll Do place him in the front rank among prepotent sires. What would a bull calf be worth, by him out of this Register of Merit cow, to head a herd? (See front pages for extended pedigree of Oxford You'll Do, P. 4075, H. C.)

No. 70. Heifer.

SENSATION'S COCOTTE, 326760, A. J. C. C.

Bred by Estate of J. B. Haggin, Lexington, Ky.
Born September 29, 1914.

Solid color, except small spot on left stifle and on right flank; white tongue; black switch.

A handsome glossy "black," with few white markings; a heifer of high finish and rare breeding; back straight and strong, broad at loins, with thin, well-set tail and good switch; beautiful development of udder, with large and perfectly placed teats.

Sire SENSATION'S NOBLE, 118176.

A splendid bred son of Noble of Oaklands, having for dam one of the grandest cows ever imported from the Island of Jersey. She sold at auction for \$2,250.

He has 75 per cent. same blood as the bull, Golden Fern's Noble, P. 4570, H. C., who won 7 first prizes at the Royal Shows on the Island, and whose get have won 5 or more first prizes for "get of sire" at important shows, including the National Dairy Show, in '14. Golden Fern's Noble was by Noble of Oaklands, out of a daughter of Golden Fern's Lad.

We shall sell in this auction some of the best daughters of Golden Fern's Noble, including the great young butter cow, Dorothy's Noble Fern, whose milk tested an average of 6.1 per cent. fat, and who produced as a two-year-old, in the official R. J. A. S. test on the Island, 470 lbs. 5.2 ozs. butter, 7,103 lbs. milk, in 361 days.

Dam SULTAN'S COCOTTE, 252146, A. J. C. C. (P. 13662, H. C.)

A daughter of Sultan of Oaklands, 78475, sire of 27 tested cows, out of a daughter of Eminent 2d, P. 2532, H. C., sire of 81. Her dam is one of 6 great daughters of the wonderful cow, Cocotte, F. 8300, H. C.

She won 2d prize at St. Saviour Show, Island of Jersey, '10. Imported by "Linden Grove" and sold in our '11 auction for \$875 to Elmendorf Farm, Lexington, Ky., and repurchased by us in the '15 Elmendorf auction. Entered in Register of Merit, Class A, 434 lbs. 8 ozs. butter in 1 year, from 6,820 lbs. 4.8 ozs. milk, at 5 yrs. 10 mos. old. (See opposite page for extended pedigree.)

Noble of Oaklands, P. 3909, H. C. (95700, A. J. C. C.)

1st pr., St. Saviour, '07.
1st pr., Royal Show, '10, for bull and 5 female progeny.

He sold in our '11 auction for \$15,000, at same time his dam sold for \$7,000.

Noble of Oaklands and his sons won all 1st prizes at the bull show, Island of Jer., April, '10. At the bull show, Apr., '11, sons of Noble of Oaklands won 2 out of 4 first prizes.

At the National Dairy Show, Chicago, '11, the special pr. (\$250) for "get of sire, 4 to 8 animals, either sex, irrespective of age or ownership," was won by 3 of his sons and 5 daughters.

More than 200 first prs. and Championships stand to the credit of Noble of Oaklands and his get, so far as the records have been tabulated.

Sire of 37 butter tested cows, 31 of them in Register of Merit with authenticated tests, including:

Noble's Golden Chance, 530 lbs. 15 ozs.

Gentile, F. 794, H. C.

Bred February 7, 1916, to Sultana's Golden Jolly, 86180, A. J. C. C., the handsomest and best bred bull ever owned at "Linden Grove," and not for sale at any price. When such breeders as Hon. Robert Fleming, Messrs. Ayer & McKinney, Mr. R. A. Sibley, President E. A. Darling, of the American Jersey Cattle Club, and others, have their great cows bred to Sultana's Golden Jolly, others may think it worth while to secure a little of his blood. (See front pages for picture and pedigree of Sultana's Golden Jolly, 86180, A. J. C. C.)

No. 71. Heifer Calf. GODDINGTON'S COCOTTE, 342503, A. J. C. C.

Bred by Estate of J. B. Haggin, Lexington, Ky.
Born September 11, 1915.

Solid color; white tongue; black switch.

A beautiful heifer, of rare breeding and high quality; long, deep, well-ribbed body; neat head and fine in bone; skin thin, and mellow as that of a mole; straight back and beautifully set tail; udder development promising, with unusually large and well-placed teats. A show calf that will take some beating.

Sire
**GODDINGTON
NOBLE,
121855, A. J. C. C.
10251, E. H. B.**

Bred by A. Miller-Hallett, Goddington, Chelsfield, Kent, England.

Imported by "Linden Grove," and sold to Elmendorf Farm, Lexington, Ky.

He has 75 per cent. same blood as Noble of Oaklands, 95700.

Dam

No. 73. Cow. YOU'LL DO JUILLETTE, 353269, A. J. C. C.

(P. 20240, H. C.)

Bred by J. P. Drelaud, Trinity, Island of Jersey.
Born November 20, 1912.
Imported October 30, 1915, by T. S. Cooper & Sons.

Brisket partly white, and other white markings; black tongue and switch.

A mulberry fawn, of great stamina, with a few splashes of white. A great dairy cow, from "end to end." Intelligent looking head, with large, lustrous eyes; thin, flat neck; very deep, long, capacious barrel; strong back, wide at loins, with prominent hips; very richly colored, mellow hide; thin, long tail with beautiful switch; tremendous udder, of beautiful shape, full in front, deep and attached high behind, with large teats, squarely placed. An Oxford You'll Do, beautifully bred, of the Sultanne type and coloring.

Sire OXFORD YOU'LL DO, P. 4075, H. C.

Winner of first prize over Jer., with his progeny, at the bull show on the Island, April, '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

Full brother to Oxford Knight, P. 3938, C., sire of 12 butter test cows, and of other prize winners.

His daughter, Golden Oxford Ivy, P. 18829, H. C., was 1st prize 2-year-old over the Island of Jersey (68 entries), May, '14; 1st prize 3-year-old (76 entries) and Theatre Challenge Cup (Championship over the Island), May, '15. She is now in the "Linden Grove" herd.

He has 21 or more official test daughters. You'll Do's Favorite, 306639, sold in our '14 auction for \$500, to Mr. E. T. Bedford, Green's Farms, Conn., is now under official test, and will produce 900 lbs. or more of butter in a year, as a four-year-old.

Oxford You'll Do has been in the "Linden Grove" herd for 3 years. The large number of uniformly excellent daughters now in the herd, and the showing of his progeny in the butter tests and show ring, substantiate our assertion that he is the greatest living male representative of the Oxford-Gamboge family.

(See opposite page for more extended pedigree.)

Dam JUILLETTE 16th, P. 14316, H. C.

VIOLA'S BESSY, 307177, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.

Born November 4, 1913.

White line across right shoulder; spot on left shoulder; brisket, left stifle, belly, flanks, legs, tongue, tail and switch white.

A very attractive glossy mulberry fawn, of great stamina; a pretty, dished face, beautifully incurved horns; long and deep body, with excellent ribbing; strong back and broad loin; wide, prominent hips and long rump; well-set tail, with good switch; splendid udder promise, large and squarely placed teats.

Sire

MISS VIOLA'S HANDSOME NOBLE,

100446, A. J. C. C.

A powerful individual of rare breeding; deep orange fawn in color, with rich, amber horns; prominent crest; hide loose and elastic; clean in shoulders, and good withers; back straight and strong; long rump, with excellent tail setting. HE HAS THE SAME PERCENTAGE OF LADY VIOLA BLOOD AS POSSESSED BY NOBLE OF OAKLANDS, VIOLA'S GOLDEN JOLLY AND THOSE GREAT COWS, WILLOH'S ROSY, MISS VIOLA and others. Miss Viola's Handsome Noble is THE ONLY BULL IN THE WORLD POSSESSING 50 PER CENT. OF LADY VIOLA BLOOD, EXCEPTING NOBLE OF OAKLANDS AND GODDINGTON NOBLE, so far as our knowledge extends—and we think we know this family pretty well.

Due to calve May 17, 1916, by Golden Fern of Linden, 84011, a most prepotent son of Golden Fern's Lad, and "bred to order," our desire being for a son of Golden Fern's Lad out of the great cow, Golden Lad's Industry, 162058, one of the greatest daughters of Golden Lad, P. 1242, H. C., ever owned at "Linden Grove." His progeny have fulfilled our fondest expectations, and they have been highly appreciated by some of our best breeders. (See front pages for extended pedigree of Golden Fern of Linden, 84011.)

No. 82. Cow.

BRIGHT PRINCE'S BROWN VIOLA, 353215, A. J. C. C.

(Bright Hecla, P. 16637, H. C.)

WINNER OF FIRST PRIZE, ST. HELIER SHOW, JERSEY, 1912.

CHAMPION, ST. HELIER SHOW, 1914.

CERTIFICATE OF MERIT, PUBLIC BUTTER TEST, MAY, 13, 1 LB. 12½ OZS. IN 24 HRS., AT 3 YRS. 6 MOS. OLD. PARISH PRIZES, ROYAL SHOW, MAY, 1912, AND MAY, 1913.

Bred by P. C. Monrant, St. Helier, Island of Jersey. Born October 11, 1909.

Imported August 5, 1915, by T. S. Cooper & Sons. Solid color, except part of brisket and belly white; white tongue; black switch.

A very rugged yet handsome young cow, with all the characteristics of her great family; the type and temperament of a powerful dairy cow; neat head; long, clean, flat neck; body of great length, wide and well ribbed; strong, level back; great length of rump; well-set tail, with splendid switch; beautiful udder, carrying a network of prominent veins; large, perfectly placed teats. She comes from families on both sides that we have known intimately and for many years at "Linden Grove"; and we ask breeders to make note of the fact that we predict this cow will make a name for herself in America. She will be better known five years from now.

Born July 2, 1913.
Imported October 31, 1915, by T. S. Cooper & Sons.

Some white markings; white switch; black tongue.
A magnificent young cow, of aristocratic breeding, beautiful symmetry and high quality; perfectly level top line, clean, flat neck and sharp withers. A cow of great stamina, stylish in carriage, with every promise of dairy ability; great depth of body; well-sprung ribs and strong loins; tail well set, with switch touching the ground; large, beautifully balanced udder, with great long teats, well placed. An aristocrat, and looks it.

Sire
OXFORD
YOU'LL DO,
P. 4075, H. C.

Winner of 1st pr. over Jer., with his progeny, at the bull show on the Island, April, '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

His daughter, Golden Oxford Ivy, P. 18829, H. C., was 1st prize 2-year-old over the Island of Jersey (68 entries), May, '14; 1st prize 3-year-old (76 entries) and Theatre Challenge Cup (Championship over the Island), May, '15. She is now in the "Linden Grove" herd.

Born July 10, 1912.
Imported August 5, 1915, by T. S. Cooper & Sons.
Solid color; white tongue; black switch.

An exceedingly beautiful cow, rich light fawn in color, and of highly refined type; lovely head, broad, dished face, with prominent, lustrous eyes; long, clean, flat neck and sharp withers; smooth shoulders; thin, mellow hide; great length of body; broad, strong loins; prominent hips and long rump; beautifully set tail, with splendid switch; tremendous udder, covered with a network of veins; great, large, beautifully placed teats.

Sire
OXFORD
YOU'LL DO,
P. 4075, H. C.

Winner of 1st pr. over Jer., with his progeny, at the bull show on the Island, April, '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

Full brother to Oxford Knight, P. 3938, C., sire of 12 butter test cows, and of other prize winners.

Imported by "Linden Grove" and registered as Imported Oxford You'll Do, 111860—not for sale. He is sire of the bull winning Grand Championship at Indiana State Fair, '15, and sold in our auction for \$525.

His daughter, You'll Do's Favorite, sold in our '14 auction as a 3-year-old for \$500, now under year's official test, will make more than 900 lbs. butter.

His daughter, Golden Oxford Ivy, won 1st prize in her class (76 entries) and the Theatre Challenge Cup (Championship over the Island) at the Royal Show, May, '15; she also won 1st prize in her class (68 entries) at Royal Show, May, '14.

Nineteen of his progeny, in our '14 auction, sold for an average of \$683.42, including 8 not in milk, 4 of them being bull calves.

No living sire has put the stamp of CAPACITY on a highly finished DAIRY TYPE—more unerringly on his daughters than has Oxford You'll Do, P. 4075, H. C. (See front pages for his picture and more extended pedigree.)

(Les Champs Do It, P. 19409, H. C.)

Bred by C. A. Bailhache, Grouville, Island of Jersey.

Born February 13, 1912.
Imported August 5, 1915, by T. S. Cooper & Sons.
Broken color; white tongue; black-and-white switch.

Those who attended our auction of 1910, or who saw the great cow, "Oxford Lad's Granddaughter," at the shows, will need no further description of this cow than the statement that she is "Granddaughter's double" in type and coloring. An exceedingly handsome but rugged fawn, with white markings; neat head; long, flat neck and sharp withers; body of great length, width and depth; prominent hips, long rump, and splendidly set thin, long tail, with switch brushing the ground; a hide like velvet, thin and mellow; beautifully shaped udder, of great depth and circumference, traced with a network of veins, and such teats on a young cow are rarely seen, a handful each, long and perfectly placed.

JENNIE YOU'LL DO, 353255, A. J. C. C.

A HIGHLY COMMENDED DAUGHTER OF OXFORD YOU'LL DO, P. 4075, H. C. FOUR YEARS OLD.

(See her pedigree on opposite page.)

She has been called "Oxford Lad's Granddaughter," as she resembles very much the magnificent cow of that name which we sold in our 1912 auction for \$2,900, to Mr. E. A. Darling, ex-President of the A. J. C. C.

FOLLOWING IS A PARTIAL LIST OF THE 22 TESTED DAUGHTERS OF HER SIRE, OXFORD YOU'LL DO, P. 4075, H. C.:

You'll Do's Favorite, about 900 lbs., 4 yrs. old; imported by "Linden Grove," and sold in our 1914 auction for \$500.

Imp. Rustic Ivy, 774 lbs. 7 ozs., at 4 yrs. 7 mos. old.

Oxford Triumph's Maiden, 554 lbs. 7 ozs., 4 yrs. 3 mos. old.

Oxford's Ever Lass, 480 lbs. 4 ozs., 2 yrs. 3 mos. old.

Edith You'll Do, 475 lbs. 6 ozs., 3 yrs. old; imported by "Linden Grove."

Oxford's Gamboge Agatha, 438 lbs., 4 yrs. old.

Oxford Lavender, 431 lbs. 9 ozs., 4 yrs. 6 mos. old; imported by "Linden Grove."

Stella You'll Do, 429 lbs. 15 ozs., 4 yrs. old; imported by "Linden Grove."

Hope You'll Do, 408 lbs. 10 ozs., 2 yrs. 3 mos. old.

Oxford You'll Do's Circus Girl, 390 lbs. 3 ozs., 2 yrs. old.

Egypt You'll Do, 387 lbs. 4 ozs. in 10 mos.; imported by "Linden Grove."

Lucea Oxford, 378 lbs. 5 ozs., 3 yrs. 7 mos. old.

Grouville Plush, 377 lbs. 5 ozs., 3 yrs. 7 mos. old.

Oxford's Doreen Dora, 374 lbs. 15 ozs., 3 yrs. 9 mos. old.

Dream of Oaklands, 338 lbs. 15 ozs., 1 yr. 11 mos. old; imported by "Linden Grove."

Nuriel of Oxford, public butter test as a two-year-old, 1 lb. 7 ozs., 147 days after calving; imported by "Linden Grove."

IMPORTED OXFORD YOU'LL DO, 111860, A. J. C. C.

(Oxford You'll Do, P. 4075, H. C.)

Winner of First Prize over Jersey, With His Progeny, at the April, 1911, Bull Show.

This is the most valuable prize and the greatest distinction that can be accorded a bull.

He is the Premier Sire of the "Linden Grove" herd, and is the Most Prepotent Living Sire of Great Dairy Cows we have ever owned.

On April 26, 1916, we had records of 22 official butter test cows sired by Oxford You'll Do, among which are the following:

You'll Do's Favorite, 306632, just finishing year's authenticated test with more than 900 lbs. butter as a four-year-old. She was sold in our 1914 auction for \$500, to Mr. E. T. Bedford, Green's Farms, Conn.

Imp. Rustic Ivy, 272579, in Register of Merit with 774 lbs. 7 ozs. butter in 1 year, at 4 yrs. 6 mos. old. She was 1st prize 3-year-old cow at New York State Fair, 1913 (11 entries); 1st prize 4-year-old at Connecticut State Fair, 1914; and 1st prize 5-year-old at New York State Fair, 1915, besides being dam of the Grand Champion bull and the 1st prize "produce of cow" at New York State Fair, 1915.

He is sire of many distinguished prize winners, including:

The Champion Cow over the Island of Jersey in 1915, who also won 1st in her class (76 entries) at the Royal Show, Jersey, May, 1915, and 1st in her class (68 entries), May, 1914. She was imported by "Linden Grove," registered as You'll Do's Champion Ivy, 353251, and is catalogued for this auction (see No. 50).

The First Prize Yearling bull, Junior and Grand Champion, Indiana State Fair, 1915. He was bred at "Linden Grove" and sold in our 1914 auction at 5 mos. old, for \$525.

He sired the Grand Champion bull of the Minnesota and Wisconsin State Fairs, 1913; who was sire of the Junior Champion heifer at the Iowa State Fair and at the Waterloo Dairy Show, 1915.

He sired the First Prize three-year-old cow (11 entries) at the Texas State Fair, 1915, who was sold in our 1914 auction for \$745.

He sired the Grand Champion bull of the Arizona State Fair, 1915. And many other winners.

Nineteen of his progeny (eight of them bulls and calves of both sexes), in our 1914 auction, sold for an average of \$683.

You'll Do's Fawn Beauty, 306616, sold for \$2,100 to White Horse Farm, Paoli, Pa. She is dam of the bull, Trumps, winner of 1st prize in the calf class, Toronto, 1914.

You'll Do's Lady Moon, 306615; Fox's Bayleaf of Oxford, 289460; and Remindress of Oxford, 289462; sold respectively for \$1,225, \$1,225 and \$1,025, to Mr. Ed. C. Lasater, Falfurrias, Texas.

Oxford You'll Do is a full brother to Oxford Knight, P. 3938, C., who has 12 tested daughters, 5 of them in Register of Merit, with tests averaging 575 lbs. 8 ozs. butter, at 5 yrs. 3 mos. old. Six of his tested daughters were imported by "Linden Grove," and sold in our auctions for an average of \$927, at 5½ yrs. old.

We are offering a line of splendid daughters of Oxford You'll Do in this auction. In dairy temperament, udders and teats, we doubt if any living sire can exhibit their equal.

No. 88. Heifer.

DOLLY OF OAKLANDS, 353286, A. J. C. C.

Bred by J. A. Perree, St. Saviour, Island of Jersey.
Born May 5, 1915.

Imported August 5, 1915, by T. S. Cooper & Sons.
Broken color; black tongue; white switch.

A "stunning" golden fawn-and-white, of great beauty and stamina; sweet head, with broad, dished face; strong, straight back and beautifully set tail; great length and depth of body; gives every indication of a large and beautiful udder, like that of her splendid dam; long, well placed teats.

Sire

GOLDEN FERN'S

Brown Fern,
F. 4606, C.

Bred April 24, 1916, to Golden Beatrice's Sultan, 121193, A. J. C. C., a bull that stands in a class by himself. He is the youngest son of the famous Golden Beatrice 2d, 162060, and her only son sired by Sultana's Golden Jolly, 86180. His sire, the peerless Sultana's Golden Jolly, is a Grand Champion and the sire of Grand Champions. His dam, Golden Beatrice 2d, has been declared by Mr. George E. Peer to have been the greatest imported cow he ever saw. She made at the rate of 18 lbs. 0 ozs. of butter in 7 days, and has repeatedly milked 22 to 24 quarts daily. She is perhaps the dam of more high selling calves than any cow in the world. (See front pages for pedigree of Golden Beatrice's Sultan, 121193.)

No. 89. Cow.

YOU'LL DO'S NURIEL, 353228, A. J. C. C.

(Nuriel of Oxford, P. 18010, H. C.)

CERTIFICATE OF MERIT, PUBLIC BUTTER TEST, OCTOBER, 1913, 1 LB. 7 OZS. IN 24 HOURS, AT 2½ YEARS OLD, 147 DAYS AFTER CALVING.

Bred by John Huelin, St. Mary, Island of Jersey. Born April 1, 1911. Imported August 5, 1915, by T. S. Cooper & Sons. Broken color, white tongue and switch.

A handsome dairy cow, of unusually high quality. Has all the indications of dairy capacity and persistency; withers sharp and prominent; hind quarters lean, with great length from hips to root of tail; long, deep, capacious body, with splendid ribbing; broad, strong loins and prominent hips, beautifully set thin tail with flowing white switch touching the ground; large deep udder, covered with veins, attached high behind and of great circumference; good-sized teats well placed.

Sire
OXFORD
YOU'LL DO,
P. 4075, H. C.

Winner of 1st pr. over Jer., with his progeny, at the bull show on the Island, Apr., '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

Full brother to Oxford Knight, P. 3938, C., sire of 12 butter test cows, and of other prize winners.

Imported by "Linden Grove" and registered as Imported Oxford You'll Do, 111860—not for sale. He is sire of the bull winning Gr. Championship at Indiana State Fair, '15, and sold in our auction for \$525.

His daughter, You'll Do's Favorite, sold in our '14 auction as a 3-year-old for \$500, now under year's official test, will make nearly, if not more than, 900 lbs. butter.

His daughter, Golden Oxford Ivy, won 1st prize in her class (76 entries) and the Theatre Challenge Cup (Championship over the Island) at the Royal Show, May, '15; she also won 1st prize in her class (68 entries) at Royal Show, May, '14.

No living sire has put the stamp of CAPACITY—a highly finished DAIRY TYPE—more unerringly on his daughters than has Oxford You'll Do, P. 4075, H. C. (See front pages for his picture and more extended pedigree.)

BOUTILLIERE'S OXFORD GIRL, 353254, A. J. C. C.

(P. 19548, H. C.)

Bred by E. E. Leonard, St. Ouen, Island of Jersey. Born January 21, 1912. Imported August 5, 1915, by T. S. Cooper & Sons. Solid color, except mottled brisket and belly; black tongue and switch.

An exceedingly attractive grey, of wonderful substance and dairy type; great length and depth of body; neat head with crumpled horns and prominent, lustrous eyes; clean, flat neck and sharp withers; back straight and strong, broad at loins, with wide, prominent hips; thin, well set tail with flowing black switch; belly covered with a network of veins; hide soft and mellow; tremendous udder of beautiful shape, heavily veined, with large teats perfectly placed. A wonderfully good cow—and what a combination of blood lines! A union of the families that produced the highest testing cows of our 1914 auction.

Sire

OXFORD YOU'LL DO, P. 4075, H. C.

Winner of 1st pr. over Jer., with his progeny, at the bull show on the Island, April, '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

Full brother to Oxford Knight, P. 3938, C., sire of 12 butter test cows.

The greatest living representative of the Oxford-Gamboge line.

Now in the "Linden Grove" stables, and registered as Imported Oxford You'll Do, 111860.

DAM OF TWO FIRST PRIZE ISLAND BULLS—SEE DETAILS AT FOOT OF FOLLOWING PAGE, WITH PEDIGREE OF HER SPLENDID DAUGHTER. A RARE PRIZE FOR THE HERD OF ANY BREEDER.

Bred by J. G. Buesnel, St. Saviour, Island of Jersey. Born June 15, 1906. Imported August 5, 1915, by T. S. Cooper & Sons. Solid color; white tongue; black switch.

"One of the richest plums on the tree." A most remarkable cow, possessing great scale and dairy capacity, combined with a refinement of type rarely seen in cows of her size and stamina. Has all the signs of the great worker that she is, and is put together symmetrically, with the deep roomy barrel, great length and "wedgy" shape which is associated with the heavy, persistent milker; withers high and sharp; prominent spinal processes; lean hind quarters, with broad hips; long rump and "cat" hams; handles like a kid glove, and has prominent, tortuous milk veins; deep, square udder, beautifully balanced, with large and perfectly placed teats. A great "brood cow," as her beautiful heifer calf on following page, and her two first prize sons, will testify. One of the "queens" of the breed. Such cows make history, and are THE KIND TO BUILD HERDS ON.

Sire
MABEL'S
RALEIGH,

Bull calf born March 23, 1916. (Will be sent to Messrs. J. O. Terrell & Sons, San Antonio, Texas.)

Expected to be bred to the distinguished bull, Oxford You'll Do, P. 4075, H. C., winner of 1st prize, with his progeny, in a class of 7 entries, at the Royal Show, Jersey, April, '11. He sired the 1st prize 3-year-old cow over the Island, May, '14 (68 entries), also the 1st prize 4-year-old cow over the Island, May, '15 (76 entries), who won the Theatre Challenge Cup (Championship over the Island). He has 21 or more official test daughters, one of which, now on year's test, will produce close to, if not more than, 900 lbs. butter as a four-year-old. (See front pages for extended pedigree of Oxford You'll Do, P. 4075, H. C.) A bull calf from this service would be worth more than will probably be paid for the dam, even into four figures.

No. 100. Heifer. RALEIGH'S FINANCE'S DAUGHTER, 353284, A. J. C. C.

Bred by J. G. Buesnel, St. Saviour, Island of Jersey.

Born April 11, 1915. Imported August 5, 1915, by T. S. Cooper & Sons. Mottled briskeet; most of belly white; ankles and tongue white; black switch.

She has the stamp of her splendid dam, with youth and beauty in addition; a golden fawn, with sweet head; long, deep, well ribbed body; neat and of strong constitution, but of fine bone and finish; beautifully set tail, with nice switch; promises a large square udder development, large beautifully placed teats.

Sire
GOLDEN FERN'S NOBLE,
P. 4570, H. C.
Winner of 7 first prizes at Royal Shows on the Island of Jersey. His progeny won 1st for "get of sire" at 5 important shows in '14 and '15, including the Nat. Dairy Show, '14. Financial Raleigh Sultan, P. 5015, H. C., winner of 1st prize, Class 1, 35 entries, and St. Saviour Parish prize, Royal Show, April, '13; 4th prize, Class 2, 19 entries, Royal Show, April, '14. Sire of Parsifal, winner of Grouville Parish prize, Class 1, April, '15.
Financial Baron, P. 4602, H. C., winner of 1st prize, St. Saviour Show, Jersey, as a two-year-old; 2d at St. Saviour Show as a yearling; Reserve, Class 4, 8 entries, with his progeny, Royal Show, April, '14; Reserve, Class 3, 7 entries, April, '15. Sire of several winners, including Zelda 4th, 4th prize, Class 2, 36 entries, Royal Show, May, '14; and Caronette of S. B., 322318, 1st prize senior yearling heifer and Junior Champion, Inter-State Fair, Spokane, Wash., '15.
The two 1st prize bulls mentioned above, Financial Raleigh Sultan and Financial Baron, were sired, respectively, by a grandson and a son of Agatha's Flying Fox, indicating a congenial "nick." Raleigh's Finance (see opposite page) is bred again to a grandson of Agatha's Flying Fox, viz., Oxford You'll Do, P. 4075, H. C. "What will the harvest be?"

Bred April 18, 1916, to Golden Beatrice's Sultan, 121193, A. J. C. C., a bull that stands in a class by himself. He is the youngest son of the famous Golden Beatrice 2d, 162060, and her only son sired by Sultana's Golden Jolly, 86180. His sire, the peerless Sultana's Golden Jolly, is a Grand Champion and the sire of Grand Champions. His dam, Golden Beatrice 2d, has been declared by Mr. George E. Peer to have been the greatest imported cow he ever saw. She made at the rate of 18 lbs. 6 ozs. of butter in 7 days, and has repeatedly milked 22 to 24 quarts daily. She is perhaps the dam of more high selling calves than any cow in the world. (See front pages for pedigree of Golden Beatrice's Sultan, 121193.)

No. 101. Heifer.

His sire, the peerless Sultana's Golden Jolly, is a Grand Champion and the sire of Grand Champions. His dam, Golden Beatrice 2d, has been declared by Mr. George E. Peer to have been the greatest imported cow he ever saw. She made at the rate of 18 lbs. 6 ozs. of butter in 7 days, and has repeatedly milked 22 to 24 quarts daily. She is perhaps the dam of more high selling calves than any cow in the world. (See front pages for pedigree of Golden Beatrice's Sultan, 121193.)

No. 104. Heifer.

MABEL'S LADY MARY, 325735, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born December 20, 1914.

Solid color; black tongue and switch.
A handsome fawn with dark shadings, and the making of a good dairy cow. Very long, deep body, set on the finest of legs; straight back, strong loins; splendid hind quarters; promising udder development, with long, well-placed teats.

Sire
MABEL'S
RALEIGH'S
PRINCE,
120788, A. J. C. C.
(SIGMOND,
P. 4318, H. C.)

Winner of 1st prize, Grouville Show, Jer., '12.

He sired the Grand Champion bull of the New York State Fair, '15.

Full brother to Pennithorpe's Raleigh, 96185, winner of 1st prize, St. Saviour Grouville Show, '11; sold at auction in '11 for \$3,100.

It wants only a glance at what the sons of Mabel's Raleigh are doing, through their daughters, in the butter tests, to appreciate the prepotency of this exceptionally great dairy bull. Mabel's Raleigh's Prince has but few daughters in milk in America; none to our knowledge have ever been put to test. We predict for Mabel's Raleigh's Prince a record for performing daughters that will be a credit to his family. Look what his brother, Fairy Glen's Raleigh, has done in Mr. Hudson's herd (and it must be borne in mind he had to take second position in this herd to other great bulls). Another brother, registered as Mabel's Raleigh, 77913, imported by the late Mr. Frank W. Hart, has seven daughters in Register of Merit, most of them tested at Good Hold Farm as two-year-olds.

Dam
NOBLE'S LADY

(P. 18210, H. C.)

Bred by A. J. Le Vesconte, St. Saviour, Island of Jersey.

Born April 15, 1911.

Solid color; black tongue and switch.

Imported October 31, 1915, by T. S. Cooper & Sons.

An attractive light fawn, of high finish and great vitality; clean, flat neck; sharp withers; strong back and loins; prominent hips; long rump; well-set tail, thin and long, with good switch; fine in bone; skin thin, mellow and elastic; large, well balanced udder, with good-sized and well-placed teats.

Sire
COWSLIP'S
GOLDEN NOBLE,
P. 4498, H. C.

Imported by "Linden Grove" after an intimate acquaintance with many of his family, having imported six out of seven of the nearest ancestors on his sire's side, and four of the progeny of his dam, besides so many of her sisters and brothers by the same sire that we cannot count them.

Winner of 1st prize, shown with five of his progeny, Royal Show, Jersey, April, '12; defeating Oxford Majesty, P. 4075, H. C. (second prize), and Royal Guide, P. 4104, C. (third prize). Cowslip's Golden Noble was shown with two calves under a year old, one heifer 12 months old and two 15 months old. Oxford Majesty was shown with two 3-year-olds and three 2-year-olds.

MERIDALE FARMS

AYER & MCKINNEY, PROPRIETORS

MEREDITH, DELAWARE COUNTY

NEW YORK

PHILADELPHIA, PA., April 7, 1916.

MR. T. S. COOPER,
Coopersburg, Pa.

Dear Mr. Cooper:

We have more than a little satisfaction in enclosing to you a report of the Register of Merit records completed at Meridale Farms by cows we have purchased at various "Linden Grove" auctions since 1907.

These cows were taken direct to Meridale Farms and started on test promptly after freshening there. Not one of them was specially fitted for the work, nor forced in any way for a high record; in other words, they worked right along under regular herd care and feed.

The average of our tested herd of 147 cows last year was 518 lbs. butter per cow. The average of the 29 imported cows, as you will observe, is 515 lbs. butter per cow. This is a distinct tribute to the adaptability of the Jersey to widely differing conditions of farming. In other words, these cows have proven their superiority on the Island as well as in America.

There are also sent you, lists of the Register of Merit daughters of The Imported Jap, 75265; The Owl's Oxford Prince, 95699, and Raleigh's Fontaine Prince, 72642, herd bulls which we have purchased at "Linden Grove."

Very truly yours,

AYER & MCKINNEY.

These 29 Cows and 3 Bulls all Came from "Linden Grove"

Handsome Viola's Jolly, 239757, 5,652 lbs. 8 ozs. milk; 400 lbs. 12 ozs. butter, in one year, at 2 years old, at White Horse Farm. Sold in our '10 auction for \$725.

Golden Sultana, 146282, A. J. C. C.

Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. We afterward bought her for the "Linden Grove" home herd.

Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, H. C., out of Sultane 9th, P. 1145, H. C., winner of many first prizes over the Island and dam of Uncle Peter, P. 2115, H. C. Her grandam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Marett. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her grandam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily.

She is dam of Sultana's Oxford Lad, that sold in our '10 auction sale for \$11,100, and she selling in same sale when 12 years old for \$3,700.

She is a full sister to Sultane's Snowdrop, dam of Sultan of Oaklands.

Her son, Sultana's Oxford Lad, that we sold to Elmendorf Farm for \$11,100, produced for them, Elvirian Lad, 106674, 1st prize yearling bull (9 entries), Junior and Grand Champion, Illinois State Fair, '13.

Her son, Gedgey Farm Blue Fox's Sultan, 72755, produced Golden Daisy Fox, in Register of Merit, 419 lbs. 4 ozs. butter in 1 year, at 2 years old; and Exila Fox Sultana, in Register of Merit, 343 lbs. 8 ozs., at 2 years old—the former owned and tested by Cornell University, and the latter by Mr. H. C. McLallen, Trumansburg, N. Y.

Her daughter, Sultana of Linden, was sold in our '10 auction for \$1,750, at 8 months old.

FERN'S LUCY BELLE, 319714, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born September 10, 1914.

Solid color; black tongue and switch.

A very handsome, rich deep fawn of great stamina; beautiful top line; body long, deep and well ribbed; strong, broad loins and prominent hips; tail well set, with good switch; her dam is one of the great daughters of Noble of Oaklands, and out of the same dam as the bull, Lucy's Prince; good udder development, with large squarely placed teats.

Sire

VIOLA'S
GOLDEN FERN,
77393, A. J. C. C.

Viola's Golden Fern is siring for us a class of calves of which we are very proud.

(See preceding pages for further particulars.)

Three of his daughters, in our '13 auction, averaged \$383.33. One of them, Minette's Golden Viola, 240367, sold to Mr. R. A. Sibley, made the Register of Merit, Class AA, with 405 lbs. 14 ozs. butter in 1 year, at 4 yrs. 5 mos. old. She was sold for \$410. Judging by what the descendants of "Golden Fern's Lad" are doing on the Island and in America, and best of all, the great public butter tests that they are making and their great popularity among Island, England and American breeders, convinces us that "Golden Fern's Lad" is the most prepotent, most distinguished and pre-eminent Jersey bull that the world has ever produced. He has 29 butter tested daughters and 27 sons with tested daughters.

FERN'S HANDSOME MAID, 325732, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born November 25, 1914.

Solid color; black tongue and switch.

A rugged light fawn; neat head, broad between the eyes and with fine muzzle; strong back, broad at loins; mellow hide; great length and depth of body; like her sisters by the same sire, she promises a large, beautiful udder; teats already large, and squarely placed.

Sire

**VIOLA'S
GOLDEN FERN,
77393, A. J. C. C.**

Viola's Golden Fern is siring for us a class of calves of which we are very proud. We sold two of them in our '11 auction to show breeders how good they are. Though only yearlings, Viola's Golden Lena and Viola's Gold Lady sold for \$500 each. We predict both will do credit to their illustrious ancestors.

Three of his daughters in our '13 auction averaged \$383.33. One of them, Minette's Golden Viola, 240367, sold to Mr. R. A. Sibley, made the Register of Merit, Class AA, with 405 lbs. 14 ozs. butter in 1 year, at 4 yrs. 5 mos. old. She was sold for \$410.

Viola's Golden Fern is sired by the world's famous bull, Golden Fern's Lad, P. 2160, H. C., out of Miss Viola, P. 9644, H. C., one of the very best dairy cows in the "Linden Grove" herd. She won, in the public butter test on the Island, the Goddington pr., testing 2 lbs. 15 ozs., in 24 hours, being in milk only 39 days and barely 4 yrs. old. She is a daughter of the celebrated cow, Lady Viola, P. 8463, H. C., and a full sister to the great cow, Willoh's Rosy, P. 10444, H. C., that tested 3 lbs., in the public butter test, in 24 hours.

(See front pages for more extended pedigree of Viola's Golden Fern.)

**Dam

His dam, Sultana's Golden Viola, 240363, is by Sultana's Oxford Lad, 76506, out of Golden Jolly's Lady Viola, 203669, one of the greatest daughters of Golden Jolly, being full sister to Viola's Golden Jolly, 79314. (See front pages for pedigree of Jolly Sultan of Linden, 120838.)

No. 113. Heifer.

VIOLA'S PRETTY WYANDOTTE, 319710, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born August 10, 1914.
White in forehead; spot at root of tail; brisket, stifles, belly, flanks, legs, tongue and switch white.
An attractive and beautifully bred fawn-and-white; sweet dished face, prominent eyes and rich incurved horns; straight, strong back; long bodied, with great length of rump; neat in bone; hide mellow and elastic; developing a great udder, with unusually long, well placed teats.

Sire

VIOLA'S
GOLDEN FERN,
77393, A. J. C. C.

Viola's Golden Fern is siring for us a class of calves of which we are very proud.
(See preceding pages for further particulars.)

Viola's Golden Fern is sired by the world's famous bull, Golden Fern's Lad, P. 2160, H. C.

Judging by what the descendants of "Golden Fern's Lad" are doing on the Island and in America, and best of all, the great public butter tests that they are making, and their great popularity among Island, England and American breeders, convinces us that "Golden Fern's Lad" is the most prepotent, most distinguished and pre-eminent Jersey bull that the world has ever produced.

Golden Fern's Lad has 31 butter tested daughters and 27 sons with tested daughters; his son, Eminent, has 81 tested daughters, and his son, Flying Fox, has 26; while his grandsons, Oxford Lad and Eminent's Raleigh, have respectively 42 and 48 tested daughters. There are others too numerous to mention.

Dam

SULTAN'S GREAT
BEAUTY,

271600, A. J. C. C.
Her dam has 75 per cent. same blood as Golden Jolly's Wyandotte, 203687, in Register of Merit, Class AA, 495 lbs. butter in 1 year, from 7,519 lbs. 11.2 ozs. milk, at 9 yrs. 7 mos. old. She was sold in our '07 auction for \$500, to Messrs. Ayer & McKinney.

Golden Fern's Lad,
P. 2160, H. C.
1st and Champion at N. C. Show, '96, '97.
(See front page A.)

Miss Viola,
P. 9644, H. C.
(195796, A. J. C. C.)
One of the best cows in the "Linden Grove" herd. She won the Goddington prize, in the public butter test, testing 2 lbs. 15 ozs. in 24 hours, 39 days in milk, 4 years old.

Dam of Miss Viola's Daughter, 196245, sold in our '11 auction for \$700, to Elmendorf Farm. Mona's Miss Viola, 240505, sold in our '11 auction for \$975, at 16 months old, to Elmendorf Farms.

Viola's Golden Fern, 77393, one of the best bulls Golden Fern's Lad ever sired; two of his yearling daughters sold in our '11 auction for \$500 each.

Miss Viola's Golden Fern, 120835, and Miss Viola's Handsome Noble, 100446. She is a full sister to Willoh's Rosy, imported by Mr. C. I. Hudson, and sold for \$3,000, to Elmendorf Farm, where the "Lady Viola" family is owned.

Sultana's Golden Jolly, 86180, A. J. C. C.
The premier sire of the "Linden Grove" herd. He was bred here, and has never been off the place, except when exhibited at the Nat. Dairy Show, Chicago, '11, where he won Grand Championship, A. J. C. C. Gold Medal, and other honors never achieved by any other bull of any breed.

His progeny have been in such demand that it was with great difficulty we were able to retain any of them. Most have been sold young, to some of the best American breeders.

But one of his daughters, to our knowledge, has been tried for Register of Merit test. She produced, as a two-year old, 377 lbs. 8 ozs. butter in 1 year.

He has sired the winners of many 1st and Gr. Champion prs.

Golden Jolly's Princess,
203661, A. J. C. C.
(Wyandotte's)

Princess,
P. 10846, H. C.)
A very handsome cow, with magnificent udder.

Willoh, P. 2855, H. C.
He traces 3 times to Golden Lad, and has 28½ per cent. of his blood.

Sire of Willoh's Rosy, public butter test, 3 lbs., 38 days in milk, at 4 years old. Dam of 5 official butter test cows, and a 6th daughter won 1st over the Island.

Miss Viola, public butter test, 2 lbs. 15 ozs., 39 days in milk, 4 years old.

(Miss Viola and Willoh's Rosy are the two highest testing daughters of Lady Viola.)

Syren's Pride, public butter test, 1 lb. 7½ ozs., 215 days in milk.

Gipsy Maid 2d, 1st over Jersey, Aug., '02; and many other prizes.

Gipsy Maid 3d, 3d over Jersey, Aug., '10; and many other prizes.

Clara's Orphan, winner of 11 1st prizes and Championships at Western State Fairs, '01, '02, '03 and '05.

Lady Viola,
P. 8463, H. C.
1st over Jersey, '04.
Certificate of Merit, butter test, May, '04, 2 lbs. 12 ozs., 50 days in milk.

1st over Jersey and Champion, '05.

1st over Eng. wherever exhibited, '06, '07.

She sold in our auction, May, '11, for \$7,000; at same time her son, Noble of Oaklands, sold for \$15,000.

Dam of Willoh's Rosy, P. 10444, H. C., Certificate of Merit, May, '06, 3 lbs., 38 days in milk.
(See below.)

Viola's Golden Jolly, 79314, A. J. C. C.
Sold in our '09 auction for \$12,000.
Sire of 9 in Register of Merit, including: Jolly's Viola, 233315, 493 lbs. butter, 1 year, 4 yrs. 7 mos. old.

Viola's Fawn Duchess, 239332, 5,696 lbs. milk; 418 lbs. 10 ozs. butter, in one year, at 2 years old, at White Horse Farm. Sold in our '10 auction for \$425.

Handsome Viola's Jolly, 239757, 5,652 lbs. 8 ozs. milk; 400 lbs. 12 ozs. butter, in one year, at 2 years old, at White Horse Farm. Sold in our '10 auction for \$725.

Fern's Viola, 237208, 6,545 lbs. 3 ozs. milk, 390 lbs. 5 ozs. butter, in 1 year, at 2 years old, for Mr. C. I. Hudson. Bred at "Linden Grove."

Golden Sultana, 146282, A. J. C. C.
Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. We afterward bought her for the "Linden Grove" home herd.

Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, H. C., out of Sultane 9th, P. 1145, H. C., winner of many first prizes over the Island, and dam of Uncle Peter, P. 2115, H. C. Her grandam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Maret. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her grandam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily.

Golden Jolly, P. 2921, H. C.

Wyandotte 4th, P. 7606, H. C.
Reported to have been a remarkable cow, and mother of a great family.

Nobleman, P. 2555, H. C.
3d over Jer. and Par. prize, Apr., '98.
1st over Jer., Aug., '98.
Reserve over Jer. and Par. prize, '00.
1st at Three-Parish Show, '99.
Sire of Nobleman's Lady Mary, sold in our '02 sale to J. A. Middleton, Shelbyville, Ky.; the unbeaten Champion of many shows.

Bagatelle 2d, P. 6564, H. C., now named Golden Lad's Victoria, 157325.
Sold in our '01 sale for \$745.

Golden Jolly, P. 2921, H. C.
1st prize and Champion, North Show, '00. A famous sire of butter cows and winners.

Sire of Golden Warrior, 1st over England, Royal Show, '03; 1st over England and Champion, D. S., '03.
Jolly Lady of Beechwood, winner of 1st prize, Illinois State Fair, '08; 1st, Champion and Grand Champion at the National Show, Chicago, '08.
Golden Jolly also sired the four cows that won 1st prize for bull and produce, National Dairy Show, Chicago and Illinois State Fair, '08; and many other winners.
Golden Jolly has 24 butter tested daughters.
He is a son of Golden Fern's Lad (see below) and the great cow, Brookhill Rose 2d, P. 3440, C.

Lady Viola, P. 8463, H. C.
Sold in our '11 auction for \$7,000.
1st over Jersey, '04.
Public butter test, May, '04, 2 lbs. 12 ozs.

Wyandotte, F. 7393, C.

Bred April 20, 1916, to Golden Beatrice's Sultan, 121193, A. J. C. C., a bull that stands in a class by himself. He is the youngest son of the famous Golden Beatrice 2d, 162060, and her only son sired by Sultana's Golden Jolly, 86180. His sire, the peerless Sultana's Golden Jolly, is a Grand Champion and the sire of Grand Champions. His dam, Golden Beatrice 2d, has been declared by Mr. George E. Peer to have been the greatest imported cow he ever saw. She made at the rate of 18 lbs. 6 ozs. of butter in 7 days, and has repeatedly milked 22 to 24 quarts daily. She is perhaps the dam of more high selling calves than any cow in the world. (See front pages for pedigree of Golden Beatrice's Sultan, 121193.)

(Advertisement in The Jersey Bulletin, August 8, 1915.)

"Linden Grove" Champion Blood at the "Royal" Island Show of 1915

The statements under the illustrations of Golden Oxford Ivy and Sultan's Finance, on page 850, issue of June 23d, make it appear that both won the same prize at the Royal Island Show last May. Permit us to suggest that it should have been added that Golden Oxford Ivy won first prize in Class 4, for cows three to six years of age; and Sultan's Finance in Class 5, for "aged" cows. I wish further to add, for the credit of her sire, **Oxford You'll Do**, who is now in the "Linden Grove" stables (and not for sale), that **Golden Oxford Ivy** not only won her first prize in a class of 76 contestants ("the majority of them fit and able to win out everywhere, hands down, in many an American show," to quote Mr. Maurant), but that she later **defeated Sultan's Finance for the Theatre Challenge Cup**, awarded to "the best Jersey cow or heifer in milk entered or eligible for entry in the Jersey Herd Book." That Sultan's Finance was "worthy of her steel," let me show you what Sultan's Finance has won at the past Island shows:

Sultan's Finance (Defeated by a Daughter of Oxford You'll Do) won as follows:

August, 1909—2d prize, Class 3, heifer-in-milk, 43 entries; and St. Saviour Parish prize. Beaten only by Combination's Golden Leda, that we imported and sold in our 1910 auction for \$850; and beating Statuette, who the next year was first at the Bath and West of England Show, 11 entries.

August, 1910—One of the group winning the President's Cup; the group including Financial Daisy (imported and sold by us in 1911 for \$2,600 to White Horse Farm) and her daughter, Financial Daisy 2d.

October, 1909—Certificate of Merit, public butter test, at only 30 months old, 1 lb. 8½ ozs. in 24 hours, 113 days after calving.

May, 1911—1st prize, Class 4, 41 entries (cows 3 to 6 years of age).

August, 1911—1st prize in Champion class (special class for cows disbarred from competing in regular classes by reason of having won a first prize at former show).

May, 1912—Public butter test, 1 lb. 11¼ ozs. in 24 hours, at five years old.

August, 1912—Reserve in Champion class; Blythwood Bowl (Championship).

May, 1913—1st prize, Class 5, 45 entries, and St. Saviour Parish prize. Defeating among others, Fancy's Pioneer's Great Beauty (2d prize), sold in our 1914 auction for \$1,000; the butter test cow, Oaklands Bess, dam of so many winners, including Oaklands Sailor and Combination's Premier; Good Maiden, who had won first at the Royal, 50 entries, August, 1910, and first in Champion class, May, 1911.

May, 1914—1st prize in Champion class, defeating Princess Emma, who had won 1st prize in Class 5, 34 entries, at the Royal Show, August, 1913.

May, 1915—1st prize, Class 5, 30 entries, Reserve for Theatre Challenge Cup, and St. Saviour Parish prize. Defeating Raleigh's Finance, the Theatre Cup winner, May, 1914.

IT TAKES SOMETHING OF A COW to go ahead of so consistent a winner as Sultan's Finance, who has shown her superiority over so many other great ones. And it means **added prestige to Oxford You'll Do** that it was **his daughter** to accomplish what has seemed impossible until Golden Oxford Ivy happened along. **It is no new sensation** to Golden Oxford Ivy to stand in first place. She won first in a class of 68 entries at the Royal Show in May, 1914; the second, third and reserve places going to daughters of Golden Fern's Noble, and fourth to a daughter of Noble's Boy—both sons of Noble of Oaklands, that we imported and sold in 1911 for \$15,000, and who, with his progeny, is credited with probably more first prizes and championships than any other bull. We imported Noble's Boy and sold him in 1912 to Hood Farm. In winning the Theatre Challenge Cup, **Golden Oxford Ivy holds it permanently**; her owner, Mr. John A. Perree, having won the trophy at three successive shows.

Not Only in America, But in Their Native Home, They Find Their Champions of "Linden Grove" Blood.

Cowslip's Golden Noble, Also

It might be thought, too, that Village Beauty and Golden Augustine 3d were "tied" for first place. They also won in different classes. **Village Beauty** was first in Class 3 (heifers-in-milk, 46 entries), and, according to Mr. Maurant, she "deserves to be forthwith renamed Island Beauty." We are particularly interested in her achievement from the fact that **we imported her sire, Cowslip's Golden Noble**, who sired **both the first and fourth prize winners** in this class. We sold him privately to Mr. Ed. C. Lasater, of Texas. Those who have attended the "Linden Grove" auctions are familiar with the type produced by **Villageoise**, the dam of Village Beauty. In 1911 we sold Noble's Village King, a son of Villageoise, to Mr. George W. Sisson, Potsdam, N. Y., at a "give-away" figure, and he won second prize for two-year-old bulls at the New York State Fair that fall. In 1912 we sold Black Beauty of St. Saviour (a first prize winner at the Royal), a daughter of Villageoise, to Mr. J. K. Branch, of Pawling, N. Y., for \$1,700. In same auction we sold Village Noble, a son of Villageoise, to Mr. T. L. Eyre, West Chester, Pa., for \$425; he won first prize for two-year-old bulls at the Devon (Pa.) Cattle Show that fall. In 1914 we "gave away" Village Knight, a son of Villageoise by Gambo's Knight, who went at a bargain price to Mr. Lasater.

**THE WORLD'S SHOW RINGS AND THE REGISTER OF MERIT ARE DOMINATED BY
"THE BLOOD THAT FLOWS THROUGH 'LINDEN GROVE.'"**

We might add, that since the above was printed, Golden Oxford Ivy has been brought to "Linden Grove" (see You'll Do's Champion Ivy, 353251, No. 50 of catalog). And that we have a splendid daughter of Sultan's Finance, No. 101 of catalog. Also seven daughters of Cowslip's Golden Noble; viz., Nos. 22, 23, 24, 25, 105, 123 and 124 of catalog.

No. 114. Cow.

LAURA YOU'LL DO, 306610, A. J. C. C.

(Reine, P. 17392, H. C.)

Bred by P. W. Le Sauter, Grouville, Island of Jersey.
Born March 7, 1910.
Imported September 15, 1913, by T. S. Cooper & Sons.

Solid color; black tongue and switch.
A Highly Commended "Oxford You'll Do," from Highly Commended parents, and one of the great workers; carries no surplus flesh, but converts all her food into milk; a lovely head, with dished face and prominent, sparkling eyes wide apart; very thin, clean flat neck; high, sharp withers; body of great depth and spring of rib; lean hind quarters; prominent hips and long rump; beautifully set, thin, long tail with luxuriant switch; prominent milk veins; tremendous udder, deep and of great circumference; great large teats, squarely placed.

Sire
**OXFORD
YOU'LL DO,
P. 4075, H. C.**

Winner of 1st pr. over Jer., with his progeny, at the bull show on the island, April, '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

Full brother to Oxford Knight, P. 3938, C., sire of 12 butter test cows, and of other prize winners.

Imported by "Linden Grove" and registered as Imported Oxford You'll Do, 111860—not for sale. He is sire of the bull winning Grand Championship at Indiana State Fair, '15, and sold in our auction for \$525.

Sire of 22 official test cows.

His daughter, You'll Do's Favorite, sold in our '14 auction as a 3-year-old for \$500, now under year's official test, will make more than 900 lbs. butter.

His daughter, Golden Oxford Ivy, won 1st prize in her class (76 entries) and the Theatre Challenge Cup (Championship over the Island) at the Royal Show, May, '15; she also won 1st prize in her class (68 entries) at Royal Show, May, '14.

Nineteen of his progeny, in our '14 auction, sold for an average of \$683.42, including 8 not in milk, 4 of them being bull calves.

No living sire has put the stamp of CAPACITY—a highly finished DAIRY TYPE—more unerringly on his daughters than has Oxford You'll Do, P. 4075, H. C.

(See front pages for his picture and more extended pedigree.)

Mr. C. I. Hudson, owner of Knollwood Farm, East Norwich, N. Y., sends us the accompanying list of imported cows bought in the "Linden Grove" Decoration Day auctions. Mr. Hudson has tested 122 cows at Knollwood that are entered in Register of Merit. Thirty-five of them were bred or imported by us. The highest testing cow at Knollwood Farm is Fairy Boy's Jasmine, 231561, 869 lbs. 5 ozs. butter in one year, at five years ten months. She is a daughter of

RALEIGH'S FAIRY BOY, 83767,

imported by "Linden Grove" and sold in our 1909 auction for \$8,200, to Mr. Hudson. He has 42 tested daughters, average test of 37 now in Register of Merit, 9,135 lbs. milk, 523 lbs. 9 ozs. butter, at four years three months old. Three were tested on the Island. The other two are Fairy Boy's Houssie (a two-year-old) and Raleigh's Handsome Fairy, the latter imported by "Linden Grove" and sold to Allen Dale Farms, and she has made her record on three quarters. (Both tests have just been reported to the American Jersey Cattle Club, and are far over the requirements.)

Mr. Hudson also advises us that

FAIRY GLEN'S RALEIGH, 79438,

sired by the "Linden Grove" bull, Mabel's Raleigh, P. 3722, H. C., has sixteen daughters in the Register of Merit averaging 7,729 lbs. butter and 477 lbs. 3 ozs. milk, at three years eight months old.

KARNAK'S NOBLE, 87952,

whose sire and dam and both grandams were imported by "Linden Grove," has six in the Register of Merit, five of them with year's tests averaging 7,985 lbs. 6 ozs. milk and 470 lbs. 8 ozs. butter, at two years eight months old.

"Knollwood's Fairy Glen, a two-year-old daughter of Fern's Remembrance (bred at "Linden Grove" and sired by Golden Fern's Lad), has just started on test and milked as high as 42 lbs. 7 ozs. in one day. Another two-year-old heifer, Raleigh's Distinction, by Raleigh's Fairy Boy (her dam, Fern's Distinction, bought at 'Linden Grove'), has milked as high as 43 lbs. 3 ozs. Both are on full year's test, and so are never pushed for a day's yield."

No. 116. Cow.

OXFORD'S HANDSOME PEARL, 344006, A. J. C. C.

(Oxford Pearl 3d, P. 16500, C.)

OFFICIAL R. J. A. S. RECORD, AS A FOUR-YEAR-OLD, 473 LBS. BUTTER IN 440 DAYS; AVERAGE TEST, 5.76 PER CENT. BUTTER FAT.

Bred by C. Le Sueur, Grouville, Island of Jersey.
Born April 30, 1909.

Imported August 5, 1915, by T. S. Cooper & Sons.
Solid color; black tongue and switch.

One of the loveliest cows that it has been our pleasure to offer to an aesthetic trade. Undoubtedly a great dairy cow, but one of extreme beauty and refinement of type. A head that would delight an artist; flat "ewe" neck; sharp withers and prominent spine; lean hind quarters; beautifully set tail, thin and long, with luxuriant black switch; body of great length and girth, with perfect ribbing; hide like satin; prominent, tortuous milk veins; udder beautifully balanced, of tremendous size when fresh, with large and well-placed teats.

No. 119. Cow.

YOU'LL DO'S SOCIETY GIRL, 353248, A. J. C. C.

(Society Sensation, P. 19503, H. C.)

Bred by E. H. Godel, St. Mary, Island of Jersey.
Born November 29, 1911.
Imported October 31, 1915, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

A wonderful "big-little" cow, dark attractive grey, with beautiful top line, sweet head, long flat neck, and of great stamina; a dairy cow, long and deep of body; hind quarters of score-card pattern; hide thin and mellow; tail beautifully attached; tremendous udder, of perfect balance and great circumference, perfect in shape; udder like that of "Golden Lad's Solid Gold," and no artist would have the courage to "paint" such teats on an udder as she has naturally, long, wide apart and perfectly placed.

Sire
COWSLIP'S
GOLDEN NOBLE,
P. 4498, H. C.

Winner of 1st pr. over Jersey, at the bull show, April, '12, shown with his get. Imported by "Linden Grove" and registered as Imp. Cowslip's Golden Noble, 120789, A. J. C. C.

One of the youngest sons of the sensational Golden Lad cow, Cowslip 16th, P. 6084, H. C. He was imported by us only after an intimate acquaintance with many of his family, having imported six out of seven of the nearest ancestors on his sire's side; and four of the progeny of his dam; besides so many of her half-sisters that we cannot enumerate them here.

In winning the "bull and progeny" prize at the Royal Show, he defeated Oxford Majesty, who was shown with two 3-year-olds and three 2-year-old daughters; while Cowslip's Golden Noble was shown with 2 calves under a year old, one heifer 12 months old, and two heifers 15 months old.

He is six years old, and has two daughters in Register of Merit, Class A, averaging 452 lbs. 12½ ozs. butter in 1 year, average age at beginning of test, 24 months.

He sired the 1st and 4th prize heifers-in-milk, 46 entries, at the Royal Island Show, May, '15.

He sired the Sweepstakes bull at Southern Louisiana Fair; the 1st prize two-year-old heifers at Toronto Exposition, New Jersey and Virginia State Fairs, '14.

Expected to be bred, before day of sale, to Golden Beatrice's Sultan, 121193, A. J. C. C., a bull that stands in a class by himself. He is the youngest son of the famous Golden Beatrice 2d, 162060, and her only son sired by Sultana's Golden Jolly, 86180. His sire, the peerless Sultana's Golden Jolly, is a Grand Champion and the sire of Grand Champions. His dam, Golden Beatrice 2d, has been declared by Mr. George E. Peer to have been the greatest imported cow he ever saw. She made at the rate of 18 lbs. 6 ozs. of butter in 7 days, and has repeatedly milked 22 to 24 quarts daily. She is perhaps the dam of more high selling calves than any cow in the world. (See front pages for pedigree of Golden Beatrice's Sultan, 121193.)

No. 125. Heifer.

ALDAN'S PRETTY LENA, 307176, A. J. C. C.

Dropped October 20, 1913.
Solid color; black tongue and switch.
Bred by F. D. Houillebecq, St. Clement, Island of Jersey.

Imported (in dam) September 15, 1913, by T. S. Cooper & Sons, Coopersburg, Pa.
Very rugged, with great depth of body; neat head; wide, prominent hips and great length of rump; hide exceedingly thin and mellow; good udder development, full in front; large teats, perfectly placed.

An island-bred heifer, from Highly Commended parents, and descended from some of the most famous animals of the breed. She goes three times to Lady Aldan, who is believed by some breeders to have been the greatest daughter of Golden Fern's Lad. She also traces to those wonderful cows, Lady Viola, Blue Belle, the Mabels, Fairy Glen, and Sultana's Snowdrop, who is a full sister to our Golden Sultana, the dam of Sultana's Golden Jolly, 86180, the peerless Champion bull.

Sire
ALDAN'S NOBLE
SULTAN 2d,
P. 4859, H. C.

He represents a combination of blood that has produced some of the most famous animals ever imported by "Linden Grove."

His sire was sold in our '11 auction for \$15,000, at the same time his sire's dam, Lady Viola, sold for \$7,000. Lady Viola has four public test daughters, one of which has 5 official test daughters. She is a public butter test cow herself, and is dam of Viola's Golden Jolly, sold in our '09 auction for \$12,000, who has 9 daughters in the Register of Merit, and produced our sensational Grand Champion bull, Sultana's Golden Jolly, 86180.

Noble of Oaklands' sire and paternal grandsire were imported by "Linden Grove." His paternal granddam, Blue Belle, was imported by "Linden Grove" and sold for \$3,600 when 14 yrs. old. She has two tested daughters, and five sons with tested daughters.

Dam
ALDAN'S LENA,
307175.

(P. 17137, H. C.)
Her granddam, Tryphena 11th, is dam of Lady Lena of St. Clement's, 197624, who has 3 daughters in Register of Merit, viz.:

(See front pages for pedigree of Jolly Sultan of Linden, 120838.)

No. 127. Heifer.

SULTANA'S OXFORD CROCUS, 319711, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.

Born September 2, 1914.

Solid color; black tongue and switch.

An exceedingly handsome light fawn, of stylish carriage and of the very best breeding; sweet head and face; strong, straight back and broad loins; beautifully set tail, with generous switch; long, well-ribbed barrel; thin, mellow hide; splendid development of udder, with large teats, beautifully placed.

Sire

SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.

A bull that has received the patronage of some of America's best breeders, such as Messrs. Ayer & McKinney, Mr. R. A. Sibley, Hon. Robert J. Fleming, of Toronto, and others.

He sired Golden Fern's Jolly, 100629, 1st prize 2-year-old bull, Senior and Grand Champion, Mississippi-Alabama Fair, '13.

Golden Fern's Jolly was also Grand Champion at the Mississippi-Alabama Fair, '14, when the judge, Mr. C. T. Graves, said: "This is the most outstanding bull I have seen in years," and advised his owner to take him to the National Dairy Show.

His grandsire, Golden Fern's Lad, was in the "Linden Grove" herd for 5 years, and has 31 butter test daughters.

Sire of numerous other winners. (See opposite page for further particulars.)

Dam

OXFORD LAD'S
CROCUS,
P. 12049, H. C.

Dam of Majesty's Brown Crocus, 306-622, in Register of Merit, 743 lbs. butter in 1 year; the highest testing cow by Oxford Lad's Jolly; sold in our '14 auction for \$410, to Mr. John G. Howland, Quebec, Vt.

She is dam of Gamboge's Crocus, 252147, in Register of Merit, 515 lbs. 1 oz. butter in 1 year; sold in our '11 auction for \$535; dam of 1 in Register of Merit, and of a public butter test cow.

Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. We afterward bought her for the "Linden Grove" home herd.

Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, out of Sultane 9th, P. 1145, H. C., winner of many first prizes over the Island, and dam of Uncle Peter, P. 2115, H. C. Her granddam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Maret. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her granddam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily.

She is dam of Sultana's Oxford Lad, that sold in our '10 auction sale for \$11,100, and she selling in same sale when 12 years old for \$3,700.

She is a full sister to Sultane's Snowdrop, dam of Sultan of Oaklands. She is dam of Gedney Farm Blue Fox's Sultana, 72755, sire of two 2-year-olds in Register of Merit with year's butter records.

SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.

The handsomest and best bred bull ever owned at "Linden Grove." He is the admiration of all Jer. breeders, and is not for sale at any price. The question has quite often been asked, "What would Sultana's Golden Jolly bring on the Island?"

His only daughter tried for Register of Merit test made 308 lbs. 5 ozs. butter in 9 months of her year's test, beginning at 2 yrs. 5 mos. old.

Sire of

Golden Fern's Jolly, 100629, winner of Grand Championship at Mississippi-Alabama Fair, '13, '14 and '15. (Bred at "Linden Grove.")

The Owl's Golden Jolly, 2d prize senior bull calf, and head of 1st prize calf herd, National Dairy Show, '11. (Bred at "Linden Grove.")

Sultana's Vernonia, 1st prize heifer calf and one of 1st prize calf herd, National Dairy Show, '11. (Bred at "Linden Grove.")

Sarah's Sultan, 1st prize yearling bull, Tennessee State Fair, '14. Sold in our 14 auction for \$610.

St. Helier's Jolly Sultana, 1st prize junior yearling heifer, 13 entries, Mississippi-Alabama Fair, '14. (Bred at "Linden Grove.")

And other winners. His half brother, Jolly's Royal Sultan (by Viola's Golden Jolly), sold at auction for \$10,000. (See opposite page for his extended pedigree.)

Dam

FERN'S LADY
MINETTE,
203983, A. J. C. C.

Milked 18 quarts with her first calving.

Dam of Minette's Golden Viola, 240-367, in Register of Merit, Class AA, 405 lbs. 14 ozs. butter in 1 year, at 4 yrs. 5 mos. old. Sold in our '13 auction to Mr. R. A. Sibley, Spencer, Mass., for \$410.

Golden Fern's Lad,
P. 2160, H. C.
(Imp. Golden

Fern's Lad,
65300, A. J. C. C.)
Winner of 1st pr. and Championship,
North Club Show, '96 and '97.

Purchased by us for use at "Linden Grove," when 9 yrs. old, for \$2,250.

Sire of a long list of pr. winners and 27 tested cows (see front page A), and his get have commanded among the highest prices ever realized for Jerseys at auction.

Sire of 31 tested cows, and 27 bulls with tested daughters.

The most celebrated bull the Island of Jersey has ever produced.

His son, Flying Fox, sold in our '02 sale for \$7,500.

His daughter, Golden Sultana, won 3d pr. at the great St. Louis Show, Sept., '04, and sold in the ring for \$2,350.

Ten of his get have been sold at an average of \$4,560.

Thirty-nine of his get (some only calves) sold at our auction sale at an average of \$1,308.

His son, Eminent 2d, sold in our '05 auction for \$10,000, has 25 sons with daughters in Register of Merit, led by Eminent's Raleigh, who has 48 tested daughters, 24 of them in Register of Merit. Eminent's Raleigh is also sire of Raleigh's Fairy Boy, sire of 37 in Register of Merit, and 5 others.

Among his 31 butter tested daughters are:

Freedom, public butter test, Tring, England, 2 lbs. 10 ozs. in 24 hrs., 140 days in milk; 1st pr. over England, Oxfordshire, '99.

Gold Mine, public butter test, Roy. Show, England, 4 lbs. 8½ ozs. in 48 hours.

La Foret's Lucille, public butter test, 2 lbs. 2 ozs. in 24 hrs.

Lady Dorothy 2d, Br. Medal, public butter test, Oct., '99, 2 lbs. 8½ ozs., 89 days in milk.

Lottie, public butter test, 1 lb. 14½ ozs., 120 days in milk; 1st over Jer., '98; 1st over England, '99 and '02.

Pedro's Lady Minette, 138857, 15 lbs. 4 ozs. at two years old.

Boyle, P. 1559, H. C.
Sire of Fontaine 7th, 8th and 9th, all prize winners over the Island.

"Boyle" also sired the great cow, "Spec-kled Band," public butter test, 2 lbs. 3½ ozs., 140 days in milk; dam of the wonderful cow "Nursie," that made the phenomenal record of 2 lbs. 7½ ozs. of butter in 24 hours in the public butter test, after being in milk 300 days and within 90 days of calving. She sold in our '07 sale for \$2,200, to Mr. A. B. Lewis.

Sire of
Tula, P. 5323, H. C., 1st over Jer. and Par. prize, '94; dam of Rill, P. 6982, H. C. (65 lbs. milk in one day), the dam of Eminent's Raleigh, 69011.

And other notables. During our visit to the Island of Jersey, for a number of years, it has always been our great pleasure to examine the daughters of the famous bull, Boyle. They were of great size, carrying beautiful heads; thin, long necks; strong, straight backs; the very best of loins; broad hips; sharp withers; "bread baskets" wide and deep, which alone told the tale.

Golden Fern,
P. 4711, H. C., 2d pr. over the Island and Par. prize, '94. One of the grandest dairy cows ever known on the Island.

May Day of St.

Lambert, 5109.

Bred April 12, 1916, to Golden Beatrice's Sultan, 121193, A. J. C. C., a bull that stands in a class by himself. He is the youngest son of the famous Golden Beatrice 2d, 162060, and her only son sired by Sultana's Golden Jolly, 86180. His sire, the peerless Sultana's Golden Jolly, is a Grand Champion and the sire of Grand Champions. His dam, Golden Beatrice 2d, has been declared by Mr. George E. Peer to have been the greatest imported cow he ever saw. She made at the rate of 18 lbs. 6 ozs. of butter in 7 days, and has repeatedly milked 22 to 24 quarts daily. She is perhaps the dam of more high selling calves than any cow in the world. (See front pages for pedigree of Golden Beatrice's Sultan, 121193.)

No. 129. Heifer.

SULTAN'S BELLE OF STEINBURG, 324991, A. J. C. C.

Bred by T. S. Cooper, Coopersburg, Pa.
Born December 18, 1914.
Spot in forehead and on left shoulder; brisket, belly, flanks, legs, tongue and switch white.

A very rugged and splendidly developed light grey; body of great length and depth, with well sprung ribs; straight, strong back, with prominent hips, broad loins and good setting of tail; luxuriant white switch; has the making of a large, square udder, with good-sized and squarely placed teats.

Sire
**SULTANA'S
GOLDEN JOLLY,
86180, A. J. C. C.**

A bull that has received the patronage of some of America's best breeders, such as Messrs. Ayer & McKinney, Mr. R. A. Sibley, Hon. Robert J. Fleming, of Toronto, and others.

He sired Golden Fern's Jolly, 100629, 1st prize 2-year-old bull, Senior and Grand Champion, Mississippi-Alabama Fair, '13.

Golden Fern's Jolly was also Grand Champion at the Mississippi-Alabama Fair, '14, when the judge, Mr. C. T. Graves, said: "This is the most outstanding bull I have seen in years," and advised his owner to take him to the National Dairy Show.

At the National Dairy Show, Chicago, '11, he won the following:

1st prize in 2-yr.-old class, 6 entries.
Senior Champion bull, 2 years old or over.

Grand Champion bull, any age.
Headed herd winning \$200 Special prize, "bull and 10 females."

Silver Trophy (\$100 Special) for Grand Champion bull.

His grandsire, Golden Fern's Lad, was in the "Linden Grove" herd for 5 years, and has 31 butter test daughters.

Dam
**FERN'S RIOTER
BELLE,
203982, A. J. C. C.**

Dam of
Fern's Noble Prince, 106940, 1st prize Jr. yearling bull, Appalachian Exposition, Knoxville, Tenn., '13; bred at "Linden Grove" and sold to Mr. J. C. White, of Knoxville.

75 per cent. same blood as Fox's Belle Rioter, 182012, sold in our '10 auction for \$400.

A line of breeding that invariably produces good things. Mr. R. A. Sibley paid \$410 for a 3-year-old in our auction, and her heifer calf realized \$435.

Fox's Belle Rioter is dam of Fern's Belle Rioter, 203966, in Register of Merit, 546 lbs. 5 ozs. butter in 1 year, at .6 yrs. old; owned by Mr. George T. Chaffee, "Alfrecha Meadows," Rutland, Vt.

Viola's Golden Jolly, 79314, A. J. C. C. Sold in our '09 auction for \$11,000.

Sold in Kinloch Farm auction, '11, for \$13,000.

Sire of 9 cows in Register of Merit with good year's records as 2 and 3 yrs. olds.

Sire of Jolly Royal Sultan, 90032, sold at Kinloch Farm sale, '11, for \$10,000.

Golden Sultana, 146282, A. J. C. C.

Winner of 3d prize in class for aged cows at the Louisiana Purchase Exposition, St. Louis, '04, in the greatest ring ever exhibited in this country, where she sold for \$2,350. We afterward bought her for the "Linden Grove" home herd.

Golden Sultana is an intensely bred "Sultane." She is sired by Golden Fern's Lad, P. 2160, H. C., out of Sultane 9th, P. 1145, H. C., winner of many 1st prs. over the Island, and dam of Uncle Peter, P. 2115, H. C. Her grandam, Sultane, P. 7, H. C., is the first of the greatest family of Jerseys ever bred and owned by that famous breeder, Mr. J. P. Marett. Thus Golden Sultana is a granddaughter of old Sultane and her nearest living descendant. She has inherited the famous dairy type, especially in the udder and teats, for which her grandam was famous, and has inherited all her abundant dairy qualities, having milked as high as 48 lbs. daily.

She is dam of Sultana's Oxford Lad, that sold in our '10 auction sale for \$11,100, and she selling in same sale when 12 years old for \$3,700.

She is a full sister to Sultane's Snowdrop, dam of Sultan of Oaklands. She is dam of Gedney Farm Blue Fox's Sultan, 72755, sire of two 2-year-olds in Register of Merit with year's butter records.

Her son, Sultana's Oxford Lad, has 4 daughters in Register of Merit, and a son with 4 in R. of M.

Imported October 31, 1915, by T. S. Cooper & Sons.

Solid color; white tongue; black switch.

A lovely light fawn in color, and a refined dairy type; broad, dished face, with prominent, dark eyes; straight, strong back, wide hips and long rump; thin, long tail, with beautiful switch; great length of body, and splendid ribbing; milk veins running away forward on belly; large, well-balanced udder, and good-sized teats well placed. She comes from a line of highly commended dams, extending on the lower line back to Oxford Daisy, the head of the family that produced Oxford Lass and her sensational following. By Oxford You'll Do, and due to freshen in July, she will no doubt prove one of the "bargains." Good judges are asked to mark her particularly.

Sire
OXFORD
YOU'LL DO,
P. 4075, H. C.

Winner of 1st pr. over Jer., with his progeny, at the bull show on the Island, April, '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

OAKLANDS OXFORD ROSE, 306925, A. J. C. C.

Dropped January 15, 1914.

Solid color; black tongue and switch.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.

A heifer of royal breeding, representing many of the greatest individuals of the families we have patronized within the past forty-one years. We own her sire, the sensational Oxford You'll Do, P. 4075, H. C., and her dam. We imported both her grandsires, and many of the ancestors of each, and know that they are the type that win in the show ring and raise the Register of Merit average. A rugged heifer, of great constitution; bright, prominent eyes; thin, flat neck; exceedingly long bodied, with well sprung ribs; strong back; very broad at loins, with prominent hips; long rump; thin, long tail, with black switch; has the making of a splendid udder, large and squarely placed teats.

Sire
OXFORD
YOU'LL DO,
P. 4075, H. C.

Now at "Linden Grove," registered as Imported Oxford You'll Do, 111860, and not for sale.

Sire of Golden Oxford Ivy, CHAMPION OVER JERSEY, '15, winning 1st in her class of 76 entries, and Theatre Challenge Cup, at the last Roy. Show in May. She also won 1st in her class of 68 entries at the Royal Show, May, '14.

Golden Fern's Oxford, 120935, GRAND CHAMPION bull at Indiana State Fair, '15 (as a yearling). Bred at "Linden Grove" and sold in our '14 auction for \$525.

Edith You'll Do, 255216, in Register of Merit, 475 lbs. 6 ozs. butter in 1 year, as a three-year-old. (Sold in our '11 auction for \$200 as a heifer calf.)

Stella You'll Do, 288310, in Register of Merit, 429 lbs. 15 ozs., as a four-year-old. (Sold in our '13 auction for \$500, 3 yrs. old.)

Oxford Lavender, 431 lbs. 9 ozs., as a four-year-old. (Sold in our '13 auction for \$775.)

You'll Do's Favorite, 306639, sold in our '14 auction for \$500; now under official test, and will make 900 lbs. or more of butter in 1 year, as a four-year-old.

And 18 other official test cows.

(See opposite page, or front page C, for his extended pedigree.)

Dam
ROSE OF
OAKLANDS,
195834, A. J. C. C.
(P. 10048, C.)

Bred by Mr. John A. Perce, Island of Jersey.

Her dam also produced:

Rosy of Oaklands, 195835, in Register of Merit (AA), 524 lbs. 11 ozs. butter in 1 year, at 6 yrs. old. (Imported by "Linden Grove.")

Oakland's Rosette, P. 7853, H. C., public butter test, 1 lb. 12½ ozs. in 24 hrs., at 2 years old.

Uno of Oaklands, public butter test, 1 lb. 4½ ozs. at 3 yrs. old, 248 days after calving.

Champion Flying Fox, 61441, A. J. C. C. (Flying Fox, P. 2729, H. C.)

Champion winner over the Island, Aug., '99. Sold at our auction sale, May, '02, for \$7,500. In same sale, three of his heifers on first calf averaged \$933.

Among his 26 tested daughters are: Fox's Syria o' Dreamworld, 11,075 lbs. milk, 1 year.

Fox's Maid o' The Sea, 11,530 lbs. milk, 1 year.

Although imported 15 years ago, Flying Fox's daughters are still making records as aged cows. During the past summer, two daughters of Flying Fox qualified for Register of Merit with records over 700 lbs. butter in 1 year, both past ten years of age. One, Fox's Pride o' Dreamworld, made 787 lbs. 9 ozs. butter, 11,508 lbs. milk, IN HER 12TH YR.

Flying Fox's sons are also demonstrating the prepotency of this blood. Forty-three of his sons have produced tested daughters—a greater number than any other bull of any breed.

Golden Fern's Lad, P. 2160, H. C. (Imp. Golden Fern's Lad, 65300, A. J. C. C.)

Winner of 1st pr. and Championship, North Club Show, '96 and '97.

"Linden Grove" Blood Dominates the Register of Merit

While we have done no testing in recent years at "Linden Grove," our customers have done enough to show the quality of the families we handle. The evidence is constantly increasing.

In the last lot of Register of Merit cows reported from the American Jersey Cattle Club office (twenty-nine of them, owned in eleven different states), nine were imported by "Linden Grove," one bred at "Linden Grove," and four sired by bulls bred at or imported by "Linden Grove."

Four others were closely descended from "Linden Grove" bulls; one was by a full brother to Oxford You'll Do (now at "Linden Grove"), and one out of Alconora, two of whose daughters were imported by us. It is with great pride that we point to THIS FACT.

"Linden Grove Blood in Twenty out of Twenty-nine Register of Merit Cows, in the American Jersey Cattle Club's last Report:

"The Jersey Bulletin" lately said:

"The blood of Cooper cattle and the families they have handled, finishes with the blue ribbon so persistently in the show ring that their judgment of type and blood was long ago vindicated. And, if an analysis of the Register of Merit in relation to these families was undertaken, we suspect it would bring conviction to those who weigh butter fat rather than show-ring prestige."

We have not had the time to analyze the Register of Merit, but we have been gratified to note the familiar "Linden Grove" names in the lists published from time to time.

We have not lately tested our cows, for two reasons:

Having so many, we could not test them all; and it might be said that those not tested were not capable.

So many of our imported cows are kept here too short a time to complete year's tests—and during acclimation, the most unfavorable time to judge a cow's worth.

Are "Linden Grove" Cows Producers? See the list above—**More Than Two-thirds** of the cows qualified for the Register of Merit in a single lot from the Club Office have the "Linden Grove" stamp

What a story it would make, were it practicable to go through the entire Register of Merit and show what the "Linden Grove" contribution has been!

No. 137. Cow.

OXFORD MILLIE YOU'LL DO, 353270, A. J. C. C.

(Oxford Millie, P. 20803, H. C.)

Bred by John A. Perree, St. Saviour, Island of Jersey.

Born December 8, 1912.

Imported October 31, 1915, by T. S. Cooper & Sons.

Solid color; black tongue and switch.

A handsome "big-little" young cow, with lots of substance and good type; very long, deep body; back strong and straight to root of tail; great length of rump and prominent hips; hide thin and mellow; long tail, with generous switch touching the ground; large udder, of splendid shape when in milk, with well-placed teats. (One of the "good things" that will likely be picked up by some good judge at a bargain because practically dry.)

Sire
OXFORD
YOU'LL DO,
P. 4075, H. C.

Sire of 22 or more official test cows, 16 of them with Register of Merit records, including:

You'll Do's Favorite, just finishing with more than 900 lbs. butter as a 4-year-old. She was sold in our '14 auction for \$500, to Mr. E. T. Bedford, Greens Farms, Conn.

Imp. Rustic Ivy, 774 lbs. 7 ozs., at 4½ yrs. old. She was 1st pr. 3-year-old (11 entries) at New York State Fair, '13; 1st pr. 4-year-old, Connecticut State Fair, '14; 1st prize 5-year-old, dam of the Gr. Champion bull and the 1st prize "produce of cow," New York State Fair, '15. Six of his Register of Merit daughters were imported by "Linden Grove."

Six others with official tests on the Island of Jersey, were imported by "Linden Grove" in '15, and will be sold in this auction.

Oxford You'll Do is sire of many prize winners, including: Golden Oxford Ivy, Champion over the Island of Jersey in '15; 1st prize 2-year-old at Royal Show, May, '14 (68 entries), and 1st prize 3-year-old, May, '15 (76 entries). Now named You'll Do's Champion Ivy, 353251, and catalogued for this auction (see No. 50).

Kingsway, P. 5158, H. C., 1st prize bull, Class 2, 19 entries, Royal Show, May, '15.

(See opposite page for his extended pedigree.)

YOU'LL DO'S GREY BEAUTY, 353263, A. J. C. C.

(Xiana, P. 19577, H. C.)

Bred by W. Colin, Grouville, Island of Jersey.
Born May 25, 1912.

Imported August 5, 1915, by T. S. Cooper & Sons.
Solid color; black tongue and switch.

An attractive grey, of splendid breeding, being by Oxford You'll Do and out of a cow of the family that produced Mr. R. A. Sibley's great bull, Interested Prince, whose daughter holds the highest yearly milk record of the Jersey breed. Long bodied, and of good dairy type; great depth of barrel, with splendid ribbing; symmetrical outline, with straight, strong back, broad loins and wide, prominent hips; very long in rump, with high tail setting and luxuriant switch; beautifully shaped udder; good-sized and squarely placed teats.

Sire

OXFORD
YOU'LL DO,
P. 4075, H. C.

Winner of 1st pr. over Jer., with his progeny, at the bull show on the Island, Apr., '11. This is the most valuable prize, and the greatest distinction that can be accorded a bull.

Full brother to Oxford Knight, P. 3938, C., sire of 12 butter test cows, and of other prize winners.

Imported by "Linden Grove" and registered as Imported Oxford You'll Do, 111860—not for sale. He is sire of the bull winning Gr. Championship at Indiana State Fair, '15, and sold in our auction for \$525.

His daughter, You'll Do's Favorite, sold in our '14 auction as a 3-year-old for \$500, now under year's official test, will make nearly, if not more than, 900 lbs. butter.

His daughter, Golden Oxford Ivy, won 1st prize in her class (76 entries) and the Theatre Challenge Cup (Championship over the Island) at the Royal Show, May, '15; she also won 1st prize in her class (68 entries) at Royal Show, May, '14.

No living sire has put the stamp of CAPACITY—a highly finished DAIRY TYPE—more unerringly on his daughters than has Oxford You'll Do, P. 4075, H. C.

(See front pages for his picture and more extended pedigree.)

Dam

ALEXIANA,

Blue Belle sold in our '04 auction sale to Mr. Howard Willets, "Gedney Farm," White Plains, N. Y., for \$3,600. Dam of Caumais Lad, P. 2257, H. C., sire of Financial King, P. 2624, H. C., and Guenon's Lad, both noted sires. Dam of Blue Nun, 18 lbs. 5½ ozs. Dam of Blue Belle of St. Saviour, 173583, who made 411.96 lbs. butter the first year after importation, and sold in our '11 auction for \$1,250. Dam of Golden Lad's Blue Belle, sold in our '03 sale for \$1,725. Dam of Blue Belle 4th and 7th and of Blue Belle's Island-some Fox. Also dam of Blue Belle's Golden Fern, 69196, that sold as a calf for \$3,000. She has 5 sons with tested daughters.

When on the Island we took special pains to go and see the breeder of Blue Belle, and he told us that her dam, Grisette, was one of the greatest cows in her day on the Island, milking 18 to 20 quarts daily, and never went dry. Her dam, Fiery Cross, F. 5935, H. C., who was also bred by the breeder of Blue Belle, had no equal on the Island.

Everton Lord,

P. 1088, H. C.

His sire is a son of

Everton King, P. 390, C.

Everton King was a remarkable sire of grand cows of magnificent dairy type, inheriting the same from his illustrious dam, Quality, who won first prize and Champion Cup at the Royal Show, '82, and made 16 lbs. 8 ozs. of butter. Many years ago, when on the Island, we were so taken with her that we bought, at a long price, her son, Everton King, and left him on the Island to be bred to our cows before shipment to America. Quality is also dam of the great bull, Happy, F. 309, C., who left a grand lot of dairy cows on the Island.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born December 25, 1914.
Spot on left shoulder; brisket and flanks white; black-and-white tongue and switch.
Exceedingly handsome, and a rich glossy "black" with some white markings; very high finish and quality; sweet head, with dished face and inturred horns; great length of body; straight back and good rump, with high tail setting; good development of udder, with good-sized and well-placed teats.

Sire

VIOLA'S SULTAN,
96385, A. J. C. C.

Full brother to Sultana's Golden Viola, 240363, dam of the "Linden Grove" service bull, Jolly Sultan of Linden, 120838 (see front page G).

His dam, Golden Jolly's Lady Viola, won Bronze Medal in public butter test, Oct., '05, making the phenomenal record of 1 lb. 15 ozs. of butter in 24 hours, when 159 days in milk and only 30 mos. old. (This is considered the most remarkable record, considering age and period of lactation, ever made on the Island.) She made a private record of 2 lbs. 9 ozs. in 24 hours.

Golden Jolly's Lady Viola was sold in our '07 auction for \$675, and we re-bought her in Mr. Overton's sale, '08, for \$2,250 (Dr. C. E. Still, Kirksville, Mo., being the contending bidder). She is full sister to Viola's Golden Jolly, 79314, sire of Sultana's Golden Jolly, 86180. Viola's Sultan's granddam, Lady Viola, is dam of Noble of Oaklands, who sold in our '11 auction for \$15,000, and has 37 tested daughters.

Dam
SULTAN'S
DAIRYLIKE,
252259, A. J. C. C.

Sultana's Oxford Lad, 76506, A. J. C. C. Sold in our '10 auction for \$11,100; his dam, the distinguished Golden Sultana, selling at same time for \$3,700.

His son, Elvirian Lad, has been shown successfully by Elmen-dorf Farm, winning 1st prize at Illinois State Fair in a class of 9 yearling bulls, and was later awarded Grand Championship for bulls of all ages in '13. The late Mr. A. M. Bowman, who was one of the last bidders on Sultana's Oxford Lad when he sold for \$11,100, often regretted that he did not get this great sire.

Golden Jolly's Lady Viola, 203669, A. J. C. C. (Poppy Viola, P. 10912, H. C.)

Rozel's Sultan, P. 4140, H. C. 3d prize over Jersey, April, '08. 2d prize over Jersey, Aug., '08. 2d prize over Jersey, Aug., '09. Sold to go to New Zealand. The Jersey Bulletin of Feb. 19, '13, quotes thus from a New Zealand agricultural paper: "The well-known bull, Rozel's Sultan, owned by W. V. Harkness, has done fairly well for himself the past season and has practically defied competition at the shows where he has been entered. At Palmerston, North, he only took second, but at Wangamui, Hawera and Stratford he annexed first and championship honors."

Noble's Dairylike, 252208, A. J. C. C. (P. 15047, H. C.) She was bred by that pre-eminent breeder, Mr. Phil. J. Ahier, the breeder of Golden Fern's Lad, Eminent, 2d, Leda's Golden Lad, Stockwell and others, and was called one of the best daughters of Noble of Oaklands in the importation. More than 160 1st prs. and Championships stand to the credit of her sire, Noble of Oaklands, and his get, so far as the records have been tabulated.

Oxford Lad, P. 3123, H. C. Champion, St. Saviour and Grouville Show, '05. Sire of the great bulls, Majesty, Lncy's Champion and Sultana's Oxford Lad, the latter selling at our '10 auction sale for \$11,100. Sire of 42 tested cows. VIOLA'S UNION MAID, 325733, A. J. C. C.

Bred by T. S. Cooper & Sons, Coopersburg, Pa.
Born November 25, 1914.

Solid color; black tongue and switch.

A substantial and handsome light fawn, with great depth of body and spring of rib; neat head, wide between eyes and dished face; level back and great length of rump; hide exceedingly mellow and elastic; thin, long tail, with good switch; splendid udder development, with long, perfectly placed teats.

Sire

VIOLA'S SULTAN,
96385, A. J. C. C.

Full brother to Sultana's Golden Viola, 240363, who is dam of the magnificent bull, Jolly Sultan of Linden, 120838 (see front page G).

His sire, Sultana's Oxford Lad, sold in our '10 auction for \$11,100. He has 4 daughters in Register of Merit, and a son with 4 in the Register of Merit. The late Mr. A. M. Bowman, who was one of the last bidders on Sultana's Oxford Lad, when he sold for \$11,100, often regretted that he did not get this great sire.

His dam, Golden Jolly's Lady Viola, won Bronze Medal in public butter test, Oct., '05, making the phenomenal record of 1 lb. 15 ozs. of butter in 24 hours, when 159 days in milk and only 30 mos. old. (This is considered the most remarkable record, considering age and period of lactation, ever made on the Island.) She made a private record of 2 lbs. 9 ozs. in 24 hours.

Golden Jolly's Lady Viola sold in our '07 auction for \$675, and we re-bought her in Mr. Overton's sale, '08, for \$2,250 (Dr. C. E. Still, Kirksville, Mo., being the contending bidder). (See opposite page for extended pedigree of Viola's Sultan, 96385.)

LARGEST JERSEY SHOW IN 1915

"LINDEN GROVE" BLOOD AGAIN TRIUMPHS AT THE GREAT TEXAS STATE FAIR.

Under Prof. Hugh G. Van Pelt, judge, won all Championships, and Seventeen out of Twenty First Prizes. Eighteen herds represented, with 350 head of Jerseys. The Falfurrias Herd, owned by Mr. Ed. C. Lasater, Falfurrias, Texas, mostly of "Linden Grove" blood, did most of the winning.

AS AT NASHVILLE, "LINDEN GROVE" BLOOD "CLEANED THE PLATTER."

GRAND CHAMPION BULL—We imported his sire, Noble of Oaklands 95700, and sold him in our 1911 auction for \$15,000. We imported Eminent 2d, P. 2532, H. C., the sire of his dam, and sold him in our 1905 auction for \$10,000. We imported his half-sister (same dam), and sold her in our 1914 auction as a two-year-old for \$1,000.

GRAND CHAMPION COW—Sultan's Dark Beauty 252210 imported by "Linden Grove" and sold in our 1911 auction for \$725. She was Grand Champion at National Jersey Show, Ohio and Illinois State fairs, in 1911, and had won First Prize at the Royal Show, Jersey, 44 entries, May, 1910. Her daughter by Gamboge's Knight (bred at "Linden Grove") was First Prize heifer calf at Texas State fair, 1912, and Junior Champion at Indiana State fair and Kansas City, as a yearling, 1913.

GET OF SIRE—FIRST, SECOND AND THIRD PRIZES won by the get of three Noble of Oaklands bulls. First by Nobleman of St. Cloud, sold in our 1907 auction, when six weeks old for \$325. Second by the Grand Champion bull mentioned above. Third by Aldan's Noble, imported by "Linden Grove" and sold in our 1913 auction for \$235 to Mr. Lasater, who values him at \$5,000.

TWELVE-DAY BUTTER TEST—First prize (heifer class) won by Oxford Vixen's Brown Beauty 294310, bred by Mr. Lasater from parents purchased at "Linden Grove." Her sire, Oxford Vixen's Majesty 95474, was imported by us in 1910, and sold as a yearling for \$100. Her dam, Noble's Brown Beauty 224609, imported by us in 1908 and sold as a four-year-old for \$300.

JUNIOR CHAMPION BULL—Son of Aldan's Noble 89581 who was in service at "Linden Grove" for three years. He sired both the First Prize Senior and Junior bull calves, in classes of 12 and 14 entries. We imported Aldan's Noble's sire (Noble of Oaklands) and his dam (Mabel's Poet's Lady Aldan), the latter being dam of Raleigh's highest testing daughter—744 lbs. 5 oz. butter in one year. Mabel's Poet's Lady Aldan is still in the "Linden Grove" herd, in calf to Oxford You'll Do. She is out of the same dam as Golden Fern's Noble.

JUNIOR CHAMPION FEMALE—By a son of Noble of Oaklands (imported by "Linden Grove"). Noble of Oaklands now has 37 official test daughters, and 28 sons with official test daughters. We imported Noble of Oaklands' sire, and his dam, Lady Viola, who sold in our 1911 auction for \$7,000. We imported his paternal grandsire, and both grandams, and other ancestors.

SENIOR HEIFER CALVES, TWENTY ENTRIES—First Prize won by a granddaughter of Noble of Oaklands. (She was also Junior Champion).

AGED BULLS, EIGHT ENTRIES—We imported the sire and maternal grandsire of the First Prize bull; the grandsire of the Second Prize bull; while the Third

Prize bull was sold in our 1914 auction for \$325, at two years old.

TWO-YEAR-OLD BULLS, FIVE ENTRIES—First Prize won by a son of Golden Fern's Grey Prince 73208, bred at "Linden Grove" and sold in our 1911 auction for \$1,500. His sire, Golden Fern's Lad, reigned for five years at "Linden Grove," and his dam's sire (Flying Fox, son of Golden Fern's Lad), was sold in our 1902 auction for \$7,500.

YEARLING BULLS, SIX ENTRIES—First Prize won by a son of Nobleman of St. Cloud (winner of First Prize for "get of sire") and Eminent's Clemence, both imported by "Linden Grove." The Second Prize bull was by Flora's Blue Fox 73212, bred at "Linden Grove," sired by Flying Fox.

SENIOR BULL CALVES, FOURTEEN ENTRIES—First Prize Bull sired by Aldan's Noble 89581 (imported by "Linden Grove.")

JUNIOR BULL CALVES, TWELVE ENTRIES—First Prize bull (also Junior Champion), sired by Aldan's Noble 89581.

AGED COWS, FOURTEEN ENTRIES—First Prize to Sultan's Dark Beauty (the Senior and Grand Champion cow), imported by "Linden Grove." Second Prize to Mabel's Raleigh's Gray Beauty 306565, sold in our 1914 auction for \$1,375. She is dam of Imp. Nimay 272571, in Register of Merit, 429 lbs. 15 oz. butter in one year, at 4 years old.

THREE-YEAR-OLD COWS, ELEVEN ENTRIES—First Prize to Martha You'll Do 306627, sold in our 1914 auction for \$745. (Her sire, Oxford You'll Do, P. 4075, H. C., is now in the "Linden Grove" stables.) Second Prize won by a daughter of Nobleman of St. Cloud (First Prize for "get of sire"); and Third Prize by a daughter of Oxford's Raleigh 75267, imported by "Linden Grove" and later owned by Mr. W.
